The J. C. Bailey family near Tyrone, were well nigh distracted on Sunday evening over the sudden and rather strange disappearance of their twelve year old son. The last seen of the lad was at the barn where he was helping with the evening chores. When supper time came he could not be found and a general search was instituted by the family and neighbors but without finding any trace of him. As it happened the Meyers bus from Tyrone to State College was quite late that evening and while driving through the Glades Mr. Meyers overtook a boy who was apparently on the verge of exhaustion. He picked him up and brought him to the W. E. Johnson home here and it then developed that he was the missing Bailey boy, who had trudged all that distance. MEDICAL.

Housework is a Burden

Woman's lot is a weary one at best. But with backache and other distresses in kidney life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Bellefonte women. Read what Mrs. J. T. Gordon, 139 E. Beaver St., Bellefonte, says: "I and another member of my family, have found great benefit from the use of Doan's Kidney Pills which were procured at Parrish's Drug Store. My trouble was a dull, constant backache which kept me in misery at times. Mornings I was so sore and lame I dreaded to begin my household work, for it was a burden. Doan's Kidney Pills, taken according to directions, restored my kidneys to a normal condition. I have had no return of the backache or kidney disorders. Doan's surely have my gratitude for the lasting benefit they brought me." (Statement given April 12, 1914.)

On October 19, 1918, Mrs. J. T. Gordon said: "I gladly confirm my previous statement for Doan's Kidney Pills, as they certainly have found them to be all that is claimed for them. Doan's cured me, for which I am very thankful."

ORVISTON.

Albert Linder, of Ridgway, spent the week-end at the home of Philip Dietz.

Mrs. Frank DeLong, who underwent an operation at the Lock Haven hospital, is reported as doing fine, to the joy of her many friends.

Mrs. Samuel Gray, of the lower works, visited friends and relatives in Bellefonte last week, combining business and pleasure on the trip.

Miss Anna Dietz, who is employed at one of the furniture factories in Lock Haven, spent Sunday with her parents, Mr. and Mrs. Philip Dietz.

Mrs. Rebecca Womer, who is spending the winter with her daughter, Mrs. Amelia Rickard, and son, T. P. Womer, of the upper works, has been quite ill, but is somewhat improved. "Grandma" is about 88 years of age, so illness sits hardly upon the dear old lady.

Revival meetings at the Church of Christ, Orviston, are over. They proved very successful, winning many converts to Christ. The pastor, Rev. Walter Merrick, is a thoroughly honest and earnest speaker, feeling all he says, thereby carrying conviction to wavering souls. May he live long and prosper in his noble work.

Orviston friends of John Bland were sorry to learn of the death of his father, Jerry Bland, of Howard. Mr. Bland has been in poor health for a long time. The last manual labor he performed was for the Centre Brick and Clay Co., last spring. Mr. Bland was a very pleasant gentleman, kindly disposed to all. He was about 63

years old and leaves a wife and one son, John, to mourn their loss, beside a step son and two step daughters. The family may be sure of the heartfelt sympathy of Orviston friends.

The Latest Profiteer.

"Billy's only four years old," said the indulgent mother, "but he's getting to be a very expensive little boy. He used to be good, going to bed for a penny, but now he expects sixpence."—London Morning Post.

HOOD'S SARSAPARILLA.

Have You Scrofula?

Now Said to be as Often Acquired as Inherited.

It is generally and chiefly indicated by eruptions and sores, but in many cases it enlarges the glands of the neck, affects the internal organs, especially the lungs, and if neglected may develop into consumption.

It causes many troubles, and is aggravated by impure air, unwholesome food, bad water, too much heat or cold, and want of proper exercise.

Hood's Sarsaparilla, the medicine that has been used with so much satisfaction by three generations, is wonderfully successful in the treatment of scrofula. Give it a trial.

If a cathartic or laxative is needed, take Hood's Pills—there is nothing better for biliousness or constipation.

They are stretching forth little hands begging for food.

Shall we not help them?

We have, in this space, urged the duty of thrift. Much more earnestly would we tell of the joy of Giving.
