Gray and wife and their son Earl and wife, and Dr. Frank Bowersox, of Millheim, were among those from a distance seen at the Baileyville picnic on Saturday. That popular bird, the Stork, seems to be especially partial to some families in this neighborhood. He just recently left a little boy, No. 10, at the Ed Harpster home, and another little chap, No. 15, at the Fred Gearhart home. (And the editor of the "Watchman" rises to remark that there is no evidence of race suicide in either of the above families, but oh, my! the high cost of living).

Our mutual friend, J. E. Reed, was taken violently ill at the Baileyville picnic on Saturday and had to be taken home, but is now improving. It is estimated that in the neighborhood of five thousand people attended the Baileyville picnic on Saturday. Practically every family in the community was represented with quite a number from a distance. There was also a big bunch of willing candidates. Perfect Confidence

BELLEFONTE PEOPLE HAVE GOOD REASON FOR COMPLETE RELIANCE. Do you know how— To find relief from backache; To correct distressing urinary ills; To assist weak kidneys? Your neighbors know the way— Have used Doan's Kidney Pills; Have proved their worth in many tests.

Here's Bellefonte testimony. Mrs. B. F. Blair, 108 Howard St., says: "I have used Doan's Kidney Pills occasionally when suffering from kidney trouble. They certainly have benefitted me in every way. In fact, I haven't had to use any kidney medicine for kidney complaint since I first took Doan's Kidney Pills. I think there is nothing as good as Doan's Kidney Pills for people who may be troubled with weak kidneys." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Blair had. Foster-Milburn Co., Dept., Buffalo, N. Y. C1-33

ORVISTON.

Mrs. C. D. Weaver and mother, Mrs. M. E. Nelson, motored from Mill Hall recently to visit B. T. Nelson. James Moody Sr. and Paul Schaffner, of Clarence, visited among Orviston friends and transacted business as a side issue, on Thursday last. Mrs. Harry Singer and children, Raymond, Linda and Agnes, visited with Mr. and Mrs. Charles Singer, in Romola. They report a very pleasant time. Mrs. Mary Wetzel, who has been spending a few weeks with her niece, Mrs. Newton Cameron, has returned to Howard. We were sorry to see her go as we like nice folks. Mr. and Mrs. Barner and children, Torrence, Florence, Ruth and Louise are visiting with Mr. and Mrs. Bartlow at the back camp. They expect to bring home a nice lot of blackberries. Mrs. Margaret Jones, who was quite ill in the Lock Haven hospital, has recovered so as to be able to visit her parents, Mr. and Mrs. Hume, of Orviston. She is far from strong, however, but is anxious to be at work. It pays sometimes to be a little lazy, but Mrs. Jones cannot see it that way. Miss Hazel Walker, who has been staying with Mrs. Lot Thompson, at Port Matilda, has returned home. Miss Walker was pleased with her future home, as her parents own the place where she was staying; she says it is better all around than Orviston, as one can keep nice and clean there. The Orviston Church of Christ will hold their annual picnic August 30th. It is expected that there will be a large turnout if weather conditions are favorable. Orviston, with her liberality, tries to give every one a good time on all her gala days, in-so-far as the Orvistonians are able. We hope the neighboring towns make allowance for our limitations. Berry picking is the fashion here. Those who have made the best showing as yet are Mrs. Atwood Wellers and Miss Anna Dietz. For quantity and quality they can't be beaten. The stormy weather is hampering the pickers just now, but they are quite undaunted. All say berries are very plentiful—also rattlesnakes; but as no one has been bitten, as yet, and as several big fellows have been captured, the berry pickers have not been scared out. L. C. Barner and son Torrence, while out with Frank Bartlow, got four large ones. Mr. Barner renders out the oil, and when a chap finds a big snake he fetches it to Barner, who skins it expertly so it may be made into a belt, or whatever any one wishes.

WHAT ONE BOTTLE OF GOLDINE WILL DO. The Following Happened in Cochran & Matthias Drug Store, Washington, Pa. Mrs. J. McKinney said: "My husband said to be sure and bring home another bottle of Goldine as I was looking much better than I had for six months. And do you know what I did last night? I ate creamed potatoes for dinner and then an apple, with no discomfort whatever. It's the first time in months I could do that. It seems impossible, but that is what the first bottle of Goldine has done for me and that is why my husband insists that I keep taking it until I fully regain my former good health. Be sure and get the original and genuine Goldine; manufactured at Youngstown, Ohio. Goldine Remedies for sale at Green's Pharmacy. 33-1t

Nothing Doing. Tailor—I'm sick of dunning you for this bill. I demand a check at once. Impetuous Author—Sorry, old chap, but doctor has ordered me to give up writing altogether for three months.

A new law in Michigan makes it the duty of the State Highway Commission and the State Commission of Agriculture to plant nut trees for shade along the state trunk highways. Provision is also made for the State Agricultural College to distribute young nut trees to local officials and private persons who will set them out. It is a sensible plan. Nuts are among the most palatable and nutritious of foods, and a hickory gives as much shade as an elm.
