Bellefonte, Pa., February 4, 1921.

## NEWS ABOUT TOWN AND COUNTY.

The matrimonial market in Centre county was way under par this week, as not a single marriage license was taken out.

Don't forget the card party for the benefit of the public health work, February 8th, at the Elks. Go early and take your friends.

The condition of Wells L. Daggett, who has been quite seriously ill at the Bush house, within the past week, is very little improved.

The scarcity and high price of coal this winter has resulted in many persons buying firewood from the state forests in Centre county.

Miss Susan Ohnmacht, who has been ill for several weeks at the home of Miss Jennie Morgan, of Logan street, continues to be in a very critical condition.

Thomas Gorman, who escaped from the western penitentiary at Rockview last August, has been captured at Sayre, Pa., on a charge of burglarizing a store.

Bellefonte is to have an Uncle Tom's Cabin show, Kibbell's big aggregation being booked for the opera house on Wednesday, February 23rd. A school children's matinee will be given in the afternoon.

Lewis Zimmerman, of Hecla, is getting his papers in readiness to make application to the Public Service Commission for a certificate of public convenience to operate a motor bus line between Bellefonte and Lock Haven by way of the Bald Eagle valley.

The "Watchman" this week publishes the first installment of a new serial, "The Shadow of the Sheltering Pines," by Grace Miller White. She is a writer of more than ordinary ability and this, one of her latest stories, is thrillingly interesting from beginning to end. Read the opening installment and we know you will anxiously watch for the next.

Announcement was made recently by Mr. and Mrs. A. Carson Stamm, of Harrisburg, of the engagement of their daughter, Miss Maude Bullock Stamm, and Alan Prescott Tappan, of Mansfield, Ohio. No date has been set for the wedding, though it is expected to take place during the spring or early summer. Miss Stamm is a graduate of Vassar College, class of 1918, and Mr. Tappan is a member of the 1917 class at Cornell.

The Centre county auto show will run just one week but the scenic will be open all the time, every week and every evening in the week except Sunday. It offers a line of amusement such as can be found nowhere else in Bellefonte. Its big programs of motion pictures are the best and latest obtainable and include such a wide variety of subjects that they cannot fail to please all who attend. Movie fans cannot afford to miss any of them.

Mrs. Margaret Meek, who makes her home with her daughter, Mrs. W. R. Gilliford, in Altoona, quietly celebrated her eightieth birthday anniversary last Thursday. Mrs. Meek's maiden name was Margaret Keichline and she was born at Boalsburg, Centre county, being a sister of John M. and Peter F. Keichline, of Bellefonte. Mrs. Meek at present enjoys very good health, and despite her advanced years is a regular attendant at the revival services being conducted in the First Methodist church, Altoona.

Bell's famous Hawaiians, the great musicians and dancers, will be at Garman's opera house Monday, Tuesday and Wednesday, February 7th, 8th and 9th. Princess Lei Leihana, Hawaii's most graceful dancer, will dance the "golden hula," in addition to their wonderful musical program. There will also be shown, all for one price, Dorothy Phillips, in "Once to Every Woman," a super-feature photoplay, making a fine evening's entertainment. Program changed nightly. See advertisement elsewhere.

According to a report in last week's Donora American J. Fred Noll, son of Mr. and Mrs. Charles T. Noll, of Bellefonte, was a prominent member of an amateur minstrel organization that gave three performances last week for the benefit of Ernest E. Jobs Post, American Legion. The first performance was given on Wednesday night and when it was time for the curtain to go up it was discovered that Fred was absent. Hurry calls were sent in all directions but before the situation became critical the missing member arrived and explained the delay by announcing that a new boy had just arrived at his home and of course he had to be there to bid him welcome.

While up to the present time no lease has been made of the Brockerhoff house one thing is quite sure, and that is when it is taken in hand by somebody it will be a very much improved house. Workmen have been engaged there for almost two months now paper hanging and fixing up the interior generally. Several additional private baths will be installed and some very decided improvements made. As planned now the furniture on the first floor will be used to furnish the rooms on the floor above, while the rooms on the first floor will be newly furnished throughout. The office has also been repainted and papered and presents a much improved appearance.

## MANY FINE CARS DISPLAYED At Centre County's First Big Auto Show in Bellefonte Armory.

Automobile dealers in Centre county have done themselves proud this week by the character of their display at the big auto show in the Bellefonte armory, conceived and managed by Major Eugene H. Lederer, of State College. All told the exhibit included twenty-three cars, a half dozen trucks, two tractors, tires and auto accessories and the complete State College exhibit on farm motors, tractors, etc. In this exhibit were cars of all prices, from the nominal priced Ford to the pretentious Roamer which sells for \$4,975.

In fact included in the list of cars on exhibit are the Dodge, Buick, Columbia Six, Franklin, Ford, Reo, Haines, Nash, Chandler, Hupmobile, Marmon, Studebaker, Willys-Knight, Roamer, Oldsmobile, Chevrolet, Gardner and Maxwell. There were also Ford trucks, White trucks, Buick and Gram-Bernstein trucks, as well as the Fordson and Cletrac tractors.

Exhibitors included C. E. Snyder and Henry M. Myers, of State College; Frank A. Beals, Philipsburg; Boozer & Smith, Centre Hall; Empire Auto Co., Altoona; George A. Beezer Wion's garage, Beatty Motor Co., the Krader Motor Co., S. H. Poorman, the Emerick Motor Bus Co., of Bellefonte; the Pleasant Gap garage, with a line of supplies; the Allentown Rubber company, tires, etc., and the Penn State College.

Wion's garage has on exhibition the new model Franklin, which is an especially classy car. The hood is so entirely different from the old models of this car that the change is particularly pronounced. The Roamer is perhaps the most showy car in the entire exhibit, but it is also in a class by itself when it comes to the price. All the cars are standard makes and it is mostly a matter of taste with the purchaser.

The show opened last Saturday and as an added attraction of the opening day music was furnished by the Cadet band of the College. Every day this week there has been music by either a band or an orchestra, and this, of course, helped to draw the crowd. All in all, it has been a very creditable show, and if an attempt is made to hold another one next year it will probably draw larger crowds.

## The County Conservation Association is Getting Under Way.

The directors and standing committees of the Centre County Conservation Association met in the Bellefonte club, in this place, yesterday afternoon and the number in attendance from all parts of the county gives assurance that the new organization will soon be functioning in all of its departments for the conservation of the forests, wild life, and flowers of the county.

The annual convention of the Association is to be held in the court house in this place on June 17th next. A committee of arrangements was appointed and the plans are to make it a gathering of importance to the town and county. Eminent speakers will be here.

Resolutions were introduced by Mr. Miller, of Millheim, putting the Association on record as favoring a simplification of the game laws through making the open season for all small game in November and large game, including bear, in December and opposing the proposed change that would compel a hunter to see two prongs on a buck before legally shooting it.

Other matters of importance were discussed and will be more fully covered when the full proceedings are published.

Among those present were: Messrs. Gramley, Miller, Stover and Shelton, from Millheim; Messrs. Snyder, Morgan, Gilliland, Knapper and O'Brien, from Snow Shoe; president Ralph Smith, from Sandy Ridge; Frank Fisher, Centre Hall; former sheriff Arthur B. Lee, from Spring Mills; Dean R. L. Watts, Prof. J. A. Ferguson, Richard Harlow and John S. Dale, State College; Messrs. Mayes and Lucas, Howard; Thos. F. Harter, Dr. H. M. Hiller, Miss Anne Valentine, Miss Mary H. Linn, Prof. Arthur Sloop and Geo. R. Meek, Bellefonte.

## Boalsburg Man Wants Damages for Broken Automobile.

C. A. Isenberg, a contractor of Boalsburg, this county, has brought an action in trespass in the Blair county court to recover damages to the extent of \$600 from Sabatina Cauci for alleged injury to person suffered as the result of an automobile collision which he claims was the fault of the defendant. The plaintiff avers that on October 17th, 1920, as he was driving his car along the public highway near the Lewisburg railroad bridge not far from Tyrone, his car being occupied by himself, Harry N. Musser and Mrs. Cyrus Bathurst he met Cauci driving a car in the opposite direction, and that the latter, driving in a wild and reckless manner, collided with his car, tearing off the left front wheel, breaking the springs, twisting the frame, smashing the radiator, breaking the windshield, scarring the body and rendering the motor useless. The plaintiff sues for being deprived of his car and loss due to depreciation in value.

Through the "Watchman" the Sheffer family are desirous of thanking their many friends in Bellefonte for the kindness shown them during the illness and death of their sister, Miss Kathryn Sheffer.

The officers and directors of the Centre County Conservation Association met in the Bellefonte club in this place yesterday afternoon to complete the organization of the association. President Ralph Smith, of Sandy Ridge, presided. The organizers have been working hard to get the association going and, at last, their efforts appear as if they would be successful.

Sechler & Co's grocery store in this place is for sale. It is the oldest grocery establishment in Bellefonte and should prove a business opportunity of great profit to any one interested in that line of business. The store has enjoyed a unique reputation for quality and fair dealing and its location is admirable for the large grocery trade originating in the western section of the town. For those who could put aggressive management into it this store seems to us to offer unusual opportunity.

The "Watchman" is in a position to inform those who were interested in the announcement of the sale of the Washington furnace lands at Lamar, which was made exclusively in this paper last week, that the new owners, the Rochester and Pittsburgh Coal and Iron Co., do not intend to cut it at present. They bought it as a reserve supply of mine props and ties and expect to draw on it only when their present supply is exhausted and they do not anticipate using the new property for ten or fifteen years.

Just about a year ago Catherine Gross, the young daughter of Mr. and Mrs. Edward Gross, fell and broke her hip and as a result was confined to the Bellefonte hospital for some weeks, but in due time recovered. This winter she has been going to school, a student in the fourth grade taught by Miss May Taylor. On Wednesday morning she was walking through the corridor of the High school building and in front of the director's room slipped on the wet floor, fell and broke her other leg. As quickly as possible she was removed to the Bellefonte hospital where every attention is being given her.

Some rather pronounced changes have been made in the State-Centre building on High street. Two partitions have been put in the rear end of the building, cutting off the State-Centre offices from the electric supply store, which occupies the front and main part of the room. The State-Centre portion of the room is also divided into two parts, the front being the main office and the rear the private offices. And now when patrons of the company go in to pay their bills they step up to a window and quietly hand the money through. But if your business is of a private nature you are invited to enter the door and escorted to the rear room.

On Tuesday afternoon as the Lehigh-Pennsylvania train passed through Howard the agent observed two young men riding blind baggage, and he promptly notified the Tyrone office. That office in turn notified the dispatcher in Bellefonte, requesting him to have an officer on hand to arrest the men. Officer Yergler was summoned and when the train backed into the station the free riders were invited to get off, which they did, and were promptly taken into custody. They were taken before Squire Woodring where they stated that their homes were in Pittsburgh, but they had been working in a hat shop in Philadelphia. Being thrown out of work and having little money they had deadheaded it this far on their way back to Pittsburgh. They were each sent to jail for five days.

On page five of this issue of the "Watchman" will be found the announcement of the showing of Charles Chaplin in "The Kid," at Pastime theatre, State College, on Thursday and Friday, February 10th and 11th. If you think it strange you have heard nothing of this great comedy—it is not strange at all—for in keeping with their policy of showing pictures in advance of other places, this picture will be shown there in advance of Pittsburgh, Philadelphia and New York city. It is the first six reel comedy Charlie has ever appeared in. He spent one entire year in making it and in it packed another year of laughs. For February 14th and 15th they announce the showing of the famous Continental star, Pola Negri, in a mighty screen epic, "Passion," which is having its premier showing next week at the new Stanley theatre, Philadelphia.

On Wednesday Mr. John B. Payne, who is in charge of the High school vocational work in Centre county, brought to this office an exhibit of four apples he secured at the state farm products' show in Harrisburg last week, and after looking them over we came to the conclusion that York county growers, where the apples came from, are entirely deserving of the many prizes awarded them at the show. Three of the apples in the exhibit are of the Delicious variety, and although we haven't yet tasted them, we have the assurance of Mr. Payne that they are just as palatable as the name would indicate. They are large and smooth and a beautiful dark red in color. Then there is one apple known as the York Spot, which is a combination of the York Stripe and Gano. To secure the combination the grower grafted a portion of the bud of a Gano into a bud of the York Stripe, and the result is an apple of two distinct colors, and perfectly marked as to outline. It is also said to be of a very delicious flavor.

## The Parker-Keller Wedding.

The wedding of Miss Eleanor S. Parker and Henry Keller Jr. will take place at the home of the bride's parents, Mr. and Mrs. G. Ross Parker, corner of Spring and Howard streets at noon tomorrow. The ceremony will be performed by Dr. W. K. McKinney, of the Presbyterian church, and the attendants will be W. Frederick Reynolds Jr., and the bride's sister, Miss Mary Charlotte Parker, as maid of honor.

Following the ceremony a wedding breakfast will be served to the bridal party and guests, about forty in number, including members of the immediate families and very close friends of Miss Parker and Mr. Keller. Mr. and Mrs. Keller will leave the same day for Madison, Wis., where Mr. Keller is an instructor in agriculture in the Wisconsin State College.

The bride is the eldest daughter of Mr. and Mrs. Parker and has lived all her life in Bellefonte. She is a graduate of the Bellefonte High school and also of Wilson College, class of 1919. Following her graduation at the latter place she taught history one year in the school at Atlantic Highlands, N. J. Mr. Keller is the second son of Mr. and Mrs. Harry Keller, of Bellefonte, a graduate of the Bellefonte High school and The Pennsylvania State College. He saw front line service in France, having gone out with Troop L, trained at Camp Hancock, where he won a lieutenant's commission in the officer's school, and was wounded in the battle of the Marne, incapacitating him from further service.

Preliminary to tomorrow's wedding a pre-nuptial dinner was given by Mr. and Mrs. Harry Keller at the Country club on Wednesday evening and Thursday evening Col. and Mrs. W. Fred Reynolds gave a dinner in honor of the young people.

Whalley—Willard.—Mr. and Mrs. D. I. Willard received a telegram yesterday morning announcing the marriage of their daughter, Miss Vera M. Willard, to Daniel George Whalley, of Denver, Col., the wedding having taken place in that city at four o'clock on Wednesday afternoon. The officiating minister was Rev. Dr. David Uter. Miss Willard has been a professional nurse in government service for three years and one month, first doing duty at the government hospital on Long Island. Fifteen months ago she was transferred to the Fitzsimmons General hospital, Denver, and has been located there ever since, resigning only a few days ago because of her marriage. Mr. Whalley is a native of Denver and is superintendent of a large bakery in that city. The young couple will forego the pleasure of any extended wedding trip but go to housekeeping at once in that western city.

Shope—Blair.—Harry Shope, son of Mr. and Mrs. W. Reynolds Shope, of Bellefonte, and Miss Ruth Blair, daughter of Mr. and Mrs. John Blair, of Fillmore, were quietly married at the United Brethren parsonage in this place, at one o'clock last Friday afternoon by the pastor, Rev. George E. Smith. They left on the Pennsylvania-Lehigh train on a wedding trip east and upon their return will take up their residence in Bellefonte, the bridegroom being associated in the lumbering business with his father.

Stewart—Barto.—Blanchard Stewart, of Tyrone, and Miss Emma Barto, of Pennsylvania Furnace, were united in marriage at Tyrone last Saturday. They spent the early part of the week at the home of the bride's mother, Mrs. Emma Emigh, where a wedding supper was served the happy young couple. They will make their home in Tyrone, where Mr. Stewart has a good job in the paper mill.

## House Hunting Big Problem in Bellefonte Just Now.

Every spring non-property owners in Bellefonte are up against the proposition of getting a place to live in the ensuing year, not counting the increase in rents, etc., but this year the situation appears to be worse than usual. About every third man or woman one meets nowadays is house-hunting. Not that houses are any scarcer than they have been in Bellefonte, but a few new families have come in and a number of properties having been sold necessitates many changes. And, of course, the increase in rents is another thing that is forcing some people to move. And most of the movers are looking for a house with all modern improvements and at the same time they used to pay for most any kind of a home, and it can't be had.

Of course if there were more houses in Bellefonte than there are people to fill them, it might make a difference, but with more people than there are houses, the situation is naturally acute. And with the cost of building so high men who might build houses are not expending their money that way, because the returns do not justify it.

Just about a year ago the Business Men's association considered the proposition of embarking in the real estate business and building enough of houses to meet the demand, but when they figured the cost and the ultimate income the scheme was dropped. A few new houses have been built during the past year but there have not been enough to relieve the situation and how everybody is going to get properly located is like working out a Chinese puzzle.

## James Hazel Hurt in Motorcycle Accident.

Failing to observe the sharp curve in the state road at the Griffith property this side of Axe Mann, James Hazel, on his way to Bellefonte last Thursday evening on a motorcycle with side car, ran down over the bank and into Logan's branch, when the machine stopped and Hazel was pitched head first across the creek, landing on a stone pile at the foot of the railroad embankment.

It is not known definitely what time the accident happened but Mr. Hazel lay unconscious where he was thrown until probably 8:30 o'clock when David Barlet Jr. and J. M. Showers drove out the state road and saw the motorcycle in the creek. They stopped to investigate and finally discovered Hazel, all covered with blood and unconscious. They got him up onto the railroad when he regained consciousness to a certain extent and was able to walk to the nearest house. He had a bad cut on the top of his head and after applying bandages Barlet and Showers brought him to the Bellefonte hospital where a physician dressed his injuries. These did not prove very serious and on Friday he was able to leave the hospital and go to the home of John T. Hazel and family, on east Lamb street.

## Bush House Cigar Store Changed Hands.

W. Homer Crissman last week purchased the Bush house cigar store from James Caldwell for his son, Luther Crissman, who will conduct the same in the future. The new owners took charge on Saturday. Mr. Caldwell will now devote his entire time to The Bon Mot store, next door to the "Watchman" office. The cigar store is one of the best stands in Bellefonte and if the new owners give it close, personal attention there is no reason why it should not prove a good investment.
