A young man who gives his age as seventeen years was arrested in Bellefonte last Saturday morning by sheriff Harry Dukeman on the charge of stealing an automobile. The youth drove into Bellefonte late Friday afternoon with a big Cadillac car so covered with mud that it was almost impossible to tell the make of car. He parked the car on High street in front of Moerschbacher's restaurant where it stood a short time, then of the American Lime & Stone company and going to the home of Mr. and Mrs. Jeffe Confer told a hard luck story about being on his way to Pittsburgh and out of funds, and the Confers very generously kept him over night, giving him his breakfast.

Saturday forenoon he drove up town and up jail hill above Naginey's where he was in the act of parking his car when the sheriff started down town. He approached the young man and immediately commented upon the fact that he was driving a pretty nice car. The sheriff then asked where he got it and the young man said he had nesday to look after a few business matbought it here the day before. The car had a New York license and when the sheriff asked the young man how he accounted for that he took to his winter with her sister, Mrs. Voorhees heels with the sheriff after him. The chase led down High street to the Pennsylvania railroad, down the railroad to Lamb street, then across the creek and around the old electric light building. There the trail was lost for a few minutes but not for long as the boy was soon caught in the McNichthe Water Commission of Pennsylva- day and the plans for the plant are ol's hen house, where he had taken family.
