MEDICAL.

A Safe Test

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Bellefonte people.
Mrs. J. F. Thal, 23 N. Thomas St., Bellefonte, says: "I suffered with backache and severe pains through my kidneys. I had headaches and dizzy spells, when I first got up in the mornings and my kidneys acted irregularly. My attention was called to Doan's Kidney Pills and I heard of so many being benefitted by their use that I procured a box at the Green Pharmacy Co. That one box removed the backache. The headaches and dizzy spells left and my kidneys became regular and I felt better in every way. I cheerfully recommend Doan's to any one who suffers as I did." (Statement given October 19, 1916).
On October 18, 1919 Mrs. Thal said: "I am very glad to confirm my former endorsement of Doan's Kidney Pills. Today I am a well woman and to recommend Doan's is a pleasure."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Thal had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 65-45

Keep The Egg Basket Full!

The feed elements that make whites of eggs are entirely different from those that make yolks. When hens aren't fed both the white and yolk making elements, they can't keep the egg basket full. The usual method of feeding mostly grain makes yolks but not enough whites to complete the eggs.

Missouri Experiment Station tests prove that 100 lbs. of wheat, corn, oats, barley and kafir corn make (above bodily maintenance) an average of 224 yolks to 154 whites. Based on data from the same experiments, Purina formulas produce, (above bodily maintenance), as follows—

	Yolks	Whites
Purina Scratch Feed	247.49	142.11
Purina Chicken Chowder	182.05	282.55
Combined Ration	429.54	424.66

These Purina feeds not only make a practically equal number of whites and yolks but more of both than ordinary feeds.

Note that Purina Chicken Chowder contains the necessary white-forming elements to balance up the yolk-making grain ration. That's why it makes hens lay so heavily. Instead of the yolks being absorbed by the hen's system, Purina Chicken Chowder makes the whites to complete the eggs and they are laid. Thus we can absolutely guarantee

more eggs or money back on Purina Chicken Chowder if fed with Purina Scratch Feed as directed. You take no risk.
