Announcement has been made this week by Maurice Baum of his intention to erect in the near future a new theatre at State College which will have a seating capacity of twelve hundred people and facilities for doubling its size if the demands warrant it in the future. This announcement followed close upon another announcement that he had disposed of the State College store of Sim the Clothier to H. L. Long, of Karthaus, who took charge early in December, though the change was not officially announced until the beginning of the new year. Mr. Long was formerly an employee in the bank at the College though the past year he has spent at Karthaus. At present the store is in charge of Ben Meek, but Mr. Long eventually guests. expects to take charge of it himself.

-Billy Watson's musical comedy production "Krausmeyer's Alley" which comes to the opera house next Wednesday, January 12th, is said to be a most pretentious one and is described as the "musical hit" of the year.
