The annual reunion of the Lutz family will be held at Pine Hall on Saturday, August 30th. The gathering will be in the Johnson grove and will be an old-fashioned basket picnic.

The grasshoppers and army worm have done some damage to the oats, the grasshoppers eating the twine bindings so that much of the oats had to be gone over and rebound in the old fashioned way.

Lester Gephart, of Altoona, was a Sunday visitor at the W. E. Johnson home. On his return to Altoona he was accompanied by Walter Johnson, who went up to take a job in the P. R. R. machine shops.

Mrs. Paul Wrigley, of Fairbrook, was taken to the Bloomsburg hospital on Friday and underwent an operation for the removal of a goitre. Late word from the hospital says she is getting along nicely. She was accompanied to Bloomsburg by Mrs. Milo Campbell.

While attending the community picnic and welcome home gathering at Centre Hall on Saturday your correspondent was entertained at dinner by Mrs. D. A. Booser and Mrs. Frank Fisher, and we certainly enjoyed the delicious spread and are under deep obligations to both ladies.

The Saturday afternoon freight brought a double-decked car load of sheep to Centre county from the western part of the State, consigned to I. O. Campbell, of Fairbrook. This is the second flock of sheep Mr. Campbell has received, so that he is doing his part in fostering the sheep industry in Centre county.

ORVISTON.

Mr. and Mrs. Frank DeLong and children, James and Brittan, spent Sunday with friends and relatives at Blanchard.

Mr. and Mrs. Hensyl Young and children, Relda, Harvey, Dorothea and Helen, are visiting in Romola with Harry Young and family.

Philip Dietz had the misfortune to fall and hurt his left hand and arm very severely. The doctor has forbidden him to work, which does not suit him at all.

Robert Hume, who left for Falconer, N. Y., about two weeks ago to visit his brother, Lieut. John Hume, reports he likes the place so well that he intends staying, and is learning the printer's trade.

Danny Martin is sporting around with a fine new auto. As Danny is very generous, all his friends are enjoying it with him. This does not mean girls only—it means boys and girls, and every one.

Mrs. Rebecca Womer has gone to finish the summer with her children at Curtin. We all miss Grandma, as she is the embodiment of christian cheer, and always has a sunny smile and kindly word for everyone.

J. Fred Young's new store has proved quite a success so far, and is well patronized. It is certainly a pleasant place to visit, and after he gets his screen doors and windows in place it will be pleasanter still.

The last of our overseas boys have returned to town, James Slavin and Theodore Palumbo. Both boys look well and have had some great experiences in their lives that will always be remembered, but like all the rest, they are very reluctant to relate the things as they saw them. They seem anxious to forget all about it, and I do not know as I, for one, blame them.

S. C. Crotzer and family are leaving us for green fields and pastures new. We wish them all the good luck and happiness possible in their new home. The same applies to Mr. and Mrs. Ola Cyphert and children, who are leaving for a better location. We wish them success, and all good things and hope to see them again some day. They leave many kind friends behind them.

Harry Jodon, who was shot accidentally (or otherwise) by some person or persons unknown, has returned from the Lock Haven hospital somewhat improved. It was a big piece of folly, whoever did it, as hunting season had long been over, and Mr. Jodon was peacefully fishing and minding his own affairs at the time. Mr. Jodon has a family, most of whom are little ones, and his loss has been deeply felt by them. The shot entered his left arm, which was held near his heart at the time, so it is plain to be seen he had a very narrow escape.

Mrs. Margaret Jones is very ill with typhoid fever and is in the Lock Haven hospital. Mrs. Jones has never been well since her terrible experience with influenza last fall, when she and her husband, baby, father, and two of her brothers were ill at the same time, with no one to help her, and her mother ill with pneumonia in New York State. After her husband's death she went to a sanatorium in Wilkes-Barre, and for a time seemed to improve. While working at the chair factory she had a finger milted in a saw and blood poison attacked it, so when typhoid made its appearance it found her unable to cope with it. The doctors pronounce her case as very serious, but her friends are hoping for her recovery.

Truth Triumphs

BELLEFONTE CITIZENS TESTIFY FOR THE PUBLIC BENEFIT.

A truthful statement of a Bellefonte citizen, given in his own words should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ill, use a tested kidney medicine.

A Bellefonte citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?

M. H. Daley, railroad man, 213 E. Lamb St., Bellefonte, says: "My back and kidneys were in a very serious condition, when I began taking Doan's Kidney Pills. They gave me great benefit and I was more than pleased with the results. I recommend Doan's Kidney Pills whenever I have an opportunity."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Daley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 64-31

Bartlett, motored down and were guests over Tuesday night at the Thomas Hull home. W. O. ARTHUR, RETIRED BUSINESS MAN OF 111 PRICE ST. JAMESTOWN, N. Y. SAYS:

"I have suffered from stomach trouble for a long time, having it by spells. I had annoying pains in my stomach and very often my food would disagree with me. Although I had suffered with indigestion for a long time I knew that it would gradually grow worse if I did not get some relief. Several months ago I began taking Goldine. It is now about two months since I took the last dose and altogether I took three bottles. Shortly after I began taking the medicine, the pains in my stomach about left off and I stopped taking Goldine. I still feel much better, so that my relief is permanent. My appetite is improved and generally, I feel all right now."
