Happy Reunion at the McDowell Home at Howard.

A successful and happy surprise was pulled off on Mr. Harry T. McDowell and wife, of Howard, on Thanksgiving day, and all mixed up in the event pronounced it in every respect a very enjoyable and successful affair.

In addition to the Thanksgiving feature, it was the fortieth anniversary of the wedding of Mr. Harry T. McDowell and Miss M. Belle Kline. The combining of the two events proved a veritable jubilee occasion. One wide-awake woman, with thoughtful and designing intent, is sufficient to put up and carry out a scheme of any ordinary or extraordinary nature, but when four married and one single sisters join to scheme and plan a surprise, you may look for a record breaking event, whether a fight, a feast, or a frolic. The sisters of Mrs. McDowell took into their confidence the son of the "victims"—Willard K. McDowell, assistant cashier of the Howard National bank, and the result of the strategy and generalship of the sisters was a sufficient guarantee for the success of the job.

The preceding day Prof. Robb's wife, one of the sisters, sent Mr. and Mrs. McDowell word she would be down from Altoona on Wednesday evening and spend her Thanksgiving day with them. The fact is she was to act as a "decoy" to see that the "victims" of the scheme were sure to be at home. This was a success.

Thanksgiving day morning, between 8 and 9 o'clock, the train unloaded from Sunbury, Northumberland and Williamsport the following: Miss Nellie L. Kline, Mr. and Mrs. Isaac Cornwell, Mr. and Mrs. Richard McNally and Rev. and Mrs. Owen Hicks; and a few hours later from Altoona arrived Dr. George D. Robb and son Eugene. In due time all were in the McDowell home and wondering how many or which of the "bunch" should be held responsible for this Thanksgiving uproar. The whole "push" was either ignorant, innocent, or suddenly gripped by an attack of lockjaw, but the happy greetings and hand shaking went on until all were welcomed.

Shortly after the arrival of Dr. Robb and son Mrs. S. H. Bennisson, sister of Mr. McDowell, joined the cheerful company. Little time was devoted to the usual inquiries about health, etc., for one of the ladies called out "dinner is now ready," and with common consent all moved towards the well arranged and very temptingly spread table. A blessing was invoked by the brother-in-law preacher, after which the brother-in-law, Dr. Robb, of Altoona, was installed as master of table ceremonies, who, with pleasing observations and laughable replies to the offered criticisms very skillfully and satisfactorily filled that exacting position; in truth, nothing short of this could be expected of the brother whose daily care of fifteen hundred high school students is such a noted success.

The hour spent in putting "away in our bread-baskets" the very excellently roasted American bird was a feast of cheer and love and happy conversation.

After this feast, and yet around the festal board, the groom of forty years ago was called upon for a speech, which for its brevity and comprehensiveness was a reminder of the brave General Pershing on his arrival in France, an outflow of heart sentiment and feeling, of an honest confession of a stirred soul.

In the evening the visitors "struck the trail" that landed each in that "spot of spots"—home, sweet, sweet home—"all feeling the better for having spent a day of rare pleasure and profit. Such days add to the sacredness of the home as well as love to God and country.

Call for Threshermen's Meeting.

The Centre county threshermen and farmer's protective association will meet in the court house in Bellefonte on Saturday, December 6th, 1919, at ten o'clock a. m., for the purpose of taking up compensation insurance for 1920. Every one carrying compensation insurance, or expecting to do so, will learn something of interest and profit at this meeting.

This includes threshermen, saw mill and machine shop operators, garages, implement dealers, as well as farmers. Don't fail to attend this meeting and bring every one with you who needs compensation insurance.

Shadow Social.

The Willing Workers of the Lutheran Sunday school will hold a shadow social in the basement of the church, on Friday evening, December 5th. Each lady is requested to pack a box with sufficient lunch for two, and take it with her. The attendance of the public—both men and women—is solicited to help make this entertainment a success.

WADDLE.—Landlord W. W. Waddle, of the Brant house, passed away at one o'clock on Monday morning following an acute attack of Bright's disease. He had been ailing the past two months or more but his condition did not become serious until ten days or two weeks prior to his death.

William Wilson Waddle was a son of Philip Benner and Ellen Price Waddle and was born at the old Waddle homestead in Buffalo Run valley in January, 1854, hence was almost sixty-six years old. His boyhood was spent on the farm, working during the summer and attending the public school during the winter. At the age of seventeen he went to Tyrone and got a job as clerk later accepting a position at the Tyrone scales on the Bald Eagle Valley railroad. He was there a number of years then went with the McGovern Bros., contractors, as bookkeeper, remaining with them until he came to Bellefonte about fifteen years ago to become agent for the American Express company. A year or two later he became bookkeeper for the Nittany Iron company and remained there until that company ceased to exist. Five years or more ago he accepted a position as clerk at the Brockerhoff house where he remained until he bought out Mrs. James Noonan, at the Brant house, taking charge there about the middle of September, 1917.

Mr. Waddle was twice married, his second wife being Miss Mary Sherlock, to whom he was married September 12th, 1917. She survives with one son to his first marriage, Drew Waddle, in charge of the Philadelphia office of the American woolen mills. He also leaves one sister and two brothers, namely: Mrs. D. L. Meek, of Waddle; James, of State College, and Philip D., of Brownsville, as well as one half-sister, Mrs. Zane Gray, of Tyrone.

Rev. Alexander Scott, of the Methodist church, had charge of the funeral services which were held at three o'clock on Wednesday afternoon, burial being made in the Union cemetery.

DURST.—Franklin Ray Durst died at 8:30 o'clock on Saturday morning at the home of his parents, Mr. and Mrs. Samuel Durst, at Earlstown. The young man had been ailing with weak lungs for three years or over but had been up and around all the time. Recently he decided to go to New Mexico for the benefit of his health and had completed arrangements to start on Monday. Even as late as last Thursday he took a short trip away from home. Friday morning he became quite ill and died on Saturday morning the direct cause of his death being given as an attack of influenza.

He was born in Pennsylvania and would have been twenty-five years old next February. He was a graduate of the Bellefonte High school, class of 1915. In addition to his parents he is survived by one brother, Edward Durst, at home. Rev. Kurtz, of the Lutheran church, had charge of the funeral services, which were private, at 9:30 o'clock on Tuesday morning, burial being made in the Centre Hall cemetery.

MALLOY.—Miss Katharine Malloy, of Millburg, a sister of Dr. Edward S. Malloy, of this place, and a former nurse at the Bellefonte hospital, died at the White Haven sanatorium on Saturday. She came to Bellefonte shortly after her brother located here and entered the Bellefonte hospital training school for nurses. During the epidemic of influenza last fall she was one of the victims of that disease and before she had fully regained her strength after recovering therefrom she was stricken with typhoid fever. She was ill in the hospital thirteen weeks and early last fall was sent to the White Haven sanatorium, but instead of improving grew steadily worse until her death on Saturday.

Her remains were taken to her home at Millburg where burial was made at eleven o'clock on Tuesday morning. Among those who attended the funeral were the following nurses, members of her class at the Bellefonte hospital: Miss Blair, Miss Neese, Miss Smith, Miss Sarah Leit-zell, Miss Mary Hoy, Miss Verna Wilson and Miss Margaret Young.

ESSINGTON.—John M. Essington, lawyer and veteran of the Civil war, died at his home in Denver Col., on November 18th, as the result of a ruptured blood vessel sustained in an injury a few days previous. Deceased was born in Bellefonte eighty-four years ago and spent his early life here. He served with distinction during the Civil war going west shortly thereafter. Thirty years ago he located in Denver where he had made his home since. He was a patriotic G. A. R. man and was quite active in all work pertaining to that organization.

Mr. Essington was related to the Waddle, Benner and Armor families of Bellefonte and frequently talked of old associations in the town of his nativity. He is survived by his wife, one son and three daughters. Burial was made in Denver, Col.

TOMB.—Mrs. John Tomb, a sister-in-law of Mrs. D. G. Bush, of Bellefonte, and a member of one of the oldest and best known families of Lycoming county, died at her home on the Island, near Jersey Shore, at one o'clock Tuesday afternoon following a long illness. She is survived by two daughters and one son, namely: Mrs. Carrie Sides, of Jersey Shore; Mrs. James McMurray, of New York, and George Tomb, of Jersey Shore. Burial will be made in Jersey Shore this afternoon.

BELL.—Thomas Coke Bell, a native of Centre county and former resident of Bellefonte, but who for some years past has lived in Coatesville, died very suddenly last Friday morning while on a gunning trip for pheasants in northern Chester county. Mr. Bell and W. W. Long had gone out for the day and the exact circumstances of Mr. Bell's death will never be known as Mr. Long found him lying dead in a cart on the road.

Deceased was a son of Ross and Margaret Britthart Bell and was born at Aaronsburg about fifty-seven years ago. His boyhood life was spent in that place and when he grew to manhood he came to Pleasant Gap and went to work for his brother William, an expert stone mason. From Pleasant Gap he came to Bellefonte living here a number of years. About ten years ago he located in Coatesville and after a few years' residence there was made water commissioner. More recently he was appointed street commissioner, a position he held at the time of his death.

While living at Pleasant Gap he was united in marriage to Miss Annie L. Brooks who survives with an adopted daughter, Ione. He also leaves one sister, Mrs. Thomas Hull, of Aaronsburg. Mr. and Mrs. John Royer and Mrs. Lemuel Brooks, of Pleasant Gap, went to Coatesville for the funeral which was held at two o'clock on Monday afternoon, burial being made in that city.

STEWART.—Miss Margaretta Stewart, a life-long and respected resident of Spruce Creek valley, died at her home at Colerain Forge last Saturday evening of diseases incident to her advanced age. She was born in 1831, hence was past eighty-eight years of age. She was a daughter of David and Sarah Stewart, her father having been the junior member of Lyons, Shorb, Stewart & Co., the pioneer iron masters who at one time operated charcoal furnaces in Centre, Huntingdon and Blair counties. Miss Stewart was the last member of that generation of the family and her entire life was spent at the home of her birth. She was a life-long member of the Graysville Presbyterian church and was especially interested in foreign missions. Rev. R. M. Campbell had charge of the funeral which was held at eleven o'clock Tuesday morning, burial being made at Alexandria.

HESS.—Mrs. R. Emma Hess, of Millheim, died at the Lock Haven hospital on Saturday following an operation about six weeks ago for sarcoma. She was a daughter of Joseph and Elizabeth Jordan and was born in Haines township on January 11th, 1842, making her age 77 years, 10 months and 18 days. In June 1898, she married Major M. E. Hess, of Knox, Pa., who died in 1904. She has no survivors. Burial was made at Aaronsburg on Tuesday morning.

SPRANKLE.—Mrs. Catharine Sprankle, widow of Daniel L. Sprankle, died on Tuesday at the home of her son William, in South Phillipsburg, following a lingering illness. She was seventy-three years of age and had been a resident of Gatesburg for many years. She leaves two sons, William, referred to above, and Thomas, of Milesburg.

HOLT.—William H. Holt, a well-known farmer of Howard township, was in Bellefonte on Tuesday, returning home on the Lehigh-Pennsylvania train in the afternoon. He went to his home, sat down in a chair and fell over dead. No further particulars are known at this writing.

Harry Toner Plead Guilty, Joseph Convicted.

The cases against Harry and Joseph Toner, the two Bellefonte men arrested two weeks ago on the charge of stealing liquor from the wine cellar of the Hotel Crawford, at Muncy, were called for trial on Monday in the Lycoming county court at Williamsport. Walter E. Ritter, attorney for the two men, made a motion to have the indictment quashed on the grounds that inasmuch as all intoxicating liquors, at the present time, could neither be bought nor sold, legally, they had no commercial value. The court stated, however, that as the goods might be exported to foreign countries and may be stored for that purpose, they had a commercial value, and the attorney's motion was overruled.

In view of the fact that the cases were promptly ordered to trial Harry Toner entered a plea of guilty of burglary and larceny and breaking and escaping jail. Joseph Toner stood trial, and because he had a loaded revolver on his person when arrested by state police was convicted of carrying concealed deadly weapons.

The court sentenced Harry to from five years and six months to six years and six months in the eastern penitentiary, and Joe from one to two years in the same institution.

Christmas Seal.

Christmas seals sell for one cent each. Proceeds are used to fight tuberculosis and improve the public health.

Each community retains 77½ per cent. of the money raised for carrying on an educational and preventive campaign, establishing the Modern Health crusade in schools, making a tuberculosis survey, looking after tuberculosis soldiers, etc.

Brief Meeting of Borough Council.

Just five members, the necessary quorum, were present at the regular meeting of borough council on Monday evening. Mr. Feely, representing C. A. Vuille, of Huntingdon, agent for the Autocar company, was present in the interest of that company's chemical truck as a fire fighting apparatus. He stated that M. R. Johnson, representing the Logan Fire company, and Louis Hill, representing the Undine company, had made a special trip to the Autocar factory to inspect their trucks and they could tell council what they thought of them. Inasmuch as Mr. Flack, chairman of the Fire and Police committee, was not ready to make any report in connection with the purchase of new fire fighting apparatus, Mr. Feely was advised to wait until after council adjourned and confer with the Fire and Police committee regarding his trucks, which he did.

A communication was received from a committee of the Logan fire company enclosing a resolution in which they advocated the purchase of a triple combination chemical and pumper. It was referred to the Fire and Police committee.

The Street committee presented the report of the borough manager detailing the work done on the streets during the past month and advising council that the large iron stack at the old steam heating plant is in a very dangerous condition. All of the guy wires but one are broken or rusted in two and the stack is liable to fall at any time. The clerk of council was instructed to notify both Ellis L. Orvis and Harry A. Mann to have the guy wires replaced or take down the stack within five days.

The only report the Water committee had to make was the presentation of the report of the borough manager as it affected that department.

The Fire and Police committee reported three fires within the borough limits within the previous two weeks, but fortunately none of them proved serious. This did not include the burning of the airdrome at the aviation field, which is outside the borough.

The Finance committee asked for the renewal of notes for \$5,000 and \$2,000, which were authorized.

The resignation of Harry Dukeman as chief of police was accepted on motion of Mr. Cunningham.

At the suggestion of borough manager J. D. Seibert, council authorized the installation of a new light on north Potter street, between High street and the P. R. R. freight depot.

Mr. Cunningham asked that the walk on south Potter street near the borough line be filled up with ashes or cinder, as it is well nigh impassable in muddy weather. The matter was referred to the Street committee to take up with the borough manager.

Bills to the amount of \$1550 were approved after which council adjourned.

High School Beaten but Not Discouraged.

According to all reports the Bellefonte High school football team was literally robbed of their game with the Lock Haven High school on Thanksgiving day, when the score was 12 to 0 in favor of the river town players. And it was not the High school team that robbed them, but the referee and the mob of spectators. Even the Lock Haven Express deplored the fact that the people of that place resorted to such mob tactics in order to win the game. The crowd on the side lines not only swarmed on the field so that the Bellefonte boys could not make a decent play, but one of the players was kicked by a man on the sidelines, and even one of the blue-coated police officers, it is claimed, shook his club at a Bellefonte player. If half the stories that have reached Bellefonte as to the treatment of the Bellefonte team are true it shows a woeful lack of true sportsmanship on the part of those Lock Haven people who were present at the game. According to the result of the game Lock Haven won the cup, but it was under such humiliating circumstances that every member of the team should blush with shame every time he looks at it.

Of course it is just possible that our neighbors in Lock Haven were somewhat riled when the Bellefonte delegation arrived in that town on a special train, as every urchin who was in the crowd looked up and yelled "oh, see the airships!" and that is an unusually tender spot for Lock Haven people.

Scholarships in Memory of Dead Heroes.

At a meeting of the Pittsburgh Alumni association of The Pennsylvania State College held at the Fort Pitt hotel on Thanksgiving evening a fund of \$10,000 was pledged for two scholarships at State College to perpetuate the memory of "Red" Bebout and Levi Lamb, two former Penn State gridiron stars who were killed in battle in France. Bebout was killed in the battle of the Argonne and Lamb fighting as a marine on the Marne.

According to announcement the scholarships will be awarded to athletes with scholastic credits who are unable to pay their way through college. A committee of five former Penn State students will name successful candidates for the scholarships.

Poorman — Steere.—The "Watchman's" Orviston correspondent states that on Thursday, November 27th, Ralph Alton Poorman, of Orviston, and Miss Beatrice Steere, of Unionville, were married at the parsonage in Orviston by the pastor, Rev. Walter T. Herrick. The young people were attended by Miss Bessie Shank, as bridesmaid, and Willis Thompson best man.

Both young people are well and favorably known in Bald Eagle valley, Mr. Poorman having spent more than nine years at Orviston, where his father and family now reside. He is a young man of sterling worth, jolly and popular. His bride taught in the primary department of the Orviston schools two years, and is exceptionally pretty and of sweet disposition. The happy pair departed on the 12:34 p. m. train the same day for Altoona, where the bridegroom has been employed the past two or three months and where they will make their home. Orviston people are sorry to lose both young people but hope they will find nothing but happiness and prosperity in their new home.

On their way to the train and at the station they were liberally serenaded by a bunch of loving friends and were showered with rice, old shoes, the smiles and best wishes of everybody.

Dan—Powers.—Joseph Dan, son of Mr. and Mrs. Charles Dan, and Miss Louise Powers, youngest daughter of Mrs. Edward Powers, secured a marriage license in Bellefonte on Monday morning and going to Williamsport were married the same evening at the parsonage of the Episcopal church by the pastor, Rev. Gateson. From Williamsport they went to the Great Lakes on a brief wedding trip thence to Lyons, N. Y., where they expect to make their home, the bridegroom claiming to have secured a government appointment in that place. The bride has for some time past been one of the operators in the American Union telephone exchange.

Wensel—Weaver. A Thanksgiving wedding at the home of A. A. Fletcher, justice of the peace, of Howard, was that of Miss Sadie Demoras Weaver, daughter of Mr. and Mrs. George Weaver, and Leonard Hugh Wensel, son of Mr. and Mrs. David Wensel, both of Curtin township. The bride is a charming young woman while the bridegroom is an enterprising farmer, and their marriage thus unites two of Marsh Creek's best known families.

Malone—Tate.—Ralph E. Malone, of Yarnell, and Miss Olive M. Tate, of Coleville, were married at the Reformed parsonage, Bellefonte, at noon on Wednesday last week, by the pastor, Dr. A. M. Schmidt. The bride is a daughter of the late Snyder Tate, while the bridegroom is a successful young farmer of Yarnell. After a brief wedding trip they will make their home with the bride's mother, for the winter, at least.

Whippo — Keeler. — William T. Whippo and Miss Mamie P. Keeler, both of Bellefonte, were married at the Methodist parsonage last Friday morning by the pastor, Rev. Alexander Scott. They had no attendants, only the necessary witnesses being present. Mr. and Mrs. Whippo will live in Bellefonte.

Among Those Who are Sick.

The condition of Miss Jennie Pontius, which for a time was thought to be improving, has again become extremely critical.

Miss Jule Curtin is very seriously ill at her apartments in the Bush house. On account of her advanced age little hope is felt for her recovery.
