The prohibition enforcement act puts the bachelors of the country in bad. It provides that only a married man, a head of a family, may have liquor or wines in his house and that a bachelor may have none.

Saturday wasn't a very good day for Centre county football teams. Penn State went down in defeat before Dartmouth by the score of 19 to 13, the Bellefonte Academy lost to the Pitt Freshmen 56 to 2 and the Huntingdon High school team defeated the Bellefonte High school on Hughes field 22 to 0.

Don't overlook the fact that the Scenic offers you entertainment every evening during the week, not only one or two evenings, and is therefore deserving of your patronage.

On Monday noon G. Wash Rees brought to this office a small branch of a red raspberry bush which contained seven well developed ripe berries and fifteen green ones of all sizes, or twenty-two berries in all.

While the number of berries on the branch would be nothing remarkable during the regular raspberry season any berries at this time of year, and especially ripe ones, are so unusual that the fact has been freely commented upon by those who have seen them.

Ira D. Garman is making a strong fight for election to the city council in the fourth district of Philadelphia on the charter party ticket, and if there is anything in the record behind the man influencing votes in his favor Mr. Garman should be an easy winner.

The government is at present having a survey made of all the railroads in the United States which have been operated under the supervision of the government in order to ascertain the physical condition and valuation of the property. In doing this work competent men must walk every mile of road.

Charles Griffin, of Williamsport, is making the survey of the Lewisburg branch and anticipates completing the work in the next few days. At present he is making his headquarters at the Bush house, Bellefonte.

What the Borough Dads Did on Monday Night.

The customary six members were present at the regular meeting of council on Monday evening. John Martin and Nich Gianfelice, of north Allegheny street, were present and asked council to take some action relative to improving the walk along the Linn property, north of the Beaver property on Allegheny street.

The matter was referred to the Street committee for prompt investigation and report at next meeting.

The Street committee presented the report of the borough manager which showed various repairs around town and also the collection of \$132.00 from the Gaylord International Engineering and Construction company for rent of road roller and ten dollars from Edwin F. Garman for private street work.

The Water committee's report of the borough manager's activities in that department included the collection of \$9.50 for work done.

The Fire and Police committee reported a fire in the Brown property on east Howard street on October 13th, but no special damage done.

The Finance committee asked for the renewal of a note of \$630 for six months from October 7th, one for \$400 for six months from October 8th, and one for \$700 for six months from October 15th, all of which were authorized.

The Special committee reported progress in the settlement with the State-Centre Electric company.

Mr. Plack, of the Fire and Police committee, recommended that the borough purchase a fully equipped chemical motor truck for each of the fire companies.

Various members of council expressed their approval of the recommendation and on motion the committee was instructed to get in communication with different manufacturers regarding quality and prices of trucks and report at next meeting.

The Special committee reported a recommendation that a minimum rental of \$1,500 a year be placed upon the Phoenix mill property and the present occupant is to be given preference in the matter of executing an agreement at that figure.

Borough solicitor J. Thomas Mitchell presented a detailed schedule of payments to be made on the Phoenix mill property, recently taken over by the borough by action of council, which provides for the payment of \$500 on the first of September and \$1,200 on the first of March for a period of twenty-one years.

The schedule has the approval of Col. Reynolds and a resolution passed council adopting the same, every member voting aye.

Mr. Mitchell also presented a schedule of the assessments made against the various property owners on south Water and Willowbank streets as their portion of the expense of building the state highway along said thoroughfares.

The list totals approximately \$8,000, and it was referred to the Street committee and borough solicitor for collection.

Announcement was made yesterday that ex-President William Howard Taft has agreed to give a lecture in the Schwab auditorium, State College, on Saturday evening, November 22nd.

The former President will come to the College under the auspices of the Phi Kappa Phi honorary scholarship fraternity, which is making an effort this year to secure the nation's most prominent speakers for the benefit of the student body and the people of the surrounding towns.

Miss Lucretia Van Tuyl Simmons, president of the local chapter of Phi Kappa Phi, is fostering the movement and in the near future will be ready to announce the coming of other such attractions.

While the subject for ex-President Taft's talk has not yet been chosen, it is probable that he will speak on some phase of the League of Nations pact.

Forward Movement Conference.

A conference under the auspices of the "Forward Movement Commission" of the Reformed church in the United States will be held in St. John's Reformed church, Bellefonte, Friday, October 24th.

There will be three sessions: 10:30 a. m., 2 and 7:30 p. m. Ministers and lay delegates from Centre county and adjoining districts are expected and urged to be present.

In the evening a general mass meeting for the public will be held, at which time Rev. Theo. F. Herman, D. D., of the Theological Seminary, Lancaster, and possibly Rev. C. E. Greitz, D. D., of Reading, will deliver inspirational addresses on "The Church and the New Age." Everybody is invited.

"Cheer Up Mabel" a Laugh Tonic.

If a good laugh is a tonic, why not go and see "Cheer Up Mabel," which comes to Garman's theatre next Tuesday, October 28th, and you won't buy another bottle of medicine for a year, as the many humorous plots, as well as the haunting melodies, will keep you supplied at least that long.

It is so constructed that the world would be certain to capitulate to this irresistible attraction. It is built for laughing purposes and played laughingly to laughter for an audience. See big advertisement in another column.

This (Friday) evening an Autumn social will be held in the Lutheran church, and a general good time is anticipated. The public is invited to attend this function.

For high-class job work come to the "Watchman" office.

Turn Back Your Clocks.

Don't forget to turn back your clock at one o'clock on Sunday morning; or better still, turn them back an hour before going to bed on Saturday night and then you will be able to sleep an hour longer on Sunday morning.

The regular meeting of the W. C. T. U. will be held Friday, October 31st, at 3 p. m. A report of the state convention will be given. All the members are urged to be present.

Harry Murtof has been elected treasurer of the Methodist church of Bellefonte, a position held by J. P. Smith for fourteen years. Mr. Smith's health made it imperative that he give up some of his work.

Some of the young ladies of Bellefonte are planning a subscription dance for Halloween. It will be held in the Arcade Thursday night, October 30th, and Wright's orchestra, from State College, will furnish the music.

The office force of the "Watchman" is indebted to our friend, George H. Musser, of Boggs township, for the donation of four nice pumpkins and the only reason we don't say more about it here is because our mouth is already so watery over the thought of pumpkin pie that we can't express ourselves as we would like to do.

Leslie Pickering, alias Leslie Johnson, escaped from the western penitentiary last Friday morning, making his get-away from a crew of men gathering beans and cabbage. But he was very polite about it, as he said good bye to the guard who tried to stop him with several shots but failed to do so.

Pickering is only seventeen years of age and was sent up from Greene county.

The hunting season opened on Monday, so far as small game is concerned, but up to the time this article was written yesterday very little of it has been brought into Bellefonte and so far as could be learned very little game has been killed, although quite a number of pheasants were seen by the scores of hunters who roamed the woodlands and mountains of Centre county on the opening day of the season.

Dr. John I. Woodruff, who will be the speaker at both the morning and evening services at the Lutheran church, is the professor of English and philosophy at Susquehanna University, and was recently elected representative in the State Legislature.

He is the sponsor of the well known Woodruff teachers' bill providing for an increase in the salaries of all school teachers. Dr. Woodruff is a logical thinker and an able orator, and his addresses Sunday will be of a high calibre.

The regular meeting of the Woman's club will be held in the director's room in the High school building, Monday, October 27th, at 7:30 p. m.

The program will be given over to the subject of "County Officials," how they are elected, how long the term of office, the duties of the incumbent, salaries, etc.

The speaker will answer all questions on the subject. This talk should be of interest to women, in view of the fact that they will soon become voters. Each member of the club is requested to bring a friend.

On page two of this issue of the "Watchman" is published a very explicit article on war risk insurance and compensation which is of especial interest to ex-service men. A bill now before Congress, and which is almost sure to be enacted into a law, trebles the compensation ex-service men will be allowed for either partial or total disability under war risk insurance.

The "Watchman" has always strenuously advised ex-soldiers to keep their war risk insurance good, but we know that many of the boys have allowed theirs to lapse because they failed to get jobs on their return home which would enable them to pay the monthly premium.

The article on page two tells how all such young men can have their insurance re-instated and the terms offered by the government are extremely liberal. Therefore, we again advise all ex-soldiers to read the article, as we know it will interest you, because it may mean dollars and cents in your pocket.

Broken Blossoms.

Of extraordinary interest, not only to lovers of the motion picture, but likewise to all who appreciate the highest in art in its various manifestations, is the announcement of the Pastime theatre, State College, in presenting David Wark Griffith's superb screen creation, "Broken Blossoms," to be shown October 30th and 31st.

Never has a motion picture been accorded a reception comparable to the triumph that has followed every showing of this production. Newspapers have devoted column after column to its beauties and wonders, its success has been instantaneous.

The story was adapted from a tale by Thomas Burke, and around it Mr. Griffith has built the most alluring, yet pitiful, beautiful, yet tragic love story ever filmed.

A special symphony orchestra accompanies the film from Pittsburgh and the theatre will be attired in keeping with the theme of the story, so that this should be the crowning event in the splendid film presentations that have been enjoyed at this theatre.

All tickets are to be reserved. The advance sale of which starts Saturday.

For high-class job work come to the "Watchman" office.

T. J. Gates, of Tyrone, Killed Instantly.

T. J. Gates, a well known resident of Tyrone, was instantly killed on Monday afternoon at the plant of the Colonial Clay company, at Dunganvin, Huntingdon county.

Mr. Gates was president of the company and overlooking the installation of some new machinery when a heavy chain struck him on the head killing him instantly.

Thomas Jefferson Gates was a son of David and Elizabeth Gates and was born at Gatesburg, this county, sixty-nine years ago.

When but eleven years old his father died and he was taken into the family of Mr. and Mrs. Isaac Beck, at Centre Line, where he grew to manhood and received his education.

Forty-six years ago he went to Tyrone and entered the Blair county bank as a clerk. He was quick at figures and easily mastered the business with the result that he was promoted to cashier and later to vice president.

Eight years ago he resigned his position in the bank and organized the Colonial Clay company, with which he was associated until his death.

On August 28th, 1877, he was united in marriage to Miss Annie K. Miller, of Stormstown, who survives with one son, John Gates, of Philadelphia; he also leaves a half-sister, Mrs. Elizabeth Hildebrandt, of North Dakota.

He was a charter member of the First Lutheran church, of Tyrone. Brief funeral services were held at his late home at eleven o'clock yesterday morning by Rev. J. P. Miller and Rev. Bergstresser, after which the remains were taken to Centre Line, where final services were held in the Lutheran church and burial made in the Centre Line cemetery.

Stormstown Girls Clean Up Boys in Feeding Contest.

A pure-bred pig club for boys and girls was organized last spring in the vicinity of Stormstown by the Centre county Farm Bureau.

Young, purebred registered gilts were brought in and distributed by lot among the girls and boys who wished to enter the contest.

Seven Duroc Jerseys and seven Berkshires made up the group of pigs brought in for the club. During the past summer these pigs were fed by the various contestants to see which one could grow out the best pig and put on the largest gain per day.

On Saturday these pigs were all rounded up, weighed, judged and prizes awarded to the winners as follows:

Duroc Club—Winifred Wilson, 1st; Martha Beck 2nd; George Ellenberger 3rd; Eugene Ellenberger 4th; William Bickle 5th; John Stuart 6th.

Berkshire Club—Herbert Way 1st; Robert Way 2nd; Joseph Ebbs 3rd; S. P. Gray 4th; Jesse Gray 5th.

Sweepstakes prize for both clubs consisted of a pure-bred Berkshire gilt and was won by Winifred Wilson. The other prizes consisted of agricultural books and magazines which were donated by the First National bank of State College, and the First National bank of Phillipsburg.

These gilts will all be bred for spring litters and should go a long way toward establishing good foundation stock for that community.

Grand Opera for Altoona.

A great musical treat is in store for those who will journey to Altoona, on Saturday, November 1st. For on that evening will be presented at the Mishler theatre, the world's greatest baritone, Antonio Scotti, with the Scotti Grand Opera company of one hundred people, from the Metropolitan opera house, New York city, with a grand opera orchestra of eminent instrumentalists from the Metropolitan opera house.

The company will present Leon's sensational novelty, "L'Oracolo" with Mr. Scotti as Chim-Fang, his masterpiece of operatic characterizations, and Mascagni's melodious "Cavalleria Rusticana" as a double bill.

Mail orders for reservations can be made to the Mishler theatre, Altoona. This is the first time that it has ever been attempted to bring an organization of this magnitude to any city of the size of Altoona.

And it is a distinctive treat to the people of this entire section of the State that Mr. Mishler takes the risk of giving a tremendous guarantee so that Metropolitan opera by eminent stars may be presented without the journey to the Metropolitan opera house, New York city.

Among the notable voices, other than that of Scotti, to be heard with this company will be those of Florence Easton, Marie Sundelins, Francesca Peralta, Carlo Peroni, Francis MacLennan, Millo Pico, Mary Kent, Orville Harold, Jeanne Gordon and many other grand opera stars.

Red Cross Christmas Seals.

The Red Cross Christmas seals sale will again be conducted by the Bellefonte Woman's club and 15000 seals have been ordered.

As a certain percentage of the proceeds will be returned to us to help our own afflicted, we should not only do our bit but our best. The seals sell for a cent a piece, a price that comes within the means of everybody.

It will be possible for Bellefonte and vicinity to double the amount ordered. Miss Overton has charge of the sale and does not hesitate to ask for purchasers. A later notice will give date of distribution of seals.

A County Conference of Women's clubs will be held at State College, Saturday, October 25th. A bus will leave from the Diamond at 9:15 a. m. All who desire to go will please call Mrs. Brouse before Friday evening. A box luncheon will be served.

He said she was the best roaster he ever sat behind and that often, with fair roads he had driven from Tusseyville here in an hour and a half or two hours, without urging her a bit.
