

E. L. MEREDITH NEW CABINET OFFICER.

Iowan Succeeds David F. Houston, Who is Named Secretary of the Treasury.

Washington, Jan. 27th.—David Franklin Houston, of St. Louis, who has been Secretary of Agriculture since the beginning of the Wilson administration, was given the Treasury portfolio today, and Edwin L. Meredith, of Des Moines, was named to succeed him as head of the Department of Agriculture.

Another cabinet change expected soon is the appointment of a Secretary of the Interior, to succeed Franklin K. Lane, who desires to retire to private life.

Mr. Meredith is the editor of Successful Farming, president of the Associated Advertising Clubs of the World and a director of the Chicago Federal Reserve bank.

In a statement today at Miami, Mr. Meredith said one of his first undertakings as head of the Agricultural Department would be to work out some method of getting crops to market "without too much loss of motion."

Meantime, Mr. Houston will succeed Carter Glass, who will take his seat in the Senate to fill the unexpired term of the late Thomas S. Martin, of Virginia, after serving as Secretary of the Treasury for a little more than a year.

When Secretary Lane passes out of the cabinet only four of the President's original family will remain. Mr. Wilson had two Secretaries of State—W. J. Bryan and Robert Lansing; two Secretaries of War—Lindley M. Garrison and Newton D. Baker; three Attorneys General—James Clark McReynolds, now an associate justice of Supreme Court; Thomas Watt Gregory and A. Mitchell Palmer; two Secretaries of Commerce—William C. Redfield and Joshua W. Alexander; and three Secretaries of the Treasury—William G. McAdoo, Carter Glass and David F. Houston.

About the Month of February.

It is said that February this year in addition to having two holidays, is distinguished for having five Sundays, a thing which has not happened before for seven hundred years and which will not occur again for a like period of time. The first day and the 29th, or last day of the month are both Sundays. And there's the ground hog's holiday besides a day when Bill Fairman and his good fellowship club "prey."

The World has Never Seen

A PICTURE AS SENSATIONAL AS

"Auction of Souls"

—one that brought \$10.00 per seat for a private showing. Now released for public exhibition at popular prices. It is the motion picture portrayal of the true story of a sole survivor of a half million Armenian girls, by

Aurora Mardiganian

herself an Armenian beauty, who escaped to America after two years of unspeakable experience and adventure in the hands of Kurdish Raiders, Slave Markets and Turkish harems.

Ravished Armenia

is her own story, substantiated by facts from official reports of Allied investigators, in which she lives and acts again the horrors she went through.

Buy Now While Deliveries are Possible

Buy your Ford car now while deliveries are possible. There is only a limited, specified number of Ford cars allotted to this territory. You will be wise to buy one now while we can get cars to deliver. A signed order with us is your protection.

Even our small allotment of Ford cars is not shipped us until we have bona-fide orders for them. This is because the demand for Ford cars all over the country is greater than the supply or production. So, don't depend on spring delivery.

Only so many Ford cars will be shipped in to this territory; only so many will be able to get Ford cars. If you would be forehanded and plan ahead, you will have us deliver you a Ford car as soon as possible. Then you will have it to use whenever you want it.

The Ford is an all year utility—in your home or business. Its serviceability, its ease of operation, its low cost of maintenance has made it such. It will serve you the year around. Spring and summer, autumn and winter, it is your servant; always ready to do your bidding.
