Council to Enforce Payment of Taxes and Moneys Due Borough.

Bellefonte borough council seems to have finally wakened up to the fact that it is not good business to conduct the borough affairs on borrowed money with thousands of dollars due and owing the borough in unpaid taxes and prompt measures are to be taken to enforce payment.

Seven members were present at the regular meeting of council on Monday evening. Mrs. John N. Lane was present and presented a claim for errors in the water tax assessment for 1919 on her property on High street.

A committee of the board of trustees of the United Evangelical church, with S. D. Gettig Esq., as spokesman, was present and presented the claims of that congregation for a crossing over the deep gutter on the north side of the street opposite the church.

When the state highway was built on Willowbank street they did not put in a crossing opposite the church for the reason that a regular driveway crossing was provided at the alley going into C. Y. Wagner's property a little west of the church, and it was the supposition that this would be sufficient.

The street committee reported various repairs on the streets as well as the receipt of forty dollars for sewer permits and seven dollars from the postoffice for resetting mail boxes.

The Water committee presented the report of the borough manager which included the collection of \$228.73 on the 1920 water duplicate and \$1346.15 on the 1919 duplicate with two dollars fine for turning the water off and on one party to enforce payment.

The Fire and Police committee reported the sum of \$158.62 received from the burgess for license collected up to March 15th.

The Finance committee presented the report of the borough treasurer which showed a balance due him on April first of \$1286.08. The committee also presented the treasurer's request for the renewal of notes for \$2,000, \$1,100, \$600, \$1,000, \$630, \$1,000 and \$7,000, all of which were authorized with orders to pay accrued interest on same.

The committee also presented the following resolution: Resolved, That the Finance committee is hereby instructed to direct the borough solicitors to enforce payment by whatever legal process may be necessary of all tax liens filed against various property owners.

The resolution passed without a dissenting vote and the question of collecting the tax liens is now up to the borough solicitors. As was stated in this paper some weeks ago there is still due the borough from property owners on the construction of Water and Willowbank streets upwards of three thousand dollars and for the purpose of taking steps to collect this money the Finance committee introduced the following resolution which was also passed without a dissenting vote.

Resolved, That the Finance committee is hereby instructed to inform the borough solicitors and to direct them to immediately proceed to collect all unpaid assessments due from property owners for the improvement of Water and Willowbank streets heretofore made, under contract with R. B. Taylor, said improvements extending from the intersection of High and Water streets to the borough line on Willowbank street, and for the said purpose, if necessary, to file liens against the said property owners along the line of said improvements and proceed to have such liens reduced to judgments, and if necessary, to collect such judgments by adverse process, and to take such steps as may be necessary to enforce the collection from various property owners of the amounts due for such improvements.

The Street committee presented a resolution empowering the State Highway Department to resurface the state highway on Bishop, Allegheny and Linn streets, the borough's share of the expense of which is approximately \$1182.34. The resolution passed council and was sent to the burgess for his signature.

Secretary W. T. Kelly reported that he had communicated with Supt. Johnson relative to the lights at the Pennsylvania railroad crossing and that the superintendent had issued instructions that the lights were to be kept burning until four o'clock in the morning.

Mr. Harris called attention to the accident to Bill Doak which resulted in his death and suggested that something ought to be done to prevent car owners backing out of garages in a reckless manner. Other councilmen suggested communicating with the owners of garages as to the practice, as it was their belief that said owners would cooperate in every way possible to prevent accidents.

Mr. Harris also called attention to the fact that the drivers of the aviation field truck pay little or no attention to the traffic regulations, but speed up Bishop street with the cut out open without any regard to the people on the street or living along that thoroughfare. He also stated that very little regard was paid to traffic regulations by half the drivers of cars in Bellefonte. The matter was referred to the Fire and Police committee with instructions to work out some plan to enforce the traffic ordinance, no matter who it hits.

Mr. Cunningham, of the Water committee, stated that James R. Hughes had submitted a proposition to lay a water pipe from the borough main out to his swimming pond on Hughes field, and a six inch sewer pipe for the purpose of draining the pond, from the pond down to the borough sewer, and asked council's endorsement of the plan. Council voted to grant him permission to carry out his project, subject, of course, to the fact that any use of water for filling his pond be made under the direction of the Water committee, and when it will not interfere with the town's supply.

Bills to the amount of \$2123.30 were approved for payment and council adjourned.

Offered to Sell Children to Get Food to Eat.

The Philadelphia North American on Sunday contained a three column story written by George M. Henry, a staff man, on an offer made by Mrs. J. T. Martin, of Clarence, this county, to sell her two little girls in order to obtain money with which to buy food for the rest of her family of nine children. The offer was made in a letter to the North American and scented a good story Mr. Henry was sent up from Philadelphia to investigate.

Of course, having gone to the trouble and expense of coming from Philadelphia to Centre county to get the story of Mrs. Martin the reporter felt impelled to make a good story out of it and he did. So good in fact that any one reading it would doubtless think Mrs. Martin and her children are on the border line of starvation, when the fact is that they are no worse off than many families to be found in the coal regions throughout Pennsylvania.

Mrs. Martin is a Lithuanian and her husband was a Russian, his real name being Martinkuski, but the "kuskuski" was dropped after he became Americanized. The family lived at Hazleton until 1917, when they moved to Clarence where the father worked in the coal mines until his death with influenza, in the fall of 1918. Mrs. Martin's three oldest children are boys and the eldest was working in the mines at the time of his father's death and since then the two others have worked in the mines and supported the family until the mines closed down several months ago.

Since then the family has had very little income and according to Mrs. Martin would have starved had it not been for the groceries and other things furnished by Oscar Harm from his store in that place. Inquiry, however, discloses the fact that various other people of Clarence have been supplying Mrs. Martin and family with various things and that the family is not in such dire distress as the North American writer pictured it.

Mr. Henry, the writer of the article, came to Bellefonte last week and had John Davy take him out to Clarence in his car and his preliminary comments on the trip are as follows:

"Arriving at Centre county's metropolis, the traveler is impressed with the sincerity and friendliness of the place, its sensible, thrifty people. No Fifth avenue styles are evident on Bellefonte's streets, even when the people congregate from miles around to see the one-night 'show' that has just arrived. Clarence is about a mile away from Snow Shoe.

"All right," says Davy, one of Bellefonte's auto livermen, "we can get to Snow Shoe in about 13 hours and back in the same time. I gotta get back quick, anyhow, because I'm gonna be initiated into the Moose to-night."

"The ride by automobile from Bellefonte to Snow Shoe is exquisite from a scenery point of view, but torture for the man who has to buy the gasoline necessary to negotiate the steepest of Centre county's mountains and the rottenest of Centre county's roads. On the way one or two tiny hamlets are to be seen. A half dozen houses grouped about a little church with a little steeple and a little school house with a little bell, such places looked for all the world like some little settlement in some far-off foreign land. No signs of life. Eight o'clock and almost dark. All the farmers are abed.

Finally Snow Shoe is reached, its main street aslant on a hill, and its homes and stores, a dozen or more of each, sliding off to either side of the incline. The general store open and humming with town gossip and pulsing with the sensation attending the arrival of a strange automobile and a visitor in city clothes. From Snow Shoe to Clarence, nature seems to have been stricken with sleeping sickness; no budding trees, no rippling brooks, nothing but a dirty road and dirty houses."

Public Card Party. A card party to which the public is invited will be held in the Elk's club, on Tuesday evening, April 26th, at 8 o'clock.

An admission charge of 50 cents will be made for the benefit of the China famine fund. Refreshments will be served.

DOAK.—William Doak, the deaf and blind man who has been such a well known character on the streets of Bellefonte the past twenty years, died in the Bellefonte hospital on Sunday morning as the result of the injuries sustained when he was knocked down and run over by an automobile being backed out of Wion's garage last Thursday morning by M. J. Davis, a traveling man of Johnstown. At first it was not believed that Bill was seriously injured, and in fact he was apparently getting along nicely until Saturday night when he became much worse and his death on Sunday morning was caused by internal hemorrhages.

Deceased was a son of Robert and Laura Doak and was born in Bellefonte on August 11th, 1881, hence was in his fortieth year. As a child he was perfectly normal and unusually bright but when nine years old was terribly burned in a fire caused by playing with matches and this left him totally deaf, while total blindness followed in a few years. Notwithstanding his awful affliction he was possessed of a bright intellect and through the generosity of the late F. W. Crider was educated at Mt. Airy college. He learned the trade of a cobbler and worked at the bench in Tyrone until overtaken by blindness. Returning to Bellefonte he engaged in the selling of lead pencils, shoe strings, etc., on the streets of Bellefonte, and in that way made a little money which helped out in his support.

But he always thirsted after knowledge and in the fall of 1919 Miss Reickert, a home teacher of the blind, came to Bellefonte and taught him the Braille system, finding him a very apt pupil. For a number of years past he had made his home with Mr. and Mrs. William Fredericks but arrangements were being made to teach him broom making and chair seating so that he could be self-supporting when he met with his unfortunate accident.

Bill is survived by two sisters and a brother, namely: Mrs. Lloyd Reacker, of Evansville, Ind.; Mrs. Carrie Metzger, of Lock Haven, and John Doak, with the Western Union Telegraph company at Wauseon, Ohio.

Funeral services were held at the Fredericks home at 1:30 o'clock on Tuesday afternoon after which burial was made in the Union cemetery.

Thirty-five years ago she was united in marriage to Mr. Chaney at Milesburg and two years later they took up their residence in Tyrone, where they have lived ever since. In addition to her husband she is survived by three children, Edward, of Canton, Ohio; Alexander, of Portland, Oregon, and Mrs. Winifred Barnhart, at home. She also leaves the following brothers and sisters: Rev. Charles Biddle, a retired Methodist minister, of New Millport; Rev. Fletcher Biddle, of Renovo; Rev. Edward Biddle, of Tyrone; LeRoy, of Beech Creek; Highland, of Osceola Mills; Mrs. Samuel Coulter, of Homestead, and Mrs. Laura Thompson, of Brooklyn, N. Y.

She was a member of the Methodist church and Rev. A. S. Fasick had charge of the funeral services which were held at 1:30 o'clock on Saturday afternoon, burial being made in the Grandview cemetery, Tyrone.

She was a daughter of Peter B. and Elizabeth Perdue Gray and was born in Halfmoon valley in 1840, hence was about eighty-one years old. She was married to George Leidy Wilson, of Salona, in 1861, and they made their home at Salona until 1884 when they moved to Williamsport. Burial was made in Williamsport on Monday.

Burial was made in the Advent cemetery on Monday.

STRAWCUTTER.—Mrs. Mary Strawcutter, wife of David Strawcutter, of Beech Creek, died at the Bellefonte hospital last Saturday, to which institution she had been brought eleven days previous for treatment for heart trouble. She was a daughter of John and Hettie Steiner Gillman and was born on April 12th, 1861, hence was 60 years and 4 days old. The remains were taken to Blanchard where burial was made on Monday.

In addition to the parents one brother and two sisters survive, namely, Raymond, Helen and Margaret. Rev. M. C. Piper had charge of the funeral which was held on Monday, burial being made in the Shiloh cemetery.

LEMON.—Bellefonte friends of Capt. and Mrs. John A. Lemon, of Gatesburg, sympathize with them in the loss of their only child, Clarence Lemon, who died very unexpectedly at his home in Monessen, Pa., last Friday evening. He had been at work as usual on Friday and early in the evening experienced an acute attack of heart trouble which caused his death at ten o'clock that night.

A son of John and Anna Grazier Lemon he was born at Gatesburg on July 17th, 1872, making his age 48 years, 8 months and 28 days. As a boy he attended the public school at Gatesburg and when sixteen years of age entered The Pennsylvania State College. He did not finish his course, however, but left college to go to work. About twenty years ago he located at Morgantown, West Virginia, where he engaged in the hardware business. In 1915, he moved from Morgantown to Monessen where he followed the same business for three years then accepted a position as traveling salesman for the Potter-Hoy Hardware Co. of Bellefonte, though he continued to make his home at Monessen. Last winter he resigned his position with the Bellefonte firm to accept a similar job with a large Philadelphia hardware company, his territory being western Pennsylvania, and had already built up a large clientele of customers when so suddenly stricken.

He was a thirty-second degree Mason, being a member of Union Lodge, No. 4, of Morgantown, West Virginia. He was also a member of the Lutheran church from boyhood and a man who had the confidence and esteem of all who knew him. He was a member of the Roosevelt hunting club of Gatesburg and every fall managed to spend at least a portion of the season on the trail for deer.

On March 25th, 1896, he was united in marriage to Miss Sadie F. Miller, a daughter of Mr. and Mrs. John Miller, of the Glades, who survives with two children: Bernard, in the U. S. marines, and Miss Helen, at home. He also leaves his parents, Capt. and Mrs. Lemon, living at Gatesburg. The remains were brought to Centre county on Sunday and taken to the Lemon home at Gatesburg where funeral services were held at ten o'clock on Tuesday morning. Rev. A. M. Lutton had charge of the services and was assisted by Dr. R. M. Campbell, of Pennsylvania Furnace, and Rev. Isaac Kreider, of Duncansville. Burial was made in the Lutheran church cemetery.

NOLAN.—Thomas Brew Nolan died at his home in Washington, D. C., on Wednesday at the age of 79 years, 6 months and 10 days.

Deceased was a son of Luke and Bridget Nolan and was born in Pittsburgh, October 9th, 1841. When a child his parents moved to Bellefonte and here Thomas grew to young manhood. When the late P. Gray Meek came to learn the newspaper business he found young Nolan in the same pursuit in this office and the friendship they formed as boys and embryo printers ripened into the greatest admiration, one for the other, that lasted throughout their long and checkered lives.

Shortly after the outbreak of the war Tom went to Harrisburg to work at his trade and while there enlisted in the general service of his country, later being withdrawn from the army and assigned to duty in the printery of the War Department. So efficient was his service that he remained in the War Department until February of this year when he was retired because of enfeebled health.

He is survived by his wife, who was Miss Angie McCullough, of Pittsburgh, and one son, Thomas Jr., who was graduated from State College several years ago.

No word had been received here yesterday as to when or where burial will be made. His parents are buried here, but he may have elected to be laid with his comrades in Arlington.

Wright, and she was born in Adams county about seventy years ago. All her married life, however, was spent in Unionville where she was well and favorably known. She was a member of the Society of Friends and a most charming woman in every way. She is survived by her husband, who has been an invalid for a number of years; one son, Dr. Edward W. Russell, living in Maine, and one sister, at Unionville. Funeral services will be held at her late home at two o'clock this (Friday) afternoon by a minister of the Society of Friends, after which burial will be made in the cemetery west of Unionville.

Eckenroth and daughter Elizabeth, of Bellefonte, and Mr. and Mrs. W. H. Baird, of State College. Burial was made in the Fairview cemetery at Northumberland.

Her only survivor is her one brother, Jacob Warren Ingram. Funeral services were held at the Ingram home at ten o'clock on Saturday morning by Rev. R. M. Campbell D. D., LL. D., after which burial was made in the Graysville cemetery.

Mr. Keen had been living retired at the Gap for several years past and on Thursday worked in his garden. Thursday evening his son Chris came down from Port Matilda and spent the night at home. Friday morning Mr. Keen got up a little earlier than usual and shortly thereafter complained of not feeling very good. He walked out and stood on the porch for a few minutes, then entered the house and sat down in a chair. He had only been there a minute or two when his head fell to one side and he expired almost instantly.

He was a son of Jacob and Mary Deiningner Keen and was born in Penn township on March 30th, 1853, making his age 68 years and 16 days. As a young man he engaged in farming, an occupation he followed all his life and in which he was quite successful. He was a member of the Methodist church for thirty-five years and had been one of the pillars in the Pleasant Gap church. He was a lifelong Democrat and one of the staunchest supporters of the party and its principles to be found in the county. He never aspired to public office but his vote and his influence could always be counted upon.

He was united in marriage to Miss Arabella A. Wagner who survives with the following children: Herman A. Keen, of Nittany; William, of Bellefonte; Christ, of Port Matilda; Henry, of Lock Haven; Mrs. William Sholl, of Bellefonte; Mrs. Clayton Reish, of Allentown, and Mrs. Edward Mulfinger, of Pleasant Gap. She was a daughter of Tony and Frances Julianna and was born in Italy fifty-two years ago. She came to this country with her husband twenty-three years ago and had been a resident of Bellefonte, most ever since. She is survived by the following children: Mrs. Samuel Chick and Mrs. Charles Nelo, of Bellefonte; Jessie, Joseph, Nicholas and James, all at home.

Col. Bob Maxe's Tribute to Water.

At a meeting of the Arkansas Bar Association some years ago Col. Bob Maxe, who was known to be very, very wet, was called upon to toast "Water" at the banquet that closed the meetings of the association.

As in every oratorical emergency the Colonel arose to the occasion with the following tribute:

"Mr. Toastmaster, Ladies and Gentlemen: You have asked me to respond to the toast 'Water,' the purest and best of all the things that God created. I want to say to you that I have seen it glisten in tiny tear drops on the sleeping lids of infancy; I have seen it trickle down the blushing cheeks of youth, and go in rushing torrents down the wrinkled cheeks of age. I have seen it in tiny dew drops on the blades of grass and leaves of trees, flashing like polished diamonds when the morning sun burst in resplendent glory o'er the eastern hills. I have seen it trickle down the mountain sides in tiny rivulets with the music of liquid silver striking on beds of polished diamonds. I have seen it in the rushing river rippling over pebbly bottoms, purling about jutting stones, roaring over precipitous falls in its mad rush to join the mighty father of waters, and in the mighty father of waters I have seen it go in the mighty ocean on whose broad bosom float the battle fleets of all nations and the commerce of the world, but, ladies and gentlemen, I want to say to you now that as a beverage it is a damn failure."

Attention, School Teachers!

We have at this office twenty-five sets of the state history of "Pennsylvania at Gettysburg" in two volumes which we would be pleased to present to the schools of the county. It is the most complete work published of the battle of Gettysburg and might be very useful in the school libraries.

Teachers, directors or others interested in the schools may have sets of this work, free of charge, while they last, by calling for same at the "Watchman" office.
