Bellefonte, Pa., October 29, 1920.

NEWS ABOUT TOWN AND COUNTY

Keep in mind the Red Cross roll call which will be held in Bellefonte Sunday, November 14th.

Go to the opera house on election night and see the colored minstrels; a laugh every minute of the performance.

If you want feed that will make your hens lay consult the advertisement of G. R. Gamble on the third page of today's paper.

By this time next week it will all be over and at least half of the men hungering after the lust of office this week will be back in their regular workaday harness.

Word has been received from Pittsburgh by the Taylors that the condition of Miss Mary Taylor is sufficiently improved as to give them hope for her recovery.

A food sale will be held by the Young Woman's Missionary society of the Presbyterian church at Mr. Spigelmyer's store Wednesday afternoon, November 3rd, at 2 o'clock.

The famous Mason Dixon orchestra of seven pieces, playing twenty-five instruments and accompanied with plantation singing, will be dancing music at Bush Arcade November 4th.

Mrs. Oscar Wetzel and children desire, through the columns of the "Watchman" to extend sincere thanks to all those who so kindly assisted them during the time of their recent sad bereavement.

Go to the Scenic and see the wonderful motion pictures exhibited there every evening during the week. Also bear in mind the fact that Garmann's opera house will be open for pictures every Saturday night.

Word was received from Pittsburgh this week that Miss Mildred Jones, who was taken to a hospital in that city last week for treatment for infection, is improving and there are now hopes of her early recovery.

The Bellefonte High school football team lost another game on Saturday when the Lewisburg High won out on Hughes field by the score of 13 to 0. But the Academy team won another victory the same day by defeating Juniata College at Huntingdon 19 to 0.

Matthew Rogers Jr., cashier of the First National bank of Howard, is mourning the death of his mother, Mrs. Matthew Rogers Sr., which occurred last Friday morning at her home in Mexico, Pa., at the age of seventy-seven years. Burial was made on Monday.

On Friday James Krape, the very efficient handy man at the Bellefonte hospital, was digging potatoes in the garden on the hospital grounds when he unearthed a curiosity in the shape of a potato about the size of a walnut grown over the neck of a small bottle so tight that it cannot be shaken off. The bottle is full of fine earth and a portion of the potato is inside the bottle like a cork.

The Right Reverend Eugene A. Corvey, Bishop of the Altoona diocese of the Catholic church, passed away at his home in Altoona last Friday morning following three days illness as the result of uremic trouble, aged seventy-five years. He was ordained to the priesthood on September 22nd, 1869, and prior to being created a Bishop in 1901 was rector of the Williamsport church for thirty years. His successor will be Bishop John McCort.

The "Watchman" this week asks the forbearance of its correspondents for any condensation or omissions in their always very interesting letters, but the unusual demands made by advertisers this week on the columns of the "Watchman" and other conditions confronting us this week has made it necessary to condense everything as much as possible and even omit some very readable news items.

The Bellefonte Central Railroad company recently sold to the Kishacoquillas Valley railroad a rebuilt locomotive which they had no present need of and the people of the Kishacoquillas valley maintain that it is "about the size of a watch charm compared with the modern locomotives of the present day." But at that it is a big improvement over the one heretofore in use on the Kishacoquillas, as it was ordered to the scrap heap by state inspectors.

The Penn State football team ran up the biggest score against Lebanon Valley college, on Beaver field on Saturday, that has been made so far by any team this year, the final score being 109 to 7. The visitors scored their one touchdown the first two minutes of play on a deflected forward pass thrown by one of the State players. After that State not only scored almost at will but changed players so frequently that it was really a third grade team that finished the game.

The trout are now spawning in Spring creek and the favorite spawning beds being the small patches of sand and gravel in the creek opposite the "Watchman" office, the trout are attracting especial attention, especially from strangers in town. And it must be admitted that they are a sight worth seeing, because quite a number of them are from twenty inches to two feet and over in length, and look more like shad in the water than trout. In fact many strangers can hardly believe that they are trout.

BIG HALLOWE'EN CELEBRATION NEXT MONDAY EVENING.

Many Masqueraders Will be in Monster Parade. Big List of Prizes to be Awarded.

All roads in Centre county will lead to Bellefonte next Monday evening and present indications are for one of the biggest crowds seen here since the soldier's homecoming. The committee of arrangements are getting everything rounded up in fine shape and the only thing necessary to assure a big success of the celebration is good weather, and let us all hope we will have that.

Of course the big feature will be the parade and the committee is already assured of several bands of music, with a possibility of the Cadet band of State College. The invitation to enter the parade is general to individuals and organizations, both in Bellefonte and all surrounding villages and the country at large. The only request made is that organizations report to William H. Brown, chairman of the Parade committee, with the probable size of the organization, so that a place in the parade can be assigned to them. The parade will be formed on Bishop street promptly at 7:15 p. m., and the line of march will start at 7:30.

To facilitate the handling of the parade and avoid congestion on the streets the following will be closed for parking purposes from six o'clock until after the parade is over: Allegheny street from Linn to Logan; High from the monument to the railroad; Bishop from Ridge to Spring; Spring from Bishop to Howard; Howard from Spring to Penn. Bishop street from Allegheny to Spring will be closed to traffic until ten o'clock or later, or until after the block dancing is over. All persons are cordially requested to observe these regulations and thus eliminate the danger of traffic on congested thoroughfares.

Individuals desiring to enter the parade can rent costumes of most any kind from James Parish, Room 3, Bellefonte Academy.

Remember this is not intended to be a Bellefonte celebration alone. Milesburg and Pleasant Gap people have already signified their intention of coming here in force, and delegations from State College, Centre Hall, or any other town or district in the county will be heartily welcomed. Cash prizes will be awarded as follows:

BY ORDER OF BURGESS.

To Plant Trees for Soldier Dead.

For some time past the Woman's club of Bellefonte has fostered the idea of planting shade trees at some prominent spot in Bellefonte in commemoration of the young men of the town who gave their lives in the great world war, namely: Charles Doll, Frank Crissman, John Cunningham, Joseph Anderson and Harry Ott. Realizing that the court house yard would be the most appropriate place for such a lasting memorial a delegation of women waited upon the County Commissioners last Friday and after presenting their application were granted permission to place the trees in front of the court house, the kind of trees to be planted and the exact location to be determined later. In this connection Prof. Cowell, of State College, will come to Bellefonte next week and consult with the women and the Commissioners as to the kind of trees and the most suitable place to plant them.

This is in line with a project the women have had in view for some time back regarding the planting of trees along the principal highways in the county in commemoration of all the young men in the county who gave their lives in the world war.

—Vote for Cox and Roosevelt.

—State College alumni celebration movie film at Scenic theatre Wednesday, Nov. 3.

—Vote for Farrell for United States Senator.

—Don't be discouraged if the election next Tuesday don't go the way you want it to. Go to the opera house in the evening, see the colored minstrels and forget your disappointment.

—Vote for Connelly for Congressman.

—The Moerschbacher restaurant in the McClain block has been closed temporarily this week to permit of an entire overhauling of the interior. A new ceiling is being put in and new paper and paint on the walls, so that when completed it will present the appearance of a new restaurant.

—The seat sale for "Tea for Three," which will be the attraction at the opera house next Monday evening, November 1st, will open at Mott's drugstore tomorrow (Saturday). "Tea for Three" is one of the big metropolitan successes. The cast includes such stars as Bert Leigh, Millicent Hanley, J. W. Cowell and others. It is a modern, up-to-date comedy, with brilliant dialogue and dramatic construction. The fact that it is a Selwyn production is a guarantee of its merit. Don't fail to see it.

—Vote for Naginney for Assemblyman.

—The chart for "Tea for Three" will be open at Mott's drug store this (Friday) morning, instead of tomorrow, as announced last week. The price of tickets in the auditorium will be \$1.00 and \$1.50. For the benefit of those desiring to attend the show manager Leo Toner announces that the curtain will not go up until 9 o'clock on Monday evening, which will give everybody an opportunity to either participate in or watch the big Halloween parade and see the show afterwards.

—A car load of material for the steel hangar at the Bellefonte aviation field arrived in Bellefonte from Cleveland, Ohio, last Friday and on Wednesday of this week George Rhoads & Son began work on erecting the same. Inasmuch as there is not sufficient truss material to put the entire building under roof it will be completed as far as possible this fall and sheathed on all sides so as to afford a protected place in which to work and also store several machines. The remainder of the building will be completed next spring.

—E. L. Armstrong, of State College, has launched a project for the organization of a company to manufacture Portland cement. If he is successful in his efforts the plant will be located at what is known as the black barn farm about midway between Axe Mann and Pleasant Gap, now owned by Mrs. Charles Garis, of State College, and where there is a good vein of cement rock. Years ago a very good quality of cement, known as the Logan cement, was made there, and there is no reason why a cement plant there now should not be a very profitable investment. The plant that Mr. Armstrong has in view will cost approximately \$50,000.

—On Monday evening a number of the Y. W. girls met at the High school for their weekly hike, which on that occasion was not as long as usual, extending only to the old fair grounds, where a luncheon of toasted weinies, sandwiches, etc., was served. The evening was spent in singing and telling stories and the time passed so pleasantly and quickly that the hour was late when they returned to Bellefonte. The hike scheduled for next Monday will be postponed a week on account of the big Halloween demonstration. On Tuesday evening, November 2nd, the white team in the membership campaign contest will entertain the green team, detailed notice of which will be furnished all members in due time.

Public Meeting in the Court House This Evening.

A public meeting will be held in the court house this (Friday) evening at which time Dr. Robert Mills Beach will be the principal speaker and will give a concise and coherent explanation of the covenant of the League of Nations. This will be followed by a full explanation of how to mark the ballot to be voted at the coming election. It is just possible that Mrs. Harry Keller will also speak. This is to be in no sense a political gathering and members of any party faith are invited to attend.

Error in the Election Proclamation.

In the sheriff's election proclamation as advertised on page 2 of this edition of the "Watchman" there is an error as to the places where voting may be done in Curtin township.

It would appear that there is only one precinct in Curtin township, whereas there are now two, as follows:

For the township of Curtin, South precinct, at the school house near Robert Mann's.

For the township of Curtin, North precinct, at the school house in Orville.

—Vote for Cox and Roosevelt.

Women Meet in Annual Conference.

The annual fall conference of the Women's clubs of Centre county was held at the High school building, Bellefonte, last Saturday. In addition to a very good attendance of members of the Woman's club of Bellefonte representatives were present from all the clubs in the county within the bounds of the conference.

The conference chairman, Mrs. Arthur W. Cowell, of State College, presided with Miss Isabelle Hill, of Bellefonte, as secretary. At the opening session, at 10:30 o'clock Saturday morning, prayer was offered by Rev. M. DeFue Maynard. The chairman in her annual report, spoke of the work in progress in the county, especially in regard to children's aid. The community nurse question was also touched upon and the work highly commended.

The reports from representatives of the various clubs in the conference took up most of the morning session and showed a healthy condition of activity in all lines of work in which the women are engaged. These include social welfare, clean towns, care of cemeteries, Near East relief, the study of citizenship, and various other questions of importance to each community.

Miss Rebecca N. Rhoads told of the work that has been done by the W. C. T. U. throughout the county and what it has in view for the future.

Mrs. Robert Mills Beach detailed the object of the League of Women Voters and urged all present to interest themselves in seeing that the women in their different localities fit themselves for the ballot by making a study of all the important questions of the day.

Mrs. John S. Walker told of the work done by the Mothers' association in Centre county. Eleven mothers and twenty-eight children in Centre county have been given assistance and there are upwards of fifty applicants on the waiting list.

At noon a box luncheon was served in the domestic science room in the school building.

The principal speaker selected for the afternoon session was Prof. Cowell, of State College, but he was delayed in arriving and his time was given to Miss Dora Lee Newman, a representative of the Red Cross, division headquarters, Philadelphia, who told of the drive soon to be instituted for the enrollment of Red Cross members for the ensuing year, urging the women present to help the work along to the best of their ability.

The election of officers for the ensuing year resulted as follows: Chairman, Miss Helen E. C. Overton, Bellefonte; vice chairman, Miss Mary Russell Griest, Unionville; secretary, Mrs. John S. Walker, Bellefonte.

Mrs. W. A. Ferree suggested that the fall conference next year be held either at Boalsburg or Oak Hall and the selection of a place was left open pending an invitation from the Woman's club of that section.

Out of town representatives present at the conference were as follows:

Howard—Mrs. W. B. Johnston, Mrs. Emma Yearick, Mrs. J. L. DeHaas, Mrs. William Weber, Mrs. James L. Leathers, Mrs. J. Will Mayes, and Mrs. J. F. Condo.
State College—Mrs. Arthur W. Cowell, Mrs. J. Ben Hill, Mary E. Dusham.
Unionville—Miss Mary Russell Griest.
Waddle—Elizabeth D. Green, Mary Stanton.
Lemont—Mrs. E. F. Williams.
Oak Hall—Mrs. W. A. Ferree, Margaret Ferree.
Fillmore—Miss Laura Kephart.

Jersey Shore Woman Hurt in Auto Accident.

On Saturday afternoon Mr. Sheldon Whipple and family, of Jersey Shore, were motoring up the Nittany valley state road and at the sharp curve just beyond the old Central Railroad of Pennsylvania the driver, Miss Grace Whipple, lost control of the steering apparatus with the result that she crashed into a telephone pole standing by the roadside. Mrs. Whipple was thrown through the windshield of the car and sustained a number of bad cuts on the face and head, but fortunately no broken bones nor critical injuries. A passing autoist brought her to the Bellefonte hospital where her injuries were given proper attention. None of the other occupants of the car were seriously injured, but the machine was badly wrecked.

Horace Kauffman Barn Burned.

The barn on the Horace Kauffman farm near Zion was totally destroyed by fire on Monday afternoon, together with all the year's crops and most of the farm implements. The farm is tenanted by Boyd Tressler and the fire, which started at two o'clock in the afternoon, is believed to have been caused by children playing with matches. All of Mr. Tressler's stock was saved but his loss on crops, implements, etc., is complete, as he carried no insurance. The barn was insured for \$1,500, but that will not cover the loss.

To All Republican Voters.

If you believe that the United States should join the League of Nations you are hereby cordially invited to join the group of pro-League Republicans who have made up their minds to vote for Governor Cox, for President, as a protest against the ambiguous, vacillating and indeterminate stand of Senator Warren G. Harding on this issue. The slogan of our club is "As for me, I favor going in."

Yours for the League and prosperity,
M. J. MAXFIELD,
State College, Pa.
