Buy Your Ford Car Now

To make sure of getting a Ford car, buy one now. Don't wait until spring, but buy now while deliveries are possible. Even next month is an uncertainty.
The number of Ford cars allotted to this territory is limited and specified. Even to get our allotment, we must have real, bona-fide orders for cars. Just so many cars allotted us; just so many will get cars; will you be one of them? Those who order their cars now will be protecting themselves. If you would be forehanded, get your name on an order today.
Don't think you cannot use it if you get it now. The four seasons are all alike to the Ford car. It is a necessity every month of the year. Besides, the Ford car is lowest in upkeep cost and easiest in operation. And the new Ford electric starting and lighting system makes driving more convenient. Your order for either open or enclosed cars will have our prompt attention.

He Fell for Her Good Taste.

As any husband would,
For she chose him from a dozen
To pay her bills for good.
He admired her personality,
Her manner and her wit,
Her choice in clothes and finery
Their style, their cut, their fit.

Her dance frock was a beauty,
As were her gloves and hose,
And even the little vanity,
With powder for her nose
Were of the best obtainable
For she had purchased them at Schlow's.

Her Spring suit breathed refinement,
Her coat had that design
That makes for grace and beauty
With perfection in each line.

Clothes make the man and woman
So an old saying goes,
And you'll surely make a hit with HIM
If you'll pick your clothes at SCHLOW'S.

Thank You.
