Golden Wedding of Ferguson Township Couple.

On Thanksgiving day, 1870, Jacob William Sunday, of Potter township, and Miss Susan Gummo, of Curtin, were married at Milesburg by Rev. Cleaver, and on Thanksgiving day last week they celebrated their golden wedding anniversary at their comfortable home in Pine Grove Mills.

Those invited gathered at the home of Mr. and Mrs. J. E. McWilliams and at eleven o'clock marched in a body to the Sunday home, his comrades in arms during the Civil war being the honor guests.

Dinner was served at 12:30 and it was a most elaborate and delicious feast. The centre piece on the table was a large wedding cake baked by one of the daughters, Mrs. Lizzie McWilliams, and which bore the inscription, "50th anniversary, 1870-1920."

A very pleasant incident in connection with the celebration was the presence of the aged couple's grandson, Walter Sager and bride, who had just returned from Cumberland, Md., where they had been married on Tuesday.

Penn State Plans Big Commencement Changes. State College, Pa., Dec. 2.—A permanent change in the annual commencement week program at The Pennsylvania State College whereby the alumni reunion day will fall on Saturday instead of on a Tuesday as has always been customary, is being considered by college officials and will doubtless be approved within a few days. The idea originated with members of the alumni association who feel that more former students will be able to return for their class reunions on a week-end rather than take several days away from their business activities at the beginning of the week.

According to a program that has been proposed, college will close as usual on Friday of the second week in June, commencement activities beginning that evening. Special alumni features will be held on Saturday, the Baccalaureate to the graduates following on the next day. The Seniors will hold their class day exercises on Monday, and be graduated on Tuesday. Graduation exercises in the past have always been held on Wednesday, so that the new plan will curtail one day from the usual six day celebration. The faculty administrative board now has the matter under consideration, and it is expected to be approved.

Money and Credit. The unsettlement of foreign exchange has bred a considerable contempt for foreign currency in the minds of certain Americans. The American father of one Yank who had stayed in France to "clean things up" had established a generous line of credit for him. Friend Son began to hit things up rather hard, and in consequence the father received a cablegram reading: "Your son's account already overdrawn one hundred thousand."

To which he cabled back to the bankers: "If you mean dollars, send him home; if you mean pounds, tell him to be careful; if you mean those funny little things, let him have all he wants."—American Legion Weekly.

Killed on the Railroad.

J. Budd Cowher, a native of Worth township, this county, was struck by a train and instantly killed near Altoona on Saturday morning. Cowher lived in Juniata and worked as a yard brakeman. He was on his way to work and probably became confused, was struck by train No. 95 and hurled some distance. His skull was fractured and legs and body crushed, so that death was evidently instantaneous. He was a son of Mr. and Mrs. Jacob Cowher and was born in Worth township in 1879, hence was forty-one years old.

He had been in the employ of the railroad company a number of years, first as a timekeeper, then in a clerical position and since October 19th as a brakeman. He never married but is survived by his father and several brothers and sisters. The remains were taken to his old home in Worth township and burial made in Black Oak cemetery.

Killed on Railroad Crossing.

Harvey E. Bartholomew, a well known citizen of Lewisburg, was killed on Thursday on what is known as Mensch's crossing on the Lewisburg branch of the Pennsylvania railroad, about a mile west of Millburg, when his automobile was hit by passenger train east. Engineer Theodore Cherry, of Bellefonte, was at the throttle when the accident occurred. There is an unobstructed view of the railroad at the point where the accident occurred and the only explanation is that Mr. Bartholomew evidently believed that he could beat the train over the crossing, but the locomotive struck the rear-end of his car, completely wrecking it. Mr. Bartholomew was thrown quite a distance and killed instantly. Engineer Cherry and the train crew were exonerated of all blame for the accident.

American Legion News.

The regular meeting of the Brooks-Doll Post No. 33, American Legion, will be held in the court house next Tuesday evening, December 7th, at 8 o'clock. Nominations will be made for new officers for the year 1921. The dues for the coming year should be paid this month to enable the post finance officer to pay the national and state dues promptly on the first of the year. Those members who have already paid their 1921 dues may receive their 1921 cards at this meeting.

State Forestry Newslets.

District Forester F. H. Dutilinger, of Renovo, has constructed a telephone line on the Snow Shoe division of the Sprout state forest in Centre county. The new line gives him direct service with the forest ranger at the head of the west branch of Big Run, sixteen miles from Renovo.

According to District Forester Morton, of the Logan state forest, the heaviest and most damaging snow and ice storm in recent years occurred last week on the Bear Meadows division. The roads were blocked by fallen and broken trees and the forester's department's entire telephone system through the forest was wrecked. Poles were broken down and the wires severed in scores of places.

Forester Morton expects that more deer hunters will be in his district this season than ever before. Many sportsmen went to their permanent camps late last week in preparation for the season's opening.

When the members of the Metz camp went to their cabin at the foot of Tussey mountain, near Barree, they found it had been dynamited. One end of the stone structure had been completely demolished by the explosion. The damaged portion has been rebuilt, and the club members have offered a reward of \$150.00 for information that will lead to the arrest and conviction of the guilty persons.
