

Cash Road Tax Now Being Paid Centre County Townships

The State Highway Department has announced that payment of the cash tax bonus due townships in Centre county for the years 1913 and 1914 has been made by the State Treasurer.

By Act of July 22nd, 1913, known as the "Jones Dirt Road Act," it was provided that the road tax in townships shall be collected in cash and no taxes shall be payable in labor or worked out. It was also provided that each township furnish a sworn annual report to the State Highway Department showing all receipts and expenditures during the past year; and also a signed agreement showing the proposed method of expending funds received from the Commonwealth. This, together with a copy of the treasurer's bond, entitled the township to receive its share of the

annual bonus, which was intended to cover an annual reimbursement from the State of 50 per cent. of the total amount of road tax collected by the township as shown in the sworn statement, but not more than \$20 per mile of township road.

By Act of June 3rd, 1915, the provisions of the Act of July 22nd, 1913, were suspended until all deficiencies incurred prior to the year 1915 be paid by the Commonwealth of Pennsylvania. During the 1915 session of the Legislature, an appropriation of \$1,142,049.38 was made to pay in full all the deficiencies due the townships and the certification of this bonus to the State Treasurer for payment to the townships is now under way.

The amounts now being paid to the townships in Centre county, all of which will benefit by this appropriation with the exception of Snow Shoe, which did not comply with the requirements of the Act, are as follows:
