Even if you do not need anything in this department we want you to see it and know what we have in this department, so that when you do need anything in this line you will know where to go to get just what you want. Now is the time to think about the porch furniture, and we have one of the best, and we are safe to say the largest selection that you will find anywhere. So don't forget that when your porch is ready to fix up you see our **PORCH FURNITURE**. We can please you. We have something special to offer you each week in the furniture line. Building Your Wealth

A bank works for you night and day, week after week, adding cents to dollars. Little by little the amounts grow till each addition is a respectable sum.
Where does the gain come from? Not from your pocket. Nor from ours. It is the result of production. Money placed in a bank is given an opportunity to work and to produce.
Thus a bank builds your wealth.
Start with a small deposit if you will. Add to it when you can—regularly if you can do so. It will not be long till you can fairly see it grow. Let us earn wealth for you.
