

NEWS ABOUT TOWN AND COUNTY.

Now that Memorial day has been fittingly observed it won't be long until the Fourth of July.

School days are over for the children of Bellefonte and now they will have a three month's vacation.

Beginning yesterday morning the Brockerhoff house will serve no meals but breakfast to all regular lodgers and transient guests.

The Hazel-Shaeffer reunion will be held in Deitrick's grove, Madisonburg, on Thursday, June 24th. All members and friends of the families are invited.

The annual reunion of the Grove family will be held at Grange park, Centre Hall, on Saturday, June 12th. All members and friends of this widely-known family are invited.

America is the hope of the world. Such is the report of Miss Rebecca N. Rhoads, recently returned from London. Hear Miss Rhoads at the Methodist church, Sunday evening, at 7:30.

The miners in the Snow Shoe region went out on a strike last Thursday over the question of five cents a ton advance in wages, with a corresponding increase in the pay of all other workmen.

Little Miss Rebecca Dorworth was hostess at a party given to fifteen of her playmates and friends, Wednesday afternoon, at the home of her grandfather, F. W. Crider, on Linn street. Games, that are so entertaining to all children, and things to eat that they love most, made that occasion a great event in each one of their lives.

Now that the circus is over the people of Bellefonte and vicinity will have but one place of amusement and that is the Scenic. But it can always be depended upon to furnish first-class programs of motion pictures and that is the reason it is always well patronized. For an evening's entertainment follow the crowd and you'll always land at the Scenic.

In the notice of the death of David G. Knox, published in last week's "Watchman," mention was made of only one surviving sister, Miss Emma E. Knox, when as a matter of fact two brothers and two sisters survive, namely: Dr. Samuel Knox, of Alliance, Ohio; James, of Buffalo Run, and Mrs. Elizabeth Shope, who lives near the old Knox homestead and who will probably soon take up her residence with her sister, Miss Emma, at the old home.

The machine gun troop of Boalsburg was officially inducted into the federal service at an inspection held last Saturday by Col. R. B. Ellis, of the United States cavalry. Prominent guests present at the ceremony were Lieutenant Governor Edward W. Beidelman and Auditor General Charles A. Snyder. The new troop is a reorganization of the old troop which saw service on the Mexican border and later served with such valor in France. Pierre Boal has been elected captain of the new troop, which assures the work of an able and daring leader.

Some time along about Memorial day the flag marker was stolen from the grave of Roland Gregg, in the Union cemetery. Every year the cemetery authorities are annoyed by complaints of the stealing of flags and flowers from various graves. Instances are known of plants being dug up from one lot and transferred to another or carried off, and the cemetery authorities are determined to put a stop to it. In the future every effort will be made to discover the person or persons guilty of such stealing and if their identity can be learned they will be promptly arrested and prosecuted to the full extent of the law.

The Bellefonte Academy minstrels, bag and baggage, went up to Rockview on Tuesday afternoon and gave a gratuitous performance for the benefit of the inmates of the western penitentiary. This is the third consecutive year that Mr. Hughes has taken his fun-makers to the penitentiary to give an entertainment for the benefit of the unfortunate who were unable to come and see them in Bellefonte two weeks ago, and it is hardly necessary to say that they all enjoyed the treat. The Academy boys were taken to the penitentiary in autos and trucks kindly furnished by T. Clayton Brown, the G. Fred Musser Co., Milton Johnson and N. Ichkowitz.

HIGH SCHOOL COMMENCEMENT.

Forty three Young Men and Women Awarded Diplomas.

Thirty-seven years ago the first class was graduated from the Bellefonte High school and last evening a member of that class in the person of Superior Court Judge William H. Keller, of Lancaster, delivered the commencement address to the graduates. This in itself should be incentive enough to the young men and women to put forth their best efforts in an endeavor to capitalize on the education they received in the Bellefonte schools. Of course they cannot all become Superior Court judges, or even the wives of such judges, but every one of them has a niche awaiting him or her in some hall of fame if they will now buckle down to the daily grind of toil that is necessary to win success in whatever calling they elect to make their life's work.

The commencement exercises began on Sunday evening when the members of the graduating class gathered in the Presbyterian church to hear the baccalaureate sermon as preached by Rev. Wilson P. Ard, pastor of the Lutheran church. Space limit prevents any lengthy digest of the sermon, but it was just the kind suited to the young minds and hearts to which it was specially directed, and if the graduates make up their minds to profit by the good advice embodied in the pastor's remarks they cannot fail to become better men and women spiritually, morally and physically.

The Junior declamatory contest for the Reynolds prizes was held in the High school auditorium on Monday evening, and drew a large crowd. The ten contestants were Scott R. Wolford, Esther Keturah Johnson, Frederick Herr, Caroline Elizabeth Van Valin, Richard R. Herman, Mary Ferguson Sebring, Howard W. Van Valin, Gertrude Sarah Smith, Nevin Robb and Mary Dale. The judges were Dr. George P. Bible, Col. J. L. Spangler and J. Carpenter Hess, and at the conclusion of the contest they awarded the boys' prize to Frederick Herr with honorable mention for Nevin Robb, and the girls' prize to Caroline Van Valin with honorable mention for Gertrude Smith. The prizes are \$7.50 each.

On Tuesday the High school picnicked at Hecla park which proved a most delightful outing of the week's exercises. Wednesday morning the grade schools of the brick building gave their playlet, "The Rose Dream," in the High school auditorium, which proved a most successful ending of their term of school. Wednesday evening the High school orchestra gave a concert in the auditorium which proved a musical treat for all those who heard it. The grade schools at the High school building held their formal closing exercises in the auditorium yesterday when they gave the charming little operatta, "Cinderella in Flowerland."

The exhibits of the work done by the grade pupils in the manual arts and domestic science courses attracted unusual attention from all visitors to the High school building during the week. To fully describe these exhibits would take up a column of space, suffice it to say that they were larger than any previous exhibit and plainly showed the thoroughness of the training in these departments. In fact they were especially commented upon by visitors from other towns much larger than Bellefonte who expressed the hope that their own schools could be favored with such efficient work in these two important courses.

The commencement exercises incident to the graduating class were held in the auditorium last evening. The High school orchestra furnished the music and after the very splendid address by Judge William H. Keller the graduates were given their diplomas and the prizes awarded by Dr. Melvin J. Locke, president of the Bellefonte school board.

The week's exercises will be officially closed this (Friday) evening with the alumni reception and dance in the armory.

Three Good Games Promised.

Baseball fans will have an opportunity of witnessing at least three more good games of baseball before the Bellefonte Academy closes. The first will be this (Friday) afternoon at 3:15 o'clock when the wonderfully strong Wyoming Seminary nine of Wilkes-Barre will be the Academy's opponent. Tomorrow afternoon the State Freshmen will line up against the Academy on Hughes field. This game will be called promptly at three o'clock.

Next Thursday afternoon, at four o'clock, the Academy alumni will play a game with the regular Academy nine. On the alumni team will be such old-time players as Beattie, Jamison, Boyd, Dillon, Kline, etc. This is a game that will be worth seeing, and inasmuch as it will occur on the afternoon of the half holiday for the Bellefonte stores a large crowd should be on the field to witness the game.

Memorial Day in Bellefonte.

Memorial Day was duly observed in Bellefonte on Monday and notwithstanding the fact that the Rhoda Royal circus was in town a large crowd attended the ceremonies in the Union cemetery in the afternoon. Wetzel's Boys band of Civil war veterans, who have grown so pitifully few in numbers that less than a score were in the line of parade. But fifty or more veterans of the world war, soldiers and sailors, under command of Major H. Laird Curtis, were in line and they made a very impressive appearance in their natty khaki uniforms.

The parade formed in the Diamond at 1:30 p. m., and moved promptly at two o'clock. At Howard street the school children fell in line at the head of the parade and marched to the Union cemetery where a large crowd had already gathered. The usual G. A. R. ceremonies were held and graves of old soldiers decorated after which the memorial address was delivered by Rev. Wilson P. Ard, pastor of the Lutheran church. It was a splendid and impressive address and was listened to with the closest attention by the hundreds of people, young and old, who were in attendance. At the close of the address the parade reformed and marched back to the Diamond where it was dismissed. The old veterans later were the guests of the Bellefonte Lodge of Elks at their home on High street.

TERRIBLE AUTO TRAGEDY.

T. R. Harter, Wife and Daughter Killed in Accident at Mill Hall.

Thomas R. Harter, the well known banker and lumberman of Lock Haven, and his wife were instantly killed last Saturday afternoon when the Lehigh Pennsylvania train struck their automobile on the crossing at Mill Hall; their daughter Helen was so badly injured that she died while being taken to the Lock Haven hospital; their daughter-in-law, Mrs. Paul Harter, suffered what is feared will prove fatal injuries, and John Lucas, of Frankford, Pa., Miss Harter's fiancé, is in the Lock Haven hospital with concussion of the brain, though he is expected to recover.

The Harter family left Lock Haven at the same time the Lehigh-Pennsylvania train pulled away from the station. They drove to Mill Hall where the watchwoman frantically gave them the signal to stop. Another car had been held up to await the passing of the fast train and while eye witnesses allege that the Harter car first slowed up, Mr. Harter almost instantly disregarded the signals of the watchwoman, speeded up his car and attempted to make the crossing ahead of the train. Several freight cars on a siding two hundred feet down the track prevented him from seeing just how close the train was. The result was the locomotive struck the tonneau of his car and hurled it a distance of 125 feet. All of the occupants were thrown out and Mr. and Mrs. Harter met instant death from concussion. Miss Helen Harter was alive when picked up but died as she was being conveyed to the hospital. The two injured were taken to the hospital at Lock Haven where everything possible is being done for them. The automobile, a Franklin car, was literally smashed to kindling wood and twisted iron. According to the stories of all who saw the accident the railroad company was in no way at fault.

Mr. Harter was a son of Mr. and Mrs. William Harter and was born in Nittany valley fifty years ago. As a young man he located at Loganton where he became that town's leading citizen, being president of the Loganton National bank and had extensive lumbering interests in Clinton and Centre counties. He had many other business interests throughout Clinton county. After the disastrous fire which almost wiped out Loganton in the fall of 1918 Mr. Harter built himself a handsome home in Lock Haven where he and his family have since lived.

Mrs. Harter before her marriage was Miss Louise Gertrude Boone, and was almost 48 years old. Their daughter Helen was in her twentieth year. The only survivors of the family are Paul Harter, of Lock Haven, and Mrs. Ezra D. Rathmell, of Norwood. Mr. Harter is also survived by his aged mother and one brother, Charles S. Harter, of Lock Haven. Mrs. Harter is survived by her mother, one brother and three sisters. The triple funeral was held at 2:30 o'clock on Wednesday, burial being made in the Highland cemetery, Lock Haven.

Three Injured in Auto Accident.

Miss Bess Stover, of Hubbersburg, has a broken collar bone and her sister, Miss Grace Stover, of Bellefonte, was almost drowned in an auto accident on Sunday afternoon down near Lamar. The latter young woman lives at the W. G. Emerick home in Bellefonte and on Sunday she and her sister were taken out for a run down Nittany valley by Ira Sprankle, of Coleville. Just above the iron bridge at the mouth of the Fishing creek gap Miss Grace Stover noticed something wrong with the steering wheel and told Sprankle to stop the car but before he could do so the steering gear broke, the car ran to the side of the road and down over the bank into Fishing creek, falling backwards into the stream for a sheer drop of ten feet or more. Fortunately Sprankle and Miss Bess Stover were able to get out from under the wreck without any trouble but Miss Grace was thrown into the creek head first and was almost drowned before she could be released. While the latter had no bones broken she was badly bruised along her entire right side. Miss Bess Stover suffered a broken collar bone and bad body bruises and is now confined to her home at Hubbersburg. Sprankle suffered only minor injuries.

SNOW SHOE MAN HURT. A few days ago W. B. Hall, of Snow Shoe, was motoring down the Nittany valley state road when his car was wrecked. Mr. Hall received several bad cuts on the head and face and a badly injured hand, but is able to look after his business at the Washington hotel, Snow Shoe, as usual.

Last Friday afternoon J. M. Heinle and Arthur Dale left Bellefonte in the former's car for a run to Williamsport. Below Lock Haven on one of those wretched detours Mr. Heinle had a blowout in one of his tires which caused the car to swerve and finally upset in the ditch alongside of the road. Mr. Heinle had his left foot caught under one of the doors of the car, breaking the small bones over the instep. He was conveyed to the Lock Haven hospital and the fractures reduced and on Sunday was brought home, being now confined to his room in the Garman house.

Government officials are becoming quite active throughout the State smelting out illegal traffic in intoxicating drinks, but so far they have not gotten very hot on the scent of where the illegal traffic is reported as flourishing to an amazing extent.
