Renewed Testimony

No one in Bellefonte who suffers backache, headaches, or distressing urinary ills can afford to ignore this Bellefonte woman's twice-told story. It is confirmed testimony that no Bellefonte resident can doubt.

Mrs. J. C. Johnson, 356 E. Bishop St., says: "I can't say too much for Doan's Kidney Pills. They are the best remedy I have ever used for backache and weak kidneys. I was a great sufferer. I could hardly straighten up or get around the house. I had dizzy spells and would nearly fall over. My kidneys acted very irregularly. A member of my family had used Doan's Kidney Pills and on his advice, I got a box of Doan's from the Green Pharmacy Co. They did me more good than anything I ever used. The backaches became normal and now I am enjoying good health. Doan's certainly cured me and I highly recommend them to any one having backache or kidney trouble."

Mrs. Johnson gave the above statement October 21, 1907, and on October 18, 1918, she added: "I am very glad to confirm my former endorsement of Doan's Kidney Pills. No one knows better than I what a wonderful benefit they have been to me, for they cured me of a serious kidney trouble."
