MANY shirts start off well, but they can't stand the gaff of a long race—the constant friction at the wrists, the neck, the waist, the frequent trips to the tub. Eagle Shirts win because the yarns in their quality fabrics have staying power. They give great service per dollar. In buying shirts as in everything else

# Firemen's Day!

## Saturday May 14, 1921

Do your part. Help make this a red letter day for Bellefonte. We have set aside this day in our store to help the Firemen raise ready cash with which to purchase up-to-date fire fighting equipment for Bellefonte.

## 10% of Our Gross Receipts

of this day's business will be turned into the committee's hands on Saturday night toward this fund which has already been started. With Triple Combination Fire Trucks fires can easily be conquered anywhere in the country as well as in town. Would this be a benefit to our neighbors of the country in the protection of their property? Most assuredly. Then, farmers, your financial help is needed now. When your property catches on fire you immediately call for help. Who comes? The firemen. They work as hard as they can, forgetting the danger that confronts them on all sides. With the inadequate equipment they now have your property and your lives are in danger.

## What Shall we Do?

Help in any way you can to raise the money with which to purchase the right kind of fire-fighting apparatus. Do your buying at our store next Saturday, May 14th, and 10 cents of each \$1.00 you spend goes to the committee in charge of this fund. That's our spirit in this matter. Our store, our clean-cut methods of doing business, our quality of merchandise and our low prices are too well known in this community to be introduced. Who is not willing to lend a helping hand in this movement? Don't forget the day and date—

Saturday May 14th, 1921

# COHEN & CO.

## Department Store

Firemen in uniform will be in the store all day, and will receive any personal contributions you may wish to give them.
