Because of its all-around utility, the Ford one-ton truck—with worm drive—has made itself an absolute business necessity. It's so dependable in service wherever placed, flexible and sure in control and low cost of operation and maintenance and possessing that vanadium steel strength, it has become the want in every line of business, from retail merchant to manufacturer, from engineer to contractor. Let us tell you details.

—Makes dollars go farther
—Brings music more quickly
—Investigate our Budget Plan

We like to explain our Budget Plan. It proves so helpful to folks who are ambitious to own a New Edison. The Budget Plan puts

The NEW EDISON
"The Photograph with a Soul"

into your home at once. Then it applies the established principle of big business,—systematic spending. It takes the purchase price out of your income so gradually that you don't have to "squeeze" at all. Come in and earn about it.
