DEMOCRATIC NATIONAL TICKET.

For President, JAMES M. COX, of Ohio. For Vice President,
FRANKLIN D. ROOSEVELT, of New York

DEMOCRATIC STATE TICKET. For U. S. Senator, 30HN A. FARRELL, West Chester. PETER A. ELESSER, York.

For Auditor General,

ARTHUR McKEAN, Beaver Falls. For Congress-at-Large, CHARLES M. BOWMAN, Wilkes-Barre. JOHN P. BRACKEN, Dormont. M. J. HANLAN, Honesdale. JOHN B. McDONOUGH, Reading.

DEMOCRATIC COUNTY TICKET. For Congress, JAMES D. CONNELLY, of Clearfield. For Assembly,

FRANK E. NAGINEY, Bellefonte. Congressman Jones and Prohibition.

Congressman Evan J. Jones has ating his incumbency. He never missed an opportunity to vote against President Wilson's wishes or desires. He has succeeded, by methods known only children, Ethel, at home, and Merrill, to himself, in getting the Prohibition endorsement after the party candidate withdrew, regardless of the fact ter: Rev. Frank Wetzel, of Akron, that he never cast a vote for or Ohio; Mrs. Jared Harper, of Belleagainst prohibition while in Congress. There were fourteen different resolutions affecting prohibition passed upon by Congress during Mr. Jones' term. Upon eight of these he "pair- perior, Neb. ed" with Congressman Crago, Republican, and did not vote or even "pair" on the remaining six. When the appropriation for use in the enforcement of the Volstead Act was before in the Union cemetery. Congress and the demand of superintendent Kramer for \$15,000,000 was cut down to \$3,000,000 Mr. Jones hadn't a word to say or a vote to give

either for or against. He was escorted over Centre county two weeks ago by well known liquor men and seems to be the first and only Prohibition candidate to win these men to his standard. The liquor men of the district supported Jones against Tobias two years ago and Clearfield county Prohibitionists attribute Mr. Jones' dodging on the prohibition question to that fact. They refuse to support him, even though he was foisted upon their ticket by a well known McKean county politician, but will support James D. Connelly instead.

Let no Democrat or "dry" vote be influenced to Mr. Jones by the mere fact of his having been taken care of by some of his political prohibition friends throughout the district.

High Voltage Wires.

Elwood S. Hall, flagman on the shifting crew in the Bellefonte yards of the Pennsylvania railroad, died at with three children by his first marthe Bellefonte hospital last Thursday evening as the result of a fractured skull sustained in a fall from an apple tree. Mr. Hall lived in Milesburg Pa., and George, of Hornell, N. Y. and when he completed his work on Thursday he went home and a little later went to pick apples in the orchard of his brother, Roy Hall. He was well up in the top of the tree and while at work his hand and arm accidentally came in contact with a high voltage wire of the State-Centre Electric company which ran through the tree top. The shock was so great that Mr. Hall was thrown from the tree, falling on his head on a stone fence. He was picked up unconscious and rushed to the Bellefonte hospital where it was found his skull was fractured and he died at seven o'clock the little home on Logan street on Satsame evening without regaining con-

In the latter seventies he made a trip to California but after spending a short time there started east, stopping for a short time in Colorado and Nebraska. Returning home he went to work for P. B. Crider & Son as a clerk in a store conducted in connection with one of their lumbering operations in the Allegheny mountains and in that capacity proved so efficient and trustworthy that he was promoted to book-keeper in the Crider office in Bellefonte, a position he held for thirty-nine years. In fact so much of the business of this firm had been handled by him in recent years that he probably had a more intimate knowledge of all its details than even Mr. Crider, himself. Scrupulously honest and exact in all his business dealings, he at all times had the confidence and respect of everybody with whom he came in contact.
