cerebral hemorrhage, the result of a burial. stroke of apoplexy sustained on Tues-

day of last week. Mr. Thompson was born at Thompsontown, in Juniata county, on February 28th, 1842, hence was 77 years, 5 months and 25 days old. His boyhood life was spent at the place of his birth until the Civil war when he enlisted and served with distinction throughout that struggle. Returning from the war he came to Centre county and located at Snow Shoe where he went to work for the Bellefonte and Snow Shoe railroad company. For a number of years he was a fireman on that road but later moved to Bellefonte and ran the engine at the old Valentine furnace. He worked as a stationary engineer for the late Thomas A. Shoemaker when he widened the Gallitzin tunnel on the Pennsylvania railroad. When the old Centre Iron company took charge of the Valentine furnace he again worked there as an engineer and from there went with the American Lime & Stone company where he worked until his retirement about twelve years ago. For many years Mr. Thompson occupied his own home along the back road between Bellefonte and the old nail works but cake and all the good things that man it was burned to the ground in the disastrous fire of several years ago which destroyed eighty thousand dollars' worth of lumber for the Pennsylvania Match company. With the destruction of his home went all his private papers and family data.

In 1863 he was united in marriage to Mary Jane Temple who died in March, 1914, but surviving him are six children, namely: Harry and Claude, of Bellefonte; John F., of West Brownsville, Pa.; Mrs. John Fulkrod, of Elmira, N. Y.; Joseph and Homer, of Bellefonte. He was the last member of his father's family. Funeral services were held at the Claude hompson home at 2:30 o'clock on Monday afternoon by Rev. Alex-

> Howard Welcomes the Returned Soldier Boys.

The welcome home celebration at Howard on Saturday was ideal. The weather, the parade, the refreshments, the amusements were all that the most critical could have demanded and reflected great credit on the various committees in charge.

The town was well decorated, both as to the streets and public and private buildings and the glorious weather served to bring a great crowd together to do honor to the boys of the lower Bald Eagle who have returned from service. The program was carried out exactly as published in the "Watchman" last week with the one exception that burgess Fred Leathers did not preside at the public meeting so that Judge Quigley, after introducing himself, acted as master of ceremonies.

The dinner was served on the school house grounds by the ladies of the town and was a "regular" dinner, hot from the griddle on real china plates and with silver cutlery. Chicken, noodles, vegetables, jellies, ice cream, craves were there in abundance and so appetizingly served as to make it really a wonderful culinary feat when it is known that one hundred and seventy-five persons were served.

The Howard band furnished the music until the arrival of the Middle division P. R. R. band from Altoona, in the afternoon, when that splendid organization kept music in the air un-

til late at night. The local band boys held a festival on the school grounds in the evening and the way the money rolled in leads us to believe that their credit in Howard will be even better than it ever was down there and that means a lot for the Howard band made good on obligations not long ago that nobody expected to realize anything from. They are resourceful fellows, though, for who ever would have thought of that ducking-duck game that probably paid for as many ducks as the Bald Eagle would float and proved an entertainment in itself that repaid us for our trip to the capital of Howard township.
