Medica.

Why Suffer So?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Bellefonte people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit?

Mrs. Christ Young, 16 Potter St., Bellefonte, says: "For more than a year I suffered with a dull pain in the small of my back. My back was always sore and when I bent over, I could hardly get up again. I didn't feel able to do anything about my house. I had a dull, drowsy feeling all day long and when I got up in the morning, I could hardly dress. I was troubled a lot with dizzy spells and my kidneys acted irregularly. I read in our town paper where Doan's Kidney Pills had helped so many people of the same trouble that I decided to give them a trial. The first box that I got at the Green Pharmacy Co. cured me and it has been about three years now since I have had any trouble with my kidneys. (Statement given April 22, 1916).

On October 18, 1918, Mrs. Young said: "I am very glad to confirm my former endorsement recommending Doan's Kidney Pills. I have had no kidney trouble since I used Doan's Kidney Pills and am now a well woman and owe it all to Doan's Kidney Pills."
