"Old Hen" a Brew with a Kick in It.
Media, Pa., July 21.—"Old Hen," a new liquid refreshment, with a kick of a mule, was tested out Saturday by the inventors, who had surreptitiously established their clandestine distillery in a vacant barn near Rockdale. The concoction was labeled "Old Hen" because it required twenty-one days for the mixture to hatch. But the period of incubation was too slow for the thirsty experimenters, and on the tenth day, which was Saturday, they proceeded to sample the drink.
The bibulous chemists grew hilarious from quaffing the brew, and attracted the owner of the barn, who, armed with a stout broom, entered the distillery and made a clean sweep of the mixers of "Old Hen."
The ingredients of the new mixture are said to be cornmeal, molasses, brown sugar and water, and if the maker cannot wait twenty-one days, ten days is enough to produce a kick—at least kick enough to get kicked out of the barn.

How Foolish!
Some people continue wrapped up in themselves even during the hottest weather.

Medical.
Women Give Out
Housework is hard enough when healthy. Every Bellefonte woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Bellefonte woman's experience:
Mrs. Sara Miller, 108 Curtin St., says: "My kidneys were weak and I had dizzy spells and headaches. At times there were black spots before my eyes. I didn't know what was wrong until some one told me the trouble came from my kidneys. I had pains in my back and suffered for a long time in this way. Sometimes a dull ache bothered me and then again, if I bent over or did any heavy lifting, it was a sharp pain. When I sat down, I couldn't get up without help. I also suffered from rheumatic pains. I began taking Doan's Kidney Pills and after using two boxes, the rheumatic pains left me and the trouble from my kidneys was removed." (Statement given April 21, 1914).
On October 18, 1918, Mrs. Miller said: "I very gladly confirm my recommendation for Doan's Kidney Pills, which I gave four years ago. I have had no trouble since then."

On Sunday a party of College township people journeyed to the Bear Meadows and entering one of the permanent hunting lodges located there, Jeff Hubler reached into a box to get some old paper to start a fire when he was bitten on the hand by a rattlesnake. He was hurried to State College where the snakebite was cauterized and he was given the proper antidotes, and while he was quite sick for some hours he is now getting along all right.

After a two week's visit among their friends and relatives in Centre county, Mr. and Mrs. J. D. Dannelly departed for their home in Medina, Ohio, on Wednesday morning, delighted with their brief sojourn at the home of their youth, where Mr. Dannelly's sisters, Misses Sue and Sadie, kept the home fires burning. The evening previous to their departure a porch party was given in their honor at the old home. Among the guests was L. R. Lenhart, who recently returned from overseas, during which time he had the unpleasant experience of being a prisoner of war in the hands of the Germans for three long months. Others who were present were Miss Rose McCormick, of Hublersburg; Mr. and Mrs. George Fortney, mother Fortney and Miss Beulah Fortney, of Boalsburg. Refreshments were served and the evening was spent most delightfully by all.

HEALTH RETURNS

To Mr. and Mrs. William Lash, of Ellwood City, Through the Use of Goldine and Goldine Alterac.

Friends of William Lash, of the Fourth ward, are remarking at the healthy look in his face. For many years Mr. Lash was so ill from catarrh of the stomach and kidney trouble that he went about only with great effort and much suffering. Asked as to the cause of his return to health, Mr. Lash replied, with a smile: "Goldine Alterac did it. For two years I suffered. Every morning for months I would get up with a gnawing pain in my stomach and I was sick all over. I had a constant dull headache, and at times dizziness came over me very suddenly. I was hungry all the time but could not eat. When I did eat I bloated terribly. I tried many remedies without relief, and finally hit upon the one I should have tried first—Goldine Alterac. My, what a joy it is to be cured after so much suffering! My wife had rheumatism and female trouble. She took some of my Goldine Alterac, and it did her so much good she continued. She, also, has been cured. We are now a happy family, thanks to Goldine and Goldine Alterac."
Goldine and Goldine Alterac are sold by Green's Pharmacy. Get a bottle today and be on the road to health. 64-29
