#### Act Quickly

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective. Plenty of Bellefonte evidence of their worth.

Mrs. Elmer Yerger, 306 N. Beaver St., Bellefonte, says: "About ten years ago I had kidney trouble in its worst form. My back was so weak I could hardly get around. My kidneys acted very irregularly and I was in constant misery. Dropsical swellings set in. I tried different remedies, but received no benefit. Doan's Kidney Pills were recommended to me and I at once began their use. In a few days the trouble was relieved and I continued their use for about three months. They entirely removed the distressing kidney disorders. My back was strengthened and I had no further trouble with my kidneys. I think Doan's is the best kidney medicine to be had." (Statement given April 22, 1914).

On October 18, 1918, Mrs. Yerger said: "It is a pleasure and a great privilege for me to again speak a good word for Doan's Kidney Pills. Others in my family have since had the same good results from Doan's as I had. I confirm all I said in my former statement."
