Pushing Work on the New Silk Mill.

Those persons who have been at all skeptical as to the building of a big silk mill in Bellefonte should take a walk down to what was formerly the lumber yard of P. B. Crider & Son, and they will promptly disassociate themselves from the ranks of the doubting Thomases. Forty-five men went to work there on Monday morning, digging ditch for the foundation, and unloading brick, carrying lumber for the concrete work and cleaning off the site for the building, which will be one of the biggest in Bellefonte. To be exact the building will be 186 feet, 6 inches in length by 138 feet 10 1/2 inches wide. All the foundation walls will be of concrete and the building proper will be of brick and windows. The brick to be used are from the Milesburg brick plant.

Not only the foundation walls will be of concrete but after they are up and the joist put in a solid concrete floor will be put in the entire building and this will be covered with a hard wood floor. This will not only deaden all sound but will furnish stability for the machinery. W. Wash Snyder, of Shamokin, is the superintendent in charge of the work of construction for the Shamokin Lumber and Construction company. He literally grew up in the work and had charge of the erection of the silk mills at Chambersburg and Gettysburg for the J. H. and C. K. Eagle company.

The eastern end of the big building will be located right along the bank of Spring creek and the large vault will be in the southeast corner of the room. The office will be located on the southern side of the building about the middle of the structure. The boiler, engine room and shipping department will be at the western end of the building. The present force of workmen on the building will be increased as necessity demands, as every energy will be put forth to have the same completed within three months.

Monsignor Fisher Succeeds Bishop McCort.

The Right Rev. Monsignor Nevin F. Fisher, rector of the Catholic church of St. John the Evangelist, Thirteenth street, below Market, Philadelphia, has been appointed rector of the Church of Our Mother of Sorrows, Forty-eighth street and Lancaster avenue, the largest Catholic parish in Philadelphia, succeeding Bishop John J. McCort, recently appointed bishop coadjutor of Altoona. The rectorship is irremovable. Monsignor Fisher is vicar general of the diocese of Philadelphia. In the absence of a bishop he stands next to Archbishop Dougherty in ecclesiastical rank in the archdiocese. He was born in Boalsburg, this county, in 1856, and is a brother of the late Dr. P. S. Fisher, of Zion. He was educated at Franklin and Marshall college and the year after his graduation was principal of the Altoona high school, at the same time studying for Protestant Episcopal orders but in the end embraced Catholicism.

He entered the seminary of St. Charles Borromeo, and after a short course there was sent to the American college, Rome, and was ordained to the priesthood, June 19th, 1886. Returning to Philadelphia, he was appointed a professor in the seminary of St. Charles Borromeo. In 1890, upon the opening of the Catholic high school for boys he was made its first rector, which position he occupied until December, 1901, when he was appointed to the irremovable rectorship of St. John the Evangelist.

McAllister Scholarship Examinations.

High school students take notice. Centre county has been assigned one of the McAllister Freshman scholarships in The Pennsylvania State College for the year beginning September, 1920. It will be awarded on competitive examination which will be given at the College, June 17th and 18th, by the faculty committee on college entrance and the result made known to the county superintendent of schools, by whom the successful candidate will be nominated for appointment to the scholarship by the president of the college.

The examination, which is open to both sexes, will embrace the following subjects: English grammar and composition, plane geometry, algebra to quadratics, American history and civics. The scholarship is worth \$85, which will be paid in two installments, one in September and the other in February.

Attention, Fishermen!

A meeting of the Centre county association for the conservation of fish and game will be held in the grand jury room at the court house this (Friday) evening at eight o'clock. N. R. Buller, state fish commissioner, will address the meeting. Every true sportsman is invited to attend this meeting.

MANN.—W. Harris Mann, a former resident of Bellefonte, passed away at his home at Lewistown at 7:25 o'clock on Sunday evening as the result of a stroke of paralysis. Mr. Mann suffered a stroke two years ago but had recovered sufficiently to do light work but several weeks ago he suffered a second stroke from which he never revived.

He was a son of J. Fearon and Emma Mann and was born at the village of Mann in Mifflin county on March 22nd, 1865, hence was 55 years and 27 days old. His boyhood days were spent at the place of his birth but when eleven years old his parents moved to Bellefonte and here he grew to manhood. He was educated at the public schools and at the Bellefonte Academy and later went to work in the Mann axe factory at Axe Mann, which was conducted by his father. He worked there long enough to learn the clerical as well as the mechanical end of the business. About thirty years ago he was united in marriage to Miss Annie Speer, a daughter of the late W. T. Speer, and after two or three years in Bellefonte they moved to Reedsville where they lived seven years then took up their residence in Lewistown. Mr. Mann worked for a number of years at the Mann axe factory at Lewistown and later at the Standard steel works at Burnham.

In addition to his wife he is survived by his mother and two sisters, Misses Anna and Harriet Mann, all of Lewistown. Funeral services were held at his late home at 2:30 o'clock on Wednesday afternoon by the pastor of the Presbyterian church at Lewistown, of which he was a member, after which burial was made in Church Hill cemetery, at Reedsville.

ROSENHOVER.—Mrs. Mary Magdalene Rosenhoover, wife of Robert Rosenhoover, died at her home on south Water street on Saturday evening, of exhaustion, following an illness of more than a year.

She was a daughter of Frank X. and Frances Meyers Steinkirchner and was born in Bellefonte on November 17th, 1857, hence was in her sixty-third year. Her entire life was spent in Bellefonte. She was a faithful member of St. John's Catholic church and had many warm friends who mourn her death. In addition to her husband she is survived by the following children: Daniel, of Altoona; Mrs. Raymond, Margaret, Elizabeth, Mary and Mrs. G. A. Kelly, of Bellefonte; Frank, of Sunbury, and John, in Bellefonte. She also leaves two brothers and a sister, Frank and Joseph Steinkirchner, of Newton, Kan., and Mrs. Biberstein, of Philadelphia.

Rev. Father Downes had charge of the funeral services which were held in St. John's Catholic church at ten o'clock on Tuesday morning, burial being made in the Catholic cemetery.

Among the out of town relatives who were here for the funeral were Mrs. Christ Rosenhoover and Mrs. George Mosebarger, of Johnsonburg; Mr. and Mrs. John Sellers, Cresson; Mrs. George Shifter, Clearfield; Mrs. Sarah Steinkirchner, Mr. and Mrs. Albert Swartzel, Mr. and Mrs. Edw. Folmer, Mrs. Catharine Meyers and Mr. and Mrs. Christ Hartle, of Drifting; Mrs. Ferd Beizer, Phillipsburg, and Gust. Prickelmyer, of Mill Hall.

CLOSE.—Mrs. Sarah A. Close, wife of William H. Close, of Oak Hall, passed away at seven o'clock last Saturday evening. She had not been in good health the past year or more and a stroke of paralysis sustained several weeks ago hastened her death.

She was a daughter of General and Mrs. Henry Benner and was born in Benner township on August 20th, 1847, hence was in her seventy-third year. Fifty-two years ago she was united in marriage to Mr. Close and for more than thirty years they have been residents of Oak Hall. She was a life-long member of the Lutheran church and a kindly, christian woman. In addition to her husband she is survived by three children, Mrs. Ira Corman, of Oak Hall; Clifford E., of Fairbrook, and Miss Nellie, at home. She also leaves one brother, Philip Benner, of Rock Forge.

The funeral was held at ten o'clock on Tuesday morning. Rev. E. F. Brown had charge of the services and was assisted by Rev. S. C. Stover. Burial was made in the Boalsburg cemetery.

WINGARD.—Mrs. Lucy Pearl Wingard, wife of Newton H. Wingard, died very suddenly Sunday morning at her home near Coburn. She retired Saturday night in good health and at 4:15 o'clock the next morning her husband was awakened by his wife's peculiar breathing, but she was already unconscious and died in a few minutes. Apoplexy was assigned as the cause.

She was a daughter of Mr. and Mrs. Harry G. Gilmore and was 23 years, 11 months and 9 days old. In addition to her husband she is survived by one little daughter, Gladys, her father and the following brothers and sisters: Oscar Gilmore, of Salona; Mrs. E. E. Styers, of near Spring Mills; Mrs. Leslie Wans, of State College; Emeline and Harry, at home. GENSIMORE.—Mrs. Lavina Gensimore, widow of George Gensimore and a life-long resident of Centre Line, died on Sunday, aged 81 years and 15 days. Her husband, who was a veteran of the Civil war and for

twenty-two years first lieutenant of the old Sheridan troop, Tyrone, died in March, 1912, but surviving her are five children, namely: H. H. Gensimore, of Warriorsmark; Daniel, of Butler; Annie, Mary and Martin, at home; Mrs. Gensimore was a member of the Lutheran church of Centre Line and Rev. Frank Fisher, of Altoona, had charge of the funeral which was held on Wednesday, burial being made in the Cross Roads cemetery.

TAYLOR.—Miss Annaline Taylor died on Monday night at the McGirk sanatorium, in Phillipsburg, following a stroke of paralysis sustained last week. She was a daughter of Charles C. and Mary Ann Bateman Taylor and was born in Milesburg on March 18th, 1856, hence was sixty-four years old. When she was a little girl the family moved to Phillipsburg and that had been her home ever since. She never married and her only survivor is one brother, William Taylor, of Phillipsburg. Burial was made in the Phillipsburg cemetery on Wednesday afternoon.

Centre County Over the Top for Susquehanna University.

Centre county has again gone over the top in a money-raising campaign, this time on its quota of the half million dollar endowment fund for Susquehanna University. Centre county's quota was \$13,000 and the amount raised amounted to \$13,765. Frank M. Crawford was the group leader for Centre county. The Bellefonte church raised the largest amount of any church in the county, the campaign here being in charge of W. C. Coxe, who had as his assistants J. E. LaBarre and Mrs. W. G. Emerick. Included in the fund is a special contribution of \$500 which is not credited specially to any church. The amount raised by churches is as follows:

Bellefonte	4,102
State College	3,300
Zion	250
Lauertown	520
Boalsburg	338
Pine Grove Mills	1,615
Pine Hall	1,640
Gatesburg	1,365
Pleasant Gap	15
Special Contribution	500
Total	\$13,765

Campaign for Church Finances.

The Bellefonte church of the United Brethren in Christ is making plans for an "over the top" campaign during the week of April 25th to May 2nd to raise a budget to finance the church expenses during the ensuing two years. The amount necessary to raise for a two year period is \$2175 for the general benevolence fund and \$7000 to meet all church expenses, including the pastor's salary. Three soliciting teams have been selected as follows, the first named of each being the captain:

No. 1, Roy Grove, Charles Chandler, Homer Walker, William F. Shope, Harry Cox, William Sager and Mrs. Nellie Grove.

No. 2, C. D. Young, Mrs. Grace Lillard, Mrs. Elizabeth Hull, Mrs. C. D. Young, W. R. Shope, Ray Minnemyer and Mrs. Harry Cox.

No. 3, Joseph Thomas, Mrs. Thomas, Mrs. H. Miller, Mrs. Mattie Rider, Mrs. Charles Chandler and Mrs. Harry Boyer.

Payments on all pledges will begin on October first.

Check Forger at Large.

During the past week three bogus checks turned up at the First National bank of Bellefonte for payment, the three checks having been cleared through city banks. One of them was for \$750 and bore the signature of Nevin E. Cole Jr., and made payment to the Osage Oil and Refining Co. But the forger, whoever he was, evidently wanted to give Mr. Cole, who by the way is an employee in the First National bank, a run for his money, as he sent him certificates for five hundred shares of stock in the above oil company. The certificates are beautifully engraved but as Mr. Cole is not engaged in collecting souvenirs at present the check was not honored.

One of the other checks was signed Fred W. McReynolds and was for \$250 and the third check was signed Alfred M. Rishel and was for \$500. All were bogus and of course were not honored at the bank.

Swan on the Wing.

Reedsville, April 21.—A large swan created considerable excitement here on Monday when it circled over the village several times and dropped into the reservoir from which the town obtains its water supply, where it remained for the balance of the day. The bird is pure white, except for black bill and legs, and its aquatic sports were quite interesting to the many who viewed the bird. It is said to be one that escaped from the Boal estate at Boalsburg, Pa.

Possibly Major Boal is just training the swan to carry his political message to the voters of the Twenty-first congressional district in his campaign for district delegate to the Republican national convention, and was trying it out in a flight across the Seven mountains to Reedsville.

Several years ago young women everywhere went wild over the fad of green stockings, and a girl wasn't in the swim if she didn't have at least one pair for sport dress. And the men all admitted that they looked pretty nice, too, but they weren't in it with the "Green Stockings" the Bellefonte high school girls and boys will show on the stage in the Garman opera house on Friday evening, May 7th. Remember the date and go and see them—girls, boys, "Green Stockings" and all.

What the Fishermen Got.

Very few reports of the opening day of the trout fishing season were at hand when the "Watchman" went to press last week, but the opening day, inauspicious as conditions seemed to be, witnessed some good catches. Probably the nicest basket brought into Bellefonte was by Patsy Bathurst, who got his limit of twenty-five. They ranged in size from 9 to 19 1/2 inches while three of them were 18 inches in length. The trout were caught up Spring creek and as that is Patsy's favorite haunt he knows pretty well just where to go.

Joe Thal was another fisherman who got his limit up Spring creek, while two others were reported as having been equally successful. On the other hand, there were many fishermen on that stream who got only one and two and some none.

W. C. Cassidy, Charles Anderson and J. H. Decker fished Logan's branch in the neighborhood of the hatchery and each one got the limit, but as many trout had been put into that stream from the hatchery last fall, it was probably this stock that caused the good fishing.

Rev. Wilson P. Ard, pastor of the Lutheran church, is pretty generally conceded to be a good fisher of men, but if the report that leaked into this office is correct he is also a good fisher of trout, as it is said that he and Frank M. Crawford came home from Pennsylvan, each with their limit.

Scores and scores of fishermen went to Fishing creek to try their luck but most of them were disappointed with the kind of fishing they found there. There were no big catches reported and few that even gave consolation for the hard work of the fishermen.

Stories are being spread broadcast that fishermen in Centre county on the opening day did not regard the law of keeping the little ones. It is reported that instead of putting them back into the stream, which is now against the law, they threw them into the bushes or somewhere out of sight, which is even a worse way of breaking the law than putting them back into the stream. Just how much truth there is in these stories we do not know, but we do believe that no true sportsman was guilty of any such thing.

Tyrone Division Has World's Record for Freight Hauled.

Residents of Bald Eagle valley have become so accustomed to seeing one long train following another up and down the Bald Eagle railroad that they take it as a matter of course but few people realize the immense tonnage of freight handled over that single track road every year. And it was probably interesting news to railroad men themselves to learn when the records had been made up for the year 1919, that the Tyrone division, which includes as its two main arteries the Bald Eagle Valley and the Tyrone and Clearfield branch, had established a world's record for the year for a single track road, both in the amount of freight hauled and the expense of operation. The following table will show how the Tyrone division compared with other divisions on the road:

Division	Tons	Expenses
Philadelphia	66,292,983	\$35,144,778.52
Middle	51,774,968	26,216,752.79
Schuylkill	4,505,422	2,774,113.01
Cressona	4,733,095	3,115,577.06
Juniata	1,011,852	491,284.59
H. & B. T. R.	1,343,549	694,905.23
Total	13,613,029	\$ 7,076,000.69
Tyrone	14,057,629	4,529,883.57

From the above it will be seen that more freight was hauled over the Tyrone division than over the Schuylkill, Cressona, Juniata and Huntingdon and Broad Top combined and at less than two-thirds the expense. The Philadelphia and Middle divisions are four track roads and can only be figured on a prorata basis of both freight hauled and expenses incurred.

Big Gathering Knights of Columbus.

Bellefonte Council No. 1314 Knights of Columbus will celebrate the twelfth anniversary of its installation on Sunday when the third degree will be emphasized by worthy district deputy McCarthy and staff, of the Eighth district. The program for the day includes mass in St. John's church at 10:30 o'clock; degree exercises at one p. m., and a luncheon served by the Court of Isabella in the parochial school at 6 p. m.

A special train will be run from Williamsport to Bellefonte for the event, reaching here at 12:30 o'clock, and bringing a delegation of two hundred Knights. Fifty or more visitors are expected from Renovo and Lock Haven, to arrive in Bellefonte on the 9:17 a. m. train, while many others will doubtless motor here from Clearfield, Phillipsburg, Tyrone and other places.

Notice to Tax Payers.

The school teachers of Bellefonte are asking for an increase in their salaries for next year, amounting to 25% of their present salaries.

As this will entail an increase in the tax levy for school purposes, the tax payers are being asked through post cards, with return cards attached, whether or not they favor such increase. It is hoped that as many of the property owners as possible will sign and return these cards, so that a correct survey of the opinions of those interested may be obtained.

From all indications a large delegation of Odd Fellows from Bellefonte and vicinity will take advantage of the special train next Tuesday and go to Milton for the annual Odd Fellows reunion.

Reed—Corl.—Wray A. Reed, of Pine Grove Mills, and Miss Bertha I. Corl, of State College, were married at the Reformed parsonage in Boalsburg on Tuesday afternoon at three o'clock by the pastor, Rev. S. C. Stover. The young couple were attended by Miss Clara Trostle and Albert Corl, a brother of the bride. The bride is a daughter of Mr. and Mrs. W. K. Corl and is an efficient and charming young woman. The bridegroom is a son of Mr. and Mrs. J. I. Reed and is an ex-service man, having seen duty in France.

Immediately after the ceremony at Boalsburg the happy young couple were brought to Bellefonte and left on the evening train on a brief wedding trip, after which they will go to their already furnished home at Waynesboro, where the bridegroom holds a good position with the Landis Machine company. Both Mr. and Mrs. Reed are well known throughout the western end of the county and their many friends wish them all kinds of success in their matrimonial experience.

Rossman—Elder.—A very pretty wedding took place at the home of Mr. and Mrs. Samuel Young Elder, near Rock Springs, at twilight last Wednesday evening, when their daughter, Miss Viola Elder, became the bride of Randall Rossman, of Ferguson township. Almost one hundred guests were present to witness the ceremony which was performed by the bride's pastor, Rev. A. M. Lutton, the ring service being used. The young couple were attended by Miss Sadie Elder, a sister of the bride, and Fred Rossman, a brother of the bridegroom, while Mrs. Lutton played the wedding march. The Elder home had been very prettily decorated for the occasion with ferns and potted plants.

Following the ceremony and congratulations an elaborate wedding dinner was served and later Mr. and Mrs. Rossman left on a brief wedding trip. They will reside at Rock Springs, where their house is furnished and ready for them.

Griest—Todd.—A Phillipsburg wedding which will be of interest to readers of the "Watchman" took place in the Trinity Methodist church at two o'clock on Tuesday afternoon when Miss Henrietta Todd, a daughter of Mr. and Mrs. John Todd, was united in marriage to George Rumberger Griest, a son of Mr. and Mrs. E. M. Griest. The ceremony was performed by Rev. Charles Wesley Wason, and the young couple were attended by Miss Betty Todd and Arthur Runk. The wedding march was played by Mrs. Rembrandt Dunsmore and the bride was given away by her brother, Walter Todd. Immediately after the ceremony Mr. and Mrs. Griest departed on a wedding trip east and upon their return they will go to house-keeping in the Allport apartments. Mr. Griest has a splendid position with the Lauderbach-Zerby wholesale grocery in Phillipsburg.

Patterson—Kimpport.—A belated wedding announcement is that of J. D. Patterson, an enterprising young merchant of Boalsburg, and Miss Teresie Kimpport, a daughter of the late Arthur B. Kimpport, which took place at the bride's home in Montgomery several weeks ago. The young couple are now at home in Boalsburg.

Dearmint—Powell.—Ellery E. Dearmint, of Gatesburg, and Miss Nora E. Powell, of New Enterprise, were married on April 8th and have embarked on the sea of matrimony on the John Ellenberger farm at Marengo. The bride was formerly one of Centre county's best school teachers.

Eckley—King.—Paul N. Eckley and Miss Ethel M. King, both of Valley View, were married at the home of the bridegroom on Wednesday last week by Rev. L. C. McHenry. They were attended by Paul King and Miss Ethel Corman.

Jaw Bone Broken by Kick of a Horse.

Charles Brown, a young farmer who only recently moved from Pleasant Gap to the Keen-Jamison farm west of Millheim, is in the Bellefonte hospital with the one side of his face crushed and nose broken as the result of the kick of a young horse he was in the act of hitching in the plow last Thursday afternoon. Inasmuch as there was no one with Mr. Brown at the time he was kicked it is not known definitely just how it happened. At all events he was able to take his team to the barn and stable it himself, then went to the house and summoned a doctor. An examination disclosed the fact that his upper jaw was badly shattered and his nose crushed. He was promptly brought to the Bellefonte hospital where a portion of the splintered jaw bone was removed and the balance wired in place and it was reported yesterday that he is getting along all right.

A meeting of directors and superintendents of plants of the State-Centre Electric company, held at the head offices in this place last Friday, brought the following gentlemen to Bellefonte: A. W. Lee, A. W. Lee Jr., John Weigley and Paul Davis, of Clearfield; A. J. Musser, John F. Fisher and B. J. Sheche, of Indiana; John W. Brown, of Millersburg; Frank W. Kirk, of Newport, and Francis Miller, of State College.

The congregations on the charge including the Pine Grove Mills, Boalsburg and Houserville Reformed churches have voted their pastor, Rev. S. C. Stover, an increase of \$200 a year salary, or \$1400 a year in all.

Brief Meeting of Borough Council.

Seven members were present at the regular meeting of borough council on Monday evening, and in the absence of president John S. Walker Hard P. Harris was chosen president pro tem.

Borough manager J. D. Seibert preferred the request of several residents of east Curtin street for the extension eastward of the sanitary sewer a distance of some 175 feet. The matter was referred to the Street committee and borough manager for investigation with engineer Shattuck as to how deep the old sewer will have to be lowered to permit of the extension. The borough manager also reported a number of very bad pavements and crossings and the same were referred to the Street committee for proper action.

A communication was received from policeman Yerger and Robinson requesting another advance in salary. It was referred to the Fire and Police committee.

The Water committee presented the treasurer's receipt for \$179.25 collected and turned over by the borough manager on the 1918 water tax duplicate. The committee also requested permission to install a two way fireplug at the junction of Spring and Logan streets in place of the one way plug now standing on South Spring street. Permission was granted.

The Sanitary committee requested permission to have blank notification cards printed so that when complaint is made of a nuisance anywhere in town proper notice can be given to abate the same. Council granted permission to have such blanks printed.

Mr. Harris called attention to the fact that there has been more or less discussion as to the advisability of removing the trees at the Aiken corner on account of the building of the state highway on Bishop street, and inasmuch as there is considerable objection to having it done by the property owners the Street committee and borough manager were asked to confer with officials of the Highway Department and contractor Murphy and find out if it isn't possible to leave the trees stand.

Mr. Harris also called attention to the persistent infraction of the borough ordinance prohibiting the posting of bills of any character on trees and telephone poles and asked the Fire and Police committee to take some action that will prove effective in breaking up the practice.

The Finance committee asked for the renewal of two notes, \$5,000 and \$2,000, which was authorized.

Mr. Fauble called attention to the fact that there is an almost new sprinkling system out at the Phoenix mill plant that had been taken down and tons of old iron and scrap that ought to be disposed of now when a good price can be secured, as it is useless to the borough and ought to be gotten rid of. The borough manager was authorized to ascertain what disposition can be made of it and report at next meeting.

Bills to the amount of \$399.64 were approved and council adjourned.

Theda Bara a Pennsylvanian.

How many motion picture fans know that Theda Bara, the far-famed moving picture actress, is a Pennsylvanian, and that her name is not Bara and never was? In truth she was Theda Tulowitzki and her married name is Mrs. Guy Smith. She was born in Tioga county, this State, of Russian parents, who later moved to DuBois, and it was there Theda grew to womanhood. Her mother, Mrs. Carl Tulowitzki, died in DuBois on Monday last week and in addition to Theda left ten other children to perpetuate the family history.
