

Organized to Fight Forest Fires.

Forester W. H. Harning, of Snow Shoe, in charge of the Karthaus state forest, has organized the forest fire fighting forces of the Central Pennsylvania Forest Fire Protective association. Recently, he traveled over the eastern end of Clearfield and northern section of Centre county in that connection. Four fire wardens were employed to serve as patrolmen and lookout men on the lands covered by the association.

Last Saturday Forester Harning gave an illustrated lecture in the Keewaydin school house, discussing the lumbering industry as conducted in the United States and in foreign countries. He contrasted the forest conservation methods of the European countries with the forest devastation prevalent in this country.

Ranger M. A. Barr, of the Karthaus state forest, recently equipped two lookout trees with ladders. Those trees are situated on the high divide separating Clearfield, Cameron and Clinton counties, commanding a view of many thousand acres of State and private forest land. Those lookouts will aid materially in detecting forest fires. As they are connected with the new telephone system, the patrolmen using the lookouts may quickly report forest fires to all of the foresters and ranges of the Karthaus, Sinnamahoning and Medix Run state forests.

—Until further notice and beginning 6th, all barber shops in Bellefonte will close at 12 o'clock noon, Thursdays.
