What Will the 1920 Census Show in Centre County?

In just a little more than a month now thousands of census enumerators will be at work all over the United States taking the 1920 census, not only of men, women and children, but of horses, cattle, sheep and hogs, farms under cultivation and farms lying idle, and every conceivable thing that enters into the life and stability of this country.

And, while it will naturally be interesting to know the results attained in the United States it will be of greater interest locally to know the result in Centre county. Have we gained or lost in population, and how much? Only a true and correct census will tell this, hence it is not so much up to the census enumerators when they make their rounds to get a correct census as it is to the individuals. Hence when the enumerator visits your house don't evade answering his or her questions. Give the answers cheerfully and willingly, and what is of greater importance, give them correctly.

While Centre county is the largest county in the State in the number of square miles it contains it has not the largest number of farms by any means. This, of course, is because of the large acreage of mountain land in the county. But will it show at the next census more farms under cultivation than there were ten years ago? And will everything else show the normal increase that a decade of prosperity should show? These are things that every Centre countian is interested in, and that is the reason that everybody in Centre county should show every courtesy to the enumerators when they make their rounds.

Water Company Revises Rates.

The Public Service Commission announces that the Montola Water company, distributing water in Rush township, Centre county, has filed a new tariff of rates with the Commission to become effective January 1st, 1920.

The new tariff substitutes a readiness-to-serve charge, not including any water, for the present minimum charge, which included some water. The lowest readiness-to-serve charge is \$2.00 per quarter in place of the former minimum charge of 50 cents per month for a five-eighth meter with but one outlet.

In addition to the readiness-to-serve charge there is an output charge of 10 cents per thousand gallons for the first 100,000 gallons per quarter and 4 cents per thousand gallons in excess of that amount.

The first rates are increased throughout. The charge for the first fixture for ordinary domestic users is increased from \$6.00 per annum to \$3.00 per quarter.

Under "building purposes," the rates for "concrete" have been increased from 5 cents to 10 cents per cubic yard; and for "plastering," from 20 cents to 50 cents per 100 square yards.

Public fire protection charges have been revised and increased from \$10 per hydrant to \$10 per hydrant plus \$250 per mile of main 4 inches or greater in diameter.

A penalty of 10 per cent. is added if bills are not paid within 20 days. Deposits are required where a consumer is other than a property owner, and where none was required before, and charges for testing meters are stated.

A charge of 50 cents per 1000 tiles has been added for tile masonry and also a charge for concrete paving of 12 cents per 100 square feet.

The tapping fee is reduced from \$8.00 to \$3.00.

New Board of County Commissioners Organize.

While the "Watchman" was just a little previous last week in announcing the selection of chief clerk and assistant clerk to the new board of County Commissioners, it was not wrong in the appointees named. In fact the Commissioners-elect had taken no official action until last Saturday when a meeting was held in the sheriff's office. Mr. Harter, Mr. Austin and Mr. Yarnell were present and the board organized by electing Mr. Austin president.

They named Harry Keller as commissioner's attorney; H. W. Irwin, chief clerk; H. C. Valentine, assistant clerk; J. C. Showers, janitor, and Dr. M. W. Reed, county physician. No appointment has yet been made of the other janitor.

GREENE.—Two weeks ago the "Watchman" announced the fact that E. B. Greene would leave Bellefonte for his home in Florida after apparently recovering his health during his two month's sojourn in Bellefonte, therefore it was quite a shock to learn that he had died at his home in the south on Tuesday morning. Mr. Greene went south from Altoona three years ago and locating at Ocala, Fla., engaged in farming. At the time he went south his health was none of the best but his sojourn in that sunny clime proved beneficial and he improved right along. Some time in August he was assisting in the unloading of a barrel of molasses and in some way it slipped and would have fallen on another man had not Mr. Greene exerted himself to the utmost to hold the barrel. In doing so he badly sprained some of the muscles of his heart and the result was a severe sick spell. His attending physician advised him to come north and he did so, coming to Bellefonte. He took treatment at the Bellefonte hospital a few weeks then spent the rest of the time among his friends here, leaving Monday of last week for Florida. No word of a recurrent attack of his illness had been received in Bellefonte, hence word of his death was a surprise as well as a shock to his friends.

Edgar Barton Greene was a son of F. Peebles and Levina Burroughs Greene and was born on the old Greene homestead near McAlevy's Fort, Huntingdon county, on September 11th, 1859, hence he was just 60 years, 2 months and 14 days old. When a child his parents moved to Phillipsburg and he was but a small boy when they came to Bellefonte. Here he grew to manhood and was educated in the public schools, graduating at the Bellefonte High school. He then learned the trade of a carpenter but his special bent was electricity and he made a careful study of the subject. The result was that when the electric light plant was built in Bellefonte by the Edison Construction company he and his brother Elmer had charge of the work of wiring the town and when the plant was ready for operation Mr. Greene became the superintendent. That was in 1888 and he remained at the head of the plant a number of years, then went to Altoona to become superintendent of the newly organized Penn Central company. Later as that company expanded he was made general superintendent, a position he held until 1916 when he resigned on account of failing health.

Mr. Greene was a member of the Methodist church, the Masons, Knights of Pythias, Elks, Modern Woodmen of the World and the I. O. O. F. He was a most affable and courteous gentleman and had many friends in both Bellefonte and Altoona who deeply deplore his death.

In 1888 he was united in marriage to Miss Inez Minerva O'Brien, of Bellefonte, who survives with three children, namely: James, of Florida; Miss Bessie, at home, and Frank L., of Altoona. He also leaves one brother and a sister, Elmer Greene, of Erie, and Miss Ida, of Bellefonte.

No word has reached Bellefonte regarding the funeral but inasmuch as a Florida law requires all burials to be made within twenty-four hours after death it is the supposition that he was buried at Ocala.

MALLORY.—Mrs. Emma Jane Mallory, wife of George Mallory, died at her home on Pine street on Wednesday morning following an illness of two years or more with a complication of diseases. She was a daughter of John and Izan Wian and was born in Huntingdon county on October 6th, 1856, hence was 63 years, 1 month and 20 days old. Her parents came to Bellefonte when she was a girl and this had been her home ever since. She was a life-long member of the Methodist church and always faithful in her devotions to the Master's cause. She was a kind and loving wife and mother and a staunch neighbor and friend.

About forty-one years ago she was united in marriage to George Milton Mallory who survives with the following children: Ralph L. Mallory, of Bellefonte; Miss Edna, at home; Mrs. Blaine Mabus, of Bellefonte; Russell and Paul, at home. She also leaves these brothers and sisters: Mrs. Jacob Knisley and L. C. Wian, of Bellefonte; Mrs. George Hughes, of Axe Mann; Mrs. McClellan Fulton, of Tyrone; William, of Johnstown, and Mrs. David Kerlin, in Iowa. One sister died about three months ago.

Funeral services will be held at her late home at two o'clock this (Friday) afternoon by Rev. Alexander Scott, after which burial will be made in the Union cemetery.

HORNER.—Mrs. Margaret Alice Horner, wife of John H. Horner, of near Tusseyville, passed away last Friday following an illness of only three weeks with acute Bright's disease. She was a daughter of Mr. and Mrs. Daniel Keen and was born in Potter township on July 25th, 1865, hence had reached the age of 54 years, 3 months and 26 days. She is survived by her husband and three children, namely: Mrs. Edward Bailey, of Centre Hall; Orvis, at Colyer, and Grace, at home. She also leaves two brothers and a sister, Daniel Keen, of Michigan; Thomas, of Lewistown, and Mrs. George Shook, of Spring Mills. She was a member of the Reformed church and Rev. R. Raymond Jones, of Centre Hall, had charge of the funeral which was held on Monday afternoon, burial being made at Tusseyville.

WEAVER.—Mrs. Mary Ellen Weaver, wife of David Weaver, died at her home at Pleasant Gap on Sunday following a comparatively brief illness. She was a daughter of Edward and Bertha Dunning Houtz and was born on May 9th, 1893, hence was 26 years, 6 months and 14 days old. The remains were taken to Scotia, her old home, where burial was made on Wednesday.

—Miss Susan Shedd, of Swarthmore, doing field work for the Y. W. C. A. in Centre county, gave a talk Tuesday night before the Patriotic League, at the home of Miss Rhoads, on Linn street. While in Bellefonte, Miss Shedd has been a guest of Miss Eleanor Weston.

—In carrying out their work of remodeling their front building for show purposes only the Beatty Motor company this week had an opening cut in the side wall for a large show window.

GATES.—Blair Gates, a well known and highly respected citizen of Gagesburg, passed away at his home in that village at five o'clock last Saturday morning as the result of a stroke of paralysis. Shortly after eating a hearty dinner on Thursday he drove to Marengo for a load of coal. A short time after his arrival at that place Hugh McAfee, of Stormstown, also reached there for coal. He noticed a team standing at the coal bins and when he went to investigate he found Mr. Gates lying in one of the bins. He asked him what was wrong and Mr. Gates replied that he "couldn't get up." These were the last words he spoke before he lapsed into unconsciousness. Kind friends carried the stricken man to Mr. McAfee's car who took him home where he lingered until his death occurred on Saturday morning.

Blair Alexander Gates was a son of Martin and Mary Glasgow Gates and was born at Gagesburg on October 7th, 1862, hence was 57 years, 1 month and 15 days old. His entire life was spent in the vicinity of his birth. As a young man he learned the carpenter trade which he followed until the death of his parents when he took over the home farm and had conducted it very successfully ever since. He was a life-long member of the Lutheran church and always in the forefront of any movement which tended to its upbuilding. He was also a charter member of Halfmoon Lodge No. 845, I. O. O. F.

On December 27th, 1887, he was united in marriage to Miss Hattie Barr, of Boalsburg, who survives with these children: William, of State College; Mrs. Claude Dearnint, of Gagesburg; Robert and Edna at home. He also leaves the following brothers and sisters: Guyer and William Gates, of Altoona; Mrs. William Houtz, of Graysville; Mrs. Netta Nancy, living in Massachusetts, and Mrs. Ella Meyers, living in the far west; also one half-brother, R. T. Gates, of Pennsylvania Furnace.

Funeral services were held at ten o'clock on Monday morning in the Lutheran church at Gagesburg, by his pastor, Rev. A. M. Lutton, and the services at the grave in the cemetery adjoining the church were in charge of his brother Odd Fellows, the beautiful ritual being read by Rev. H. F. Bajcock, past grand of Halfmoon Lodge.

The family of the deceased hereby express their gratitude to all neighbors and friends who so kindly assisted them in the hours of their bereavement.

HOSTERMAN.—Adam Harper Hosterman, a well known resident of Harris township, died at his home at Boalsburg shortly after four o'clock on Monday morning following an illness of some weeks as the result of a general breakdown.

He was a son of John and Sophia Hosterman and was born in the eastern end of Pennsylvania on May 3rd, 1845, hence had reached the age of 74 years, 6 months and 21 days. He followed farming during most of his life and during the past forty-four years had been a resident of Harris township. He was a life-long member of the Reformed church and a good citizen in every way.

He was united in marriage to Susan Musser who died twenty-seven years ago, and his only survivors are a son and daughter, Mr. M. H. Hosterman, of Boalsburg, and Mrs. Matthew Goheen, of Harris township. Rev. S. C. Stover officiated at the funeral which was held at 10:30 o'clock on Wednesday morning, burial being made in the Boalsburg cemetery.

AUMAN.—Jonathan Auman, one of the oldest residents of Miles township, died last Saturday as the result of a stroke of paralysis, aged 85 years, 8 months and 24 days. His wife died three years ago but surviving him are four sons, J. C. Auman, of Wolf's Store, with whom he made his home; Adam, of Millifburg; Thomas A., of Rebersburg, and Clayton, of Wolf's Store. Rev. L. G. Shannon had charge of the funeral services which were held on Tuesday morning, burial being made at Rebersburg.

LONG.—John F. Long, father of Miss Emma Long, of Bellefonte, died at his home in Gearhartville, Clearfield county, on Tuesday of last week, of asthma and bronchial trouble. He was born in Germany almost sixty years ago, coming to this country in 1857. He located at Snow Shoe where he lived until 1899 when he moved to Gearhartville. Mr. and Mrs. Long were the parents of sixteen children, seven of whom died in infancy and nine survive. Burial was made at Gearhartville last Friday.

WEAVER.—Mrs. Mary Ellen Weaver, wife of David Weaver, died at her home at Pleasant Gap on Sunday following a comparatively brief illness. She was a daughter of Edward and Bertha Dunning Houtz and was born on May 9th, 1893, hence was 26 years, 6 months and 14 days old. The remains were taken to Scotia, her old home, where burial was made on Wednesday.

—Miss Susan Shedd, of Swarthmore, doing field work for the Y. W. C. A. in Centre county, gave a talk Tuesday night before the Patriotic League, at the home of Miss Rhoads, on Linn street. While in Bellefonte, Miss Shedd has been a guest of Miss Eleanor Weston.

Bellefonters Charged with Stealing Liquor.

Harry and Joseph Toner, of Bellefonte, were arrested in Muncy last Friday on the charge of stealing four hundred dollar's worth of liquor from the basement of the Crawford hotel in that city and were committed to the Lycoming county jail at Williamsport for trial.

According to the information given before a justice of the peace the two men arrived in Muncy about five weeks ago and were given employment at the Crawford house. Now it happened that the wine cellar in that hotel was pretty liberally stocked but that it wasn't many days until the stock began to decrease. Coincident with the decrease of the stock, it is alleged, the Toners were supplying liquor to their friends and offering it for sale at the price of eight dollars per quart. The men were watched and were caught with the goods on them. An inventory of the stock of liquors in the cellar showed twelve quarts of champagne missing as well as quantities of whiskey, wine, gin, rum and "kimmel," the value of which was placed at four hundred dollars.

Aviation News.

Contractors Gheret and Lambert on Monday morning put a force of men at work on the foundation for the new steel hangar at the Bellefonte aviation field to take the place of the one destroyed by fire two weeks ago. The hangar is now on the way to Bellefonte, and as it is constructed in sections ready to put together it will not take long to get it up after it arrives.

Mr. Towers, the new manager of the field, arrived on Sunday and with Mr. Blakesley, who returned to Bellefonte last Saturday, has been busy getting things in shape for the new building.

The new wireless station was completed last week and was tested out on Saturday evening. The station is so constructed that its circuit is principally east and west and its range is as yet undetermined. So far it has not been equipped with a receiver but all messages sent have been easily picked up by stations in New York, at League Island and all along the North Atlantic coast.

The weather the first three days of the week was anything but good for flying, and the result was three ships were disabled in forced landings. Fortunately, however, none of the pilots were injured. Yesterday was observed as a holiday and no planes were sent out.

Results of Corn Variety Tests.

In the spring several varieties of corn were planted to try to develop a better variety of corn for various sections of the county. A few local varieties as well as several varieties from other counties and States were used in these tests. The Spring Mills test was located on Hagerstown limestone soil and the Julian test in DeKalb stone loam, according to R. H. Olmstead, county farm agent.

The corn was all weighed, shelling and moisture percentages obtained and all results figured on a 15 per cent. basis of moisture.

A Study Class to be Held by Women's Club.

The Woman's club of Bellefonte will present a study course on "Citizenship" this winter. The course will begin in January and continue for six or more weeks, meeting one night each week. The first half hour will be devoted to drill work, followed by a discussion, which will be open to all.

Those who enter the drill class will pay a fee of \$1.00, which will cover expense of text books. As these books have to be ordered, it is urgently requested that the men and women wishing to join this class will send their names to Mrs. Beach by mail or telephone (Bell, 158) before December first.

Mrs. ROBERT MILLS BEACH, Chairman.

"The Miracle Man."

A rare treat is in store for screen fans. "The Miracle Man," a new Paramount arctart picture, produced by George Loane Tucker, will be shown at the Pastime theatre, State College, Friday and Saturday of next week. George M. Cohan's Broadway success of the same name, based upon the famous story by Frank L. Packard, is the basis for the fascinating theme which the picture unfolds. Besides being an absorbing entertainment of the highest order, it is a drama with an amazing soul—beautiful, thrilling and intensely appealing.

Several farmers out on Marsh Creek have lost a number of young cattle lately with a disease that has been diagnosed as black leg. The services of Dr. Nisley, of Bellefonte, were secured and he vaccinated a number of the cattle in the infected district.

Bellefonte High vs. Lock Haven High.

While the closing games of the big college football teams naturally were the main attraction in the sporting world yesterday and local interest was manifest in the Penn State-Pitt game, Bellefonters were more excited over the outcome of the game between the Bellefonte High school and the Lock Haven High for the P. P. Griffin loving cup. So great was the interest in this game that a special train was secured to convey Bellefonters to Lock Haven to boost the home team. The train left here at 1:30 o'clock and in addition to carrying the football team took along Vetzler's Boys band of Milesburg, and upwards of two hundred rooters went along. In fact the crowd all told numbered about two hundred and twenty-five. The silver loving cup, which has been on exhibition in Bellefonte during the week, was carried to Lock Haven by Prof. Eugene H. Weik.

The game resulted in a tie, neither team being able to score a point.

Penn State 20, Pitt 0. Penn State defeated Pitt yesterday by the score of 20 to 0, Higgins making a run of 90 yards for a touchdown.

Health Councils Named.

Dr. Edward Martin, State Health Commissioner, has appointed health councils in almost half the counties of the State whose duties will consist of co-operating with the State Health Department in spreading public health propaganda and looking after local health conditions. The members of the council appointed for Centre county are Dr. C. S. Musser, Aaronburg; Dr. David Dale, Dr. M. J. Locke, Nelson E. Robb, James C. Furst, Robert F. Hunter and Mrs. Blanche Schloss, of Bellefonte.

—Editor Thomas H. Harter returned in the beginning of the week from his duck shooting expedition in company with Dr. Hiller down on the Delaware marshes. There were three hunters in the crowd and all told they bagged eighty-two ducks, though editor Harter is just a little too modest to tell how many of them he killed.
