### PINE GROVE MENTION.

Goss and Eugene Irvin are all possessors of new cars. W. H. Glenn and wife spent Sunday at the William Glenn home at Lemont. W. A. Collins, our village blacksmith, is housed up with an attack of the grip. David F. Louck sold his home at State College and has located at Krumrine. E. M. Watt and E. M. Thompson and wife spent Saturday in Bellefonte on a shopping expedition. C. M. Coombs came up from Washington and spent Easter with his wife at the J. W. Kepler home. Mr. and Mrs. Frank Reed and Miss E. May Heberling spent Easter Sunday with relatives in town. A kitchen shower was given Mr. and Mrs. John Koehler, on the McWilliams farm, on Monday evening. Squire J. F. Zechman, of Boalsburg, is kept busy supplying our newlyweds with household furniture. George Glenn motored over from State College a few days ago to see how his new farmer is getting along. George McWilliams, who has been ill most of the winter, is not yet showing the improvement his friends would like to see. Walker should now be convinced that sheep growing pays. Last week two of his flock of ewes had triplets and another one four lambs, making ten in all. All are living and frisky. On account of the inclement weather on Sunday no collection for the Armenian sufferers was lifted in the Reformed church at Pine Hall on Sunday, but will be taken up in two weeks. A delightful social gathering was held at the home of Mr. and Mrs. E. M. Watt, last Friday evening. The program included music, games, dancing and refreshments. George Reed and Bert Ward furnished the music for the dancing. A hard electric storm passed over this section on Sunday evening putting the electric lines out of commission and leaving many homes in darkness. The big silo on the George McWilliams farm was blown over and the barn on the Judy farm collapsed through the stupendous force of the high wind. A lot of farm machinery stored on the barn floor was badly damaged but the stock in the barn all escaped injury. Mr. and Mrs. Ed Bowersox motored down from Altoona on Saturday and made calls on a number of friends hereabouts, spending most of the time at Mr. Bowersox's parental home. Mr. Bowersox has been one of the efficient clerks in the main office of the P. R. R. at Altoona the past thirty years and last week he received notice to report at the main office in Philadelphia on Monday morning. He went down to Lancaster on Saturday night and spent Easter at the J. C. Buchwalter home going on to Philadelphia on Monday morning. Mrs. Bowersox and two children will remain in Altoona until June when they plan to join Mr. Bowersox in the City of Brotherly Love.

### HOOD'S SARSAPARILLA.

## After "Flu," Grip

Fevers and Other Prostrating Diseases that Exhaust the Blood.

There is often that extreme tired feeling, loss of appetite, tendency to anemia, nerve exhaustion, inactive bowels, constipation and great danger of still further prostration and serious illness.

Hood's Sarsaparilla first works upon the blood. It is remarkable how promptly its purifying, vitalizing effects are noticed. It "makes food taste good," promotes assimilation so as to help secure the greatest nourishment possible, promotes digestion. Nerve strength and cheery health inevitably follow, further danger is avoided and the glad-to-be-alive feeling again prevails. To read this is well, to realize it yourself is better.

Get Hood's Sarsaparilla today, and for a cathartic, nothing better than Hood's Pills, in small doses a gentle laxative; larger, an active cathartic. 65-15

## A WORLD REBUILT

By the Golden Rule not by the rule of Gold

THIRTY denominations of the Church are uniting in a simultaneous campaign in the week of April 25th-May 2nd.

They are uniting because the task before the Church is too great for any one denomination; because there must be no duplication of effort; no waste.

These churches know that the world needs many things; but it needs Faith most of all.

They know that there can be no final solution of our economic problems that is not a spiritual solution, based on the teachings of Jesus Christ and His Golden Rule.

They have had the courage to survey the whole task, and to ask for a budget large enough to sustain (1) the work abroad, (2) the work at home including the church's part in the huge task of Americanization, (3) the colleges and (4) hospitals supported by the Churches, (5) the religious training of the young, and to provide (6) a living wage for the Church's ministers.

The budget is large in the aggregate; yet if each person who loves America would increase his contribution by only a few dollars the whole amount would be easily subscribed.

We face the task of rebuilding the world. Let the cornerstone be a strong and vital church in every American community; and the measuring rod by which the builders build must be the Golden Rule.
