Doings of the Borough Dads.

Six members were present at the regular meeting of borough council on Monday evening. Attorney John M. Keichline was present and protested against the action of Harry Kern, who is erecting a new hog pen on Burrows street within a very short distance of a double house owned by Mr. Keichline.

A communication was received from the supervisor of the Lewisburg branch of the Pennsylvania railroad calling attention to the fact that the wall along Mill street was so close to the railroad tracks that it made it very dangerous for railroad men, one employee being slightly hurt there a short time ago in jumping off of the locomotive.

Mr. Harris, of the Street committee, presented the report of the borough manager and also a supplementary agreement executed between the borough and contractor Frank Murphy relative to various changes on Pine street which will be more satisfactory to the property owners along that thoroughfare, and which will result in a saving to the borough of approximately thirteen hundred dollars.

Regarding the granite watering trough that Thomas Beaver has offered to present the borough, after discussing the matter pretty thoroughly, Mr. Knisely made a motion that the trough be accepted and placed on the curb in front of the Curtin monument and council so voted, the question of properly placing it being left to the Street and Water committees and the borough manager.

MINGLE.—Mrs. Elizabeth M. Mingle, widow of the late W. B. Mingle, of Centre Hall, passed away at two o'clock on Monday morning following an illness of only a few days. In fact last week she entertained her brother, P. G. Yearick, and her grandson, Philip Mingle, of Philadelphia. They left for home on Friday and that evening she was taken violently ill with acute indigestion.

Mrs. Mingle was a daughter of Thomas and Phoebe Yearick and was born at Kratzville on May 27th, 1849, hence was in her seventy-second year. She was united in marriage to Mr. Mingle on November 10th, 1869, and four years later they located in Centre Hall and that town had been her home ever since. She was a life long member of the Reformed church and was one of the most active workers in the Centre Hall congregation.

Her husband passed away a number of years ago but surviving her are two children, Mrs. Anna E. Hoy and W. Gross Mingle, both of Philadelphia. She also leaves two brothers, H. H. and P. G. Yearick, both of Philadelphia, Pa. Funeral services were held at her late home in Centre Hall at 10 o'clock Wednesday morning by Rev. R. R. Jones, her pastor for a number of years, after which burial was made in the Centre Hall cemetery.

Out of town people in attendance at the funeral were Mr. and Mrs. Emory Hoy and daughter Elizabeth; Mr. and Mrs. W. Gross Mingle and son Philip; Mr. and Mrs. Harry Yearick and Miss Ella Schoch, all of Philadelphia; Mr. and Mrs. Edward Mingle and Miss Mazie Forster, of Aaronsburg; Mrs. R. E. Snodgrass and Mrs. Laura Schure and son George, of Mifflinburg; Mr. and Mrs. Albert Hoy, of Lewisburg; Mr. and Mrs. George McCormick, of Potters Mills; Mr. and Mrs. Bert Hanley, of Brooklyn, N. Y.; Mr. and Mrs. A. C. Mingle and two daughters, Miss Fannie Hoffer, Mr. and Mrs. Earl Hoffer and child, Mrs. C. M. Bower and Mr. and Mrs. John J. Bower, all of Bellefonte.

WAY.—Earl Creighton Way, a native of Centre county, died in Denver, Col., last Thursday, where he had spent several years for the benefit of his health. Upwards of nine years ago, while working in the shops of the Pennsylvania railroad company at Altoona he had a very serious case of typhoid fever. He returned to work before he had fully recuperated his strength with the result that his lungs became affected. Just about eight years ago he was granted an indefinite furlough by the company and leaving his wife and children in Centre county he went west in search of health. He spent some years in New Mexico and the last few in Colorado, but always managed to get back home for a yearly visit, his last trip east being last Christmas.

Decided was a son of Mr. and Mrs. Benner W. Way and he was born in Buffalo Run valley thirty-eight years ago last April. When a young man he went to Altoona and got employment in the P. R. R. shops and had developed into one of their expert workmen when overtaken by illness. In 1902 he was married to Miss Susan M. Meek, youngest daughter of Mr. and Mrs. Dempster L. Meek, of Waddle, who survives and who has been with her mother at Waddle during her husband's sojourn in the west. Their two children are Creighton M., who works for the Beatty Motor company in Bellefonte, and Marjorie, with her mother at Waddle. Mr. Way is also survived by his parents, living at State College, one sister and three brothers namely: Mrs. Philip Benner Meek, of State College; Gray Way, of Altoona; Agnew, of Pittsburgh, and Ray, of Erie.

BLAUSER.—William H. Blausier, a well known merchant of Potter's Mills, died at 12:30 o'clock on Sunday night of tetanus (lockjaw) the first fatal case that has occurred in the county in years. Mr. Blausier had been ailing the past two or three years but his trouble baffled his physicians. He was able to be around and give a good part of his time to his business, but he was far from a well man. About two weeks ago he became much worse and last week tetanus developed. Every effort to unlock his jaws proved unavailing and he died at the time above mentioned.

also leaves one brother and seven sisters, all living in York county. Funeral services were held at his late home at ten o'clock yesterday morning by Rev. Drum, assisted by Rev. Catherman, after which burial was made in the Georges Valley cemetery.

JODON.—George F. Jodon, formerly a resident of Bellefonte, died at his home in Akron, Ohio, last Saturday morning, following an illness of two weeks with a complication of diseases, the result of an affection of the kidneys with which he had suffered the past two years.

Deceased was a son of Jesse and Mary McKinley Jodon, and was born in Milesburg on January 29th, 1853, hence was in his sixty-eighth year. Mr. Jodon lived in Bellefonte a number of years but nine years ago moved to Akron, where he had been employed in a large rubber factory. In 1872 he was united in marriage to Miss Eliza Johnson, who survives with the following children: William, of Bellefonte; Claude, of Mill Hall; Harry, James and Oliver, all of Akron. He also leaves two brothers and one sister, John Jodon, of Milesburg; Frank, of Barnesboro, and Mrs. Lizzie Sager, of Patton.

The remains were brought to Bellefonte and taken to the home of his son William, where funeral services were held at 2:30 o'clock on Wednesday afternoon by Revs. Scott and Shuey, after which burial was made in the Union cemetery.

Love—Leathers.—LeRoy Bertram Love, of Woolrich, and Miss Candace Inez Leathers, of Howard, were married at the United Brethren church in Howard at 10:30 o'clock on Wednesday morning of last week by the pastor, Rev. J. S. Erb. The attendants were Miss Rhoda Weaver, of Williamsport, and Merle Kephart, of Monument. A wedding breakfast was served the wedding party and seventy-five guests at the home of the bride's parents, Mr. and Mrs. H. E. Leathers, at one o'clock and the same evening the young couple left on a wedding trip to eastern cities.

The bride is a graduate of the State Normal school at Lock Haven and for several years past has taught in the schools of Howard township. The bridegroom is a son of Mr. and Mrs. Benjamin Love, of Woolrich, served eighteen months overseas in the world war and is now employed at the Orviston brick plant where they will make their home in the future.

Raymond—Dunlap.—Harry Raymond, and Miss Mary Dunlap, second daughter of John L. Dunlap, of Thomas street, were married at one o'clock last Friday afternoon at St. John's Episcopal church by the pastor, Rev. M. DePue Maynard. They were attended by the bride's sister, Miss Margaret Dunlap, and Harry Dewey. Immediately following the ceremony a wedding breakfast was served at the home of the bride's father and at 3:10 Mr. and Mrs. Raymond departed on a short wedding trip. They returned to Bellefonte Monday evening and are now making preparations to go to housekeeping on Reynolds avenue. Mr. Raymond is one of the efficient employees of the Beatty Motor company.

Lee—Seitzinger.—Arthur B. Lee and Miss Maggie Seitzinger, both of Spring Mills, were married by justice of the peace C. Irwin Lewis, at his office in Hollidaysburg last Saturday morning at 9:30 o'clock. Mr. Lee is very well known throughout Centre county, having served as sheriff for four years prior to the election of George Yarnell in 1915. Mr. and Mrs. Lee will continue to reside at Spring Mills.

Tyrone Had Costly Fire. Our neighboring town of Tyrone had a very disastrous fire on Monday morning, which burned the Templeton department store on Pennsylvania avenue, the McCrory five and ten cent store, Miss Mabel Taylor's millinery store, and Agnew's photograph studio. On Logan avenue the business places which suffered loss were W. A. Russell's barber shop, Benjamin H. Jones' grocery; Fred M. Seeger, restaurant, and the Templeton butcher shop. In the Templeton building were five apartments, all occupied, in which the loss was almost complete. The La-Mar apartment building adjoining the Templeton building, was not injured by fire but considerably damaged by the water poured onto it to keep down the flames. Eight families occupied the apartments and they all suffered damage from the water.

The fire originated in the rear warehouse of the Templeton store about 3 o'clock in the morning, but the origin is a mystery. The loss is estimated at a quarter million dollars, not half covered by insurance. The Templetons were the heaviest losers. The estimate of their loss is placed at two hundred thousand dollars with eighty-two thousand insurance.

Evan Blanchard, young son of Mr. and Mrs. John Blanchard, fainted and fell on the street near the armory on Tuesday afternoon, was picked up by Mr. Bicketts, the ice man and carried home. He was unconscious a half hour or more and naturally his parents were considerably alarmed as to what had happened. He finally regained consciousness but could not account for his illness aside from the fact that he had fainted away. As he is now getting along all right his sudden attack was likely either the result of the hot sun or indigestion.

Mr. and Mrs. Woodcock are motoring to Alexandria, where they will spend the month of August at the summer home of Mrs. Woodcock's aunt, Mrs. Wolverton, as has been the custom for a number of years.

Mrs. David J. Kelly, of York, Pa., came to Bellefonte on Tuesday and on Wednesday accompanied her son Theodore to Cresson, Pa., where he will spend some time for the benefit of his health. Theodore has been in Bellefonte most of the summer and while his condition is somewhat improved it is hoped that the change to the higher atmosphere at Cresson will prove even more beneficial. Mrs. Kelly will return to her home in York tomorrow.

Mrs. Miles Mattern has been a guest this week of her niece, Mrs. Albert Schadt. Mrs. Mattern has only recently returned to Warriors Mark, expecting to spend the summer with her nephew and niece, Mr. and Mrs. John Schenk. For the winter and until returning to Centre county, Mrs. Mattern had been with her nieces in Juniata, and now has her arrangements completed for spending next winter in Youngstown, Ohio, with her adopted son, Miles E. Jackson and his family, and other relatives.

R. B. Daugherty, who recently sold his store at Clarence to a corporation of foreign born citizens, has left Centre county for good with the intention of making California his home. In fact he shipped his household goods last week and on Wednesday of this week, Mr. and Mrs. Daugherty and their four daughters, Minnie, Margaretta, Beatrice and Gladys, passed through Bellefonte in their seven passenger Buick car on their initial stage of the trip west. They will make short trips through Pennsylvania to say farewell to their relatives then turn the nose of their car westward on their overland trip to the Golden State. They took with them in the car, tents, camp equipment and cooking utensils, so will be independent of towns and villages and can stop wherever night overtakes them.

The personal property of the late Miss Mary Ammerman, which was sold at public sale last Saturday, brought \$462.35. This, of course, did not include the several wagon loads of Vintena stored in the cellar. Inasmuch as the Vintena is ninety per cent. port wine the administrators of the estate are evidently at a loss what to do with it, as traffic in wine is forbidden under the Eighteenth amendment to the constitution.

During the hard rain storm last Saturday lightning struck the Theodore Royer barn at Rebersburg, and the same was burned to the ground. The loss is estimated at \$2,500, with \$325 insurance. An adjoining stable belonging to George Waite was also burned, with a loss of \$1,000, and no insurance.

Work Done by State College Red Cross Nurse.

During the past three months Mrs. Maude C. Jones, acting as the trained nurse representative of the State College Chapter of the Red Cross, has been very active in the public health nursing service of that chapter. She has been conducting classes and giving demonstrations in home hygiene and care of the sick in State College, Centre Hall, Spring Mills, Lemont, Boalsburg, Buffalo Run and Pennsylvania Furnace. She has made a total of 110 visits during the first month of her work, (May) distributed as follows:

Nursing visits, 40; infant welfare visits, 2; prenatal visits, 2; child welfare visits, 2; visits to schools, 3; home visits to school children, 46, and other visits, 15.

On two occasions she spent the entire night with patients, these being for emergency cases. Besides nursing is given to both sexes, all ages, all nationalities and in all varieties of illness except contagious diseases. A fee of only fifty cents is required, for each visit, when families are able to pay; otherwise this Red Cross service is free.

The Red Cross public health nursing is a nursing service for the benefit of all the people in a community and in this respect differs from ordinary nursing, which is usually for the benefit of a relatively small number of people in any community.

Penn State Freshman Class Now Filled.

The freshman class at the Pennsylvania State College is now filled. Seven hundred and fifty applicants have been admitted and it is not yet known how many will have to be turned away by lack of necessary teaching and classroom facilities. The task of admitting this number was of such proportions as to overshadow the records of all previous years. It is estimated that applications were received from nearly 2000 high and preparatory school graduates, resulting in the burning of much midnight oil on the part of college officials to properly and in all fairness make up the personnel of the incoming class.

In placing the limit of new students for the coming year at 750, the trustees had only one course to follow—relief for already overcrowded classrooms and laboratories. With this number enrolled at Penn State next fall the remaining classes will bring the total student attendance to over 3300, greater than last year when 3165 made the record enrollment.

Campmeeting at Howard.

A campmeeting will be held in Schenck's grove, one and a quarter miles north of Howard, beginning August 13th, and continuing until August 22nd, inclusive, under the auspices of the local International Holiness church. A number of district workers will be present, including Rev. H. A. Saneholtz, state superintendent; W. J. Cridler, of Stroudsburg; Rev. Carrie A. Yoder, Rev. S. J. McIntyre, of Bethlehem; J. E. Wolf, Miss Adlena Bakrent and Rev. Daniel Dubendorf.

The whole gospel will be faithfully preached, with emphasis upon the cardinal truths of spiritual regeneration, entire sanctification, divine healing and the pre-millennial coming of Jesus. There will be three preaching services each day, at 10 o'clock a. m., 2:30 and 7:30 p. m. Boarding may be had on the ground at 75 cents per day and rooming at 25 cents per night. The public is cordially invited to enjoy this spiritual feast.

In another column of this issue is published some verse "To a Potato" by Miss M. V. Thomas, of Anchor, Oregon. Readers of the Watchman are not unfamiliar with Miss Thomas. When living at Milesburg, this county, she was a frequent contributor to these columns, but it has been some time since we have had the pleasure of being able to publish any of her writings. In her lines "To a Potato" Miss Thomas pleasingly combines both the tragedy of the high cost of living with the comedy of the advent of the once common "spud" in the society of luxuries.

Huyler's dollar box of candy will be a special feature for Saturdays only, at the City Bakery.

A year ago calf hides were in demand at a dollar upwards. Today the price is quoted at twenty-five cents, but there has been no like reduction in the price of veal, hides, or shoes manufactured from the hides.
