ROUTINE BOROUGH BUSINESS.

Matters Disposed of at Regular Meeting of Council Monday Evening.

Only one member was absent at the regular meeting of council on Monday evening, and it must be admitted that this council is at least making a record for attendance.

A communication was received from the State Highway Department informing council that the Department has on hand a number of U. S. army two-ton trucks for hiring out at \$150 per month.

The Street committee reported progress on the sewer pipes on Bishop street and presented the treasurer's receipt for \$3.00 for manure sold.

The Water committee reported various repairs to water pipes and also that the water duplicate for 1919 amounting to \$978.25 and meter bills to the amount of \$298.70 were ready to turn over to the State-Centre Electric company for collection.

The Fire and Police committee reported the burgess' check for \$19.50.

The Finance committee reported a balance in the hands of the treasurer on June 1st of \$583.20.

The bond of the State-Centre Electric company as water tax collectors of the borough, in the sum of \$5000, with A. W. Lee, John S. Fisher, Howard J. Thompson and John W. Wrigley, as sureties, was presented to council.

President John S. Walker appointed Claude S. Cook and Mrs. R. S. Brouse trustees of the Pruner orphanage and the appointments were confirmed by council.

Mr. Cunningham, of the Waer committee, reported the fact that he had interviewed G. Fred Musser, of the G. Fred Musser Co., Inc., relative to the rental of the Phoenix mill property, and that Mr. Musser stated that they would be willing to pay \$750 per year for a five year lease, but does not feel that they can afford to pay \$1000 a year, the price asked.

As chairman of the committee Mr. Cunningham stated that he believed the property worth \$1000 a year. Mr. Fauble, also, favored \$1000 as being very reasonable.

Members Brouse and Knisely stated that inasmuch as the company is a home concern it should not be oppressed with an exorbitant rental.

Finally Mr. Fauble made a motion that the rent for the year from April 1st, 1920, to April 1st, 1921, be fixed at \$750, and that the company be given the right to exercise an option on or before January 1st, 1921, for the rent of the building for a period of five years at a rental of \$1000 a year dating from April 1st, 1921. The motion was passed.

Borough manager James D. Seibert called the attention of council to the fact that in the grading of south Spring street for the state highway the street had been cut down to within ten inches of the terra cotta sanitary sewer, and that the sewer would not only have to be lowered but replaced with an iron pipe.

He further suggested that the iron pipe be extended down Spring street to Cherry alley, a total distance of approximately 700 feet.

Inasmuch as the grade there is quite steep Mr. Seibert stated that in his opinion a six inch pipe will be ample to carry away all the drainage from that territory, and that will cost \$1.05 a foot.

On motion of Mr. Richard council authorized the putting down of the iron pipe.

Bills to the amount of \$2400.75 were approved and council adjourned.

Flag day exercises will be held in the parlors of the Elk's home on High street at eight o'clock Monday evening, June 14th.

Prof. Arthur H. Sloop will be the speaker for the occasion. The public is invited to attend.

SHOOK.—Mrs. Sarah J. Shook, widow of the late James M. Shook, died rather suddenly at her home on South Allegheny street on Sunday morning about eight o'clock.

Sunday was her birthday, she having reached her sixty-sixth year, and the children had planned to bring into this day what enjoyment they could, as their mother had been ailing for some months and had been seriously ill during the past few weeks.

Last week she had shown such marked improvement that it was thought she might recover and her condition on Saturday was especially pleasing.

Hence her death on Sunday morning came as an unusual shock to her children.

But her passing away was quiet and peaceful, the end coming like a pleasant benediction at the close of a life well spent.

Mrs. Shook was born in Howard, a daughter of the late John and Nancy Lockard. When she was but a few years old the family moved to Lamar where she grew to womanhood and married James M. Shook.

Twenty-seven years ago Mr. and Mrs. Shook moved to Bellefonte, and Mr. Shook passed away twelve years later.

During the twenty-seven years Mrs. Shook was a resident of Bellefonte she won many friends through her frequent acts of kindness and determination to stand for what she believed was right.

She leaves one brother, three sisters and the following children: Mrs. Harry Rhoades and Mrs. William F. Shope, of Bellefonte; Mrs. David V. Steele, of Tyrone; Mrs. L. R. Poorman, of Huntingdon; Prof. James A. Shook, of Reading; Miss Luella A., of Pittsburgh; Harry, of Trinidad, Colorado; Floyd, of Kingsley, Iowa, and Leonard, of Farrell, Pa.

In her death there passes a true woman, a staunch friend, a devout christian, a devoted wife, and the best of mothers.

She rounded out a long and useful life and now, her work done, passes peacefully to rest "as one who wraps the drapery of her couch about him, and lies down to pleasant dreams."

Funeral services were held at her late home on Wednesday afternoon, conducted by Rev. George E. Smith, assisted by Rev. Dunn, and burial was made in the Union cemetery.

YOCUM.—The people of Bellefonte, irrespective of church affiliations, sincerely sympathize with Dr. Ezra H. Yocum in the passing away of his wife at their home at Woolrich at four o'clock on Monday morning.

Dr. and Mrs. Yocum spent eight years in Bellefonte prior to going to Woolrich a year ago and during that time the veteran preacher in the Methodist church won the love and esteem of all who knew him.

Mrs. Yocum was a victim of Bright's disease and had been ailing much of the time during the last years of their residence here so that she was unable to mingle to any extent in the church or social life of the town.

Her condition grew worse the past year until she finally answered the final summons and passed to the Great Beyond.

Mrs. Yocum, whose maiden name was Laura Shugerts, was married to Dr. Yocum almost fifty years ago.

She was seventy-one years old, and in addition to her husband is survived by the following children: Mrs. Rice, wife of Dr. C. W. Rice, of Northumberland; George C. Yocum, of High Bridge, N. J., and Dr. J. P. Yocum, of Northumberland.

Funeral services were held at Woolrich at 10:30 o'clock yesterday morning.

Dr. E. H. Pyles, district superintendent, was in charge and was assisted by Dr. B. C. Conner, president of Dickinson Seminary, Williamsport, and Dr. W. B. Evans, of Newberry.

Yesterday afternoon the remains were taken to Northumberland where interment was made at four o'clock.

KNECHT.—Mrs. Mary Margaret Knecht, wife of W. T. Knecht, passed away at her home in Lock Haven at 8:30 o'clock on Wednesday morning, as the result of a stroke of paralysis sustained about an hour previous.

She was a daughter of the late Benjamin F. and Sophia C. Schaeffer and was born at Nittany, this county, almost sixty-six years ago.

Her girlhood life was spent at the home of her birth but when a young woman she was united in marriage to W. T. Knecht, and practically all her married life has been spent at Clintondale and in Lock Haven.

She is survived by her husband, two sons and two daughters, namely: Frank Knecht, of Akron, Ohio; John, a member of the Senior class at State College; M. Lillian and Mabel E., at home.

She also leaves two brothers and two sisters, L. A. Schaeffer, of Bellefonte; W. E. Schaeffer, of Millinburg; Mrs. H. Kate Allison, of Chicago, and Mrs. Lincoln H. Swartz, of Hubersburg.

Funeral services will be held at her late home on south Fairview street, Lock Haven, at ten o'clock tomorrow (Saturday) morning, burial to be made in Memorial Bethel cemetery near Clintondale.

MORRISON.—William H. Morrison, a former employee of the Pennsylvania railroad company, died at his home near Port Matilda on May 31st following a lingering illness with tuberculosis.

He was 39 years and 2 days old and is survived by his wife, who was formerly Miss Nora Osman, and the following children: Helen, Roy, Agnes, Lillian, William Jr., Marie, Raymond and Kathryn, all at home.

He was a member of the Trafford Lodge, I. O. O. F. and the United Brethren church.

Funeral services were held in the Methodist church at Port Matilda last Thursday by Rev. H. F. Babcock, after which burial was made in the Methodist cemetery.

GATES.—Burns Gates, a life-long resident of Worth township, died on May 29th, at the home of his niece, Mrs. Clifford Kelley, near Port Matilda, as the result of a stroke of paralysis.

He was a son of Henry and Susannah Gates and was born in Worth township about seventy years ago. He followed farming most of his life. His only immediate survivors are two brothers, George and William Gates, both of Worth township.

Funeral services were held in the United Brethren church on Memorial day, burial being made in the Black Hawk cemetery.

MUSSER.—Miss Lulu C. Musser died at the home of her mother, Mrs. Margaret Musser, in Millheim, last Thursday afternoon, following a protracted illness, aged 43 years, 8 months and 24 days.

In addition to her mother she is survived by the following brothers and sisters: Miss Bertha, John F., and Grover, of Millheim; N. Lester, of Cleveland, Ohio; Paul, of Wichita, Kan.; Mrs. D. W. Lewis, of Philadelphia, and Claude E., of Akron, Ohio.

Rev. J. J. Weaver officiated at the funeral which was held on Tuesday morning, burial being made in the Fairview cemetery, Millheim.

Gussed Dates on Gold Coin.

The contest—guessing dates on two ten-dollar gold pieces—benefit of St. Mary's church, Snow Shoe, closed Saturday, June 5th.

The two coins had been sealed by Mr. Isaac Mitchell, of the Bellefonte Trust company, and when the seal was broken the dates were found to be 1879 and 1889.

No participant in the contest was lucky enough to have guessed both dates correctly in one and the same guess.

There were, however, a number of persons who had one of the correct dates and a number of persons had the other, and it resolved itself into a draw.

The names of all persons who had guessed the one date correctly were placed in a hat and the third name drawn was to be the lucky person. The names of the persons having the other date guessed correctly were likewise placed in a hat and drawn in like manner.

The lucky persons were Mr. John Treshock and Mr. Thomas Tubridy Sr. The amount realized on this contest was \$307.81.

Bryan—Goss.—A belated wedding notice, but one that will interest many people in west Ferguson township, was that on May 27th of Frank W. Bryan and Miss Mary Rebecca Goss, both of Tyrone, the ceremony taking place in Hollidaysburg and being performed by Rev. E. N. Huff, pastor of the Baptist church.

The bride is a daughter of Mr. and Mrs. William K. Goss, former residents of Ferguson township. She taught school in that township several years but the past year or two taught in Blair county.

The bridegroom is an ex-service man, having been a member of the 79th field artillery. The young couple will make their home in Tyrone where Mr. Bryan has a good job as a moulder.

The half dozen, more or less "male of the species" of Tyrone who played second fiddle to their better halves at the house party at Edgemoor during the past week, managed to put in a good part of their time whipping Logan branch for trout, and as a crowd were quite successful.

But George C. Wilson, the Cloverine man who already owns a good part of Tyrone outside the Pennsylvania railroad, was only able to land six, but he had to come to Bellefonte to do that.

Banker Frank K. Lukenbach, who poses as an expert trout fisherman, claims to have lost count of the number he caught but feels sure that it was not enough to lay him open to the charge of exceeding the limit.

Coal Sense

Our idea of the Coal Market is that while it may not go higher it will surely not be any lower for a long time to come.

Therefore it would be wise for you to lay in your winter coal supply now and forestall the danger of a rise in price when the regular fall demand sets in.

Besides, you can get it free from ice and snow and now we will have time to screen it and deliver to you in the best condition.

Considering the uncertainties of the coal market the coal in your cellar is worth more than the money that would pay for it is in your bank.

If you want coal let us know your needs and we will do our best for you.
