TUBERCULOSIS COMMITTEE OF THE WOMAN'S CLUB TO HAVE COUNTY CONFERENCE SEPTEMBER TWENTY-EIGHTH.

The Tuberculosis committee of the Woman's club met last Friday night, for the first time this club year to discuss plans for the county conference of tuberculosis workers scheduled to be held here, September twenty-eighth. With the exception of Miss Helen Overton, chairman, who is spending her vacation in Atlantic City, all the members of the committee were present: Miss Katherine Hoover, Miss Daise Keichline, Miss Mary Linn, Elizabeth Meek, Mrs. John Shugert, Mrs. Robert Walker and Miss Helene Williams.

While the coming conference, at which Mr. Craze, field secretary of the Pennsylvania Tuberculosis society will be present, is primarily intended to unify and perfect plans for the annual Christmas Seal sale, there are two questions of importance to Centre county people to be threshed out—the re-opening of the state dispensary for tuberculosis patients and the care of advanced cases of tuberculosis.

Two years ago last May the state dispensary was closed presumably because there were not enough cases of tuberculosis in the county to warrant its continuance. Since that time, patients on this side of the mountain must go to Lock Haven to be cared for at a state dispensary, an inconvenient arrangement, as it requires a day's time and costs three dollars; as a consequence, patients will not avail themselves of even this inconvenient means of securing care. There is a state dispensary in Philipsburg but this is even more inconvenient to reach than the one at Lock Haven and the nurse there, Miss Carrie Hess, rarely does work in this county outside of Rush township. This situation leaves tuberculosis patients in the rest of the county practically uncared for except such as may come within the districts administered to by the Red Cross nurses, Mrs. Jones and Miss Royer. It is believed that, though our dispensary was closed because there were few patients, a survey of the county would reveal many more cases of tuberculosis than are generally known. Dr. Francine, head of the tuberculosis work of the State Health Department, will re-open the dispensary in Bellefonte at any time a room is provided as, under the present arrangement, the State Health Department furnishes the physician, nurse and supplies while the community must provide the room, heat and janitor. An ideal arrangement is to have a health centre, to be used for all health activities—community, nursing service, well-baby clinic, and tuberculosis dispensary—each to have its separate day, of course, and the advisability of using the money derived from the sale of Christmas Seals to pay the rent of a room and thus assure proper care of tuberculosis patients, is now under consideration by the tuberculosis committee of the Woman's club.

The second problem agitating tuberculosis workers and that should be of interest to every citizen of the county is "How shall advanced cases of tuberculosis be cared for?" There are three sanatoria supported by the State for the care of tuberculosis patients—one at Mont Alto, one at Cresion and one at Hamburg—and it is now the plan of the State Health Department to make these, in truth, what the name sanatorium indicates, "a health station," and to leave to the community, itself, the care of advanced cases of tuberculosis. The last Legislature passed a bill obliging each county to provide for the care of such patients, whether in a sanatorium, hospital, or other place, but provide we must, and it is now up to the county to decide by what means this shall be accomplished. Several of the larger counties in the State have already taken steps to build a county sanatorium, but it is advised that smaller counties, of about 40,000, combine and have one sanatorium for three or four counties. So that the question now up to us to decide is, shall this county build a sanatorium; shall it combine with several adjacent counties, or shall it provide care for advanced cases of tuberculosis in local hospitals?

Academy Road Improvement Fund.

Substantial gifts from out-of-town friends have largely increased the fund during the past week, as follows:
 Amount previously acknowledged, \$ 600.00
 "A Friend", cash, 200.00
 Mrs. Annie C. Ernst, Scranton, 50.00
 Donald Fulton, Scranton, 50.00
 Walter Hunsinger, Scranton, 50.00
 Lathrop Barnhart, Scranton, 50.00
 Chas. Lindbeck, Jamestown, N. Y., 25.00
 Frank P. Bassett, Monterey, Mexico 15.00
 Melvin Bassett, Annapolis, Md., 5.00
 Eugene Bassett, Chicago, Ill., 5.00
 Edward Gehret, Bellefonte, 25.00
 Total, \$1135.00

SPIGELMYER.—Mrs. Laura Eilert Spigelmyer, wife of G. R. Spigelmyer, passed away at her home on Howard street about nine o'clock on Tuesday morning. A year or so ago she suffered a nervous collapse and had been an invalid ever since. Eight weeks ago she was stricken with paralysis and had been confined to her bed ever since.

She was a daughter of John H. and Susanna Eilert and was born at Hartleton, Union county, on March 26th, 1852, hence was in her seventieth year. In 1868 she was united in marriage at Hartleton to Mr. Spigelmyer and the first year of their married life was spent at that place. Fifty-two years ago they came to Centre county and took up their residence at Spring Mills where they lived until coming to Bellefonte thirty-two years ago. Mrs. Spigelmyer was a devout member of the Presbyterian church and a most lovable woman. During her residence in Bellefonte she made many warm friends who sincerely mourn her death.

She is survived by her husband and two daughters, Mrs. G. Willard Hall, of Harrisburg, and Mrs. Charles Kase, of Sunbury. Funeral services were held at her late home at 7:30 o'clock last evening by Rev. Dr. Schmidt and this morning the remains were taken to Hartleton for interment.

STEWART.—Arthur W. Stewart passed away at the home of his grandmother, Mrs. Miller Stewart, on west Linn street, as the result of a general breakdown in health. He graduated at Cornell last June after taking two years' work in one and instead of taking a vacation promptly accepted a position in Cleveland, Ohio. His close application to his work resulted in a general breakdown and about a month ago he was brought to the home of his grandmother but he continued to grow worse and passed away at the time above stated.

He was a son of Mr. and Mrs. William Stewart and was born in Seattle, Wash., on December 3rd, 1898, making his age 22 years, 9 months and 22 days. During most of his illness his father was up in Alaska where he is engaged in the salmon fishery business and it was with some difficulty that word was gotten to him, but he and the young man's sister, Miss Margaret E., who are the only survivors, reached Bellefonte last Thursday. Funeral services will be held at the Stewart home at 10:30 o'clock tomorrow morning, interment private in the Union cemetery.

CADWALLADER.—Mrs. Lentharsia Cadwallader, wife of Oscar Cadwallader, died at her home in Philipsburg on Sunday following ten week's illness. She was a daughter of George W. and Sarah H. Wilson and was born at Beaver Mills, in Rush township, on March 11th, 1859, making her age 62 years, 5 months and 24 days. She was married to Mr. Cadwallader at Unionville in 1876, and seven years later they took up their residence in Philipsburg where they have lived ever since. Surviving her are her husband, a daughter and two sons, namely: Mrs. William Askey, of Creek Side, Pa.; George, of Palmyra, N. Y., and Frank, at home. She also leaves the following brothers and sisters: Mrs. G. T. Jones, of Port Matilda; E. S. Wilson, of Clearfield; Mrs. J. P. Smith, of Bellefonte; William Wilson, of Philipsburg, and Mrs. W. K. Kaup, of Lamar. Burial was made in the Philipsburg cemetery on Wednesday afternoon.

CLARK.—Following an all summer's illness with sarcoma John Clark died at his home on Willowbank street on Saturday morning. He was born in County Caban, Ireland, on August 3rd, 1848, hence was 73 years and 1 month old. He came to this country when twelve years of age and had lived in Bellefonte and vicinity ever since. Surviving are his wife and six children, Mrs. John Gordon, of Bellefonte; Mrs. Frank Fry, of Zion; William Clark, of Akron, Ohio; Walter, in California; Mrs. Bella Brown, of Swissdale, and Mrs. Elizabeth Wyland, of Akron. He also leaves one brother, Thomas Clark, of Altoona. Funeral services were held in the United Evangelical church at two o'clock on Tuesday afternoon by Rev. Reed O. Steely, pastor, after which burial was made in the Pleasant Gap cemetery.

C. E. Rally at Valley View.

The Bellefonte Christian Endeavor district of the United Brethren church held another worth-while rally last Thursday evening at Valley View. After a song service and devotional period the Woerner sisters sang a duet. Two missionary selections were read by Adaline Bathurst and Mrs. Al. Stine. A. E. Stone, of State College, sang two inspiring solos.

"Resolved, That foreign missions are more important than home missions" was the subject of a spirited debate. Mrs. Joe Thomas and Mrs. William T. Shepp carried the affirmative and Mrs. John R. Schreck, of Leont, and Mrs. Tate, of Houserville, the negative. The judges were Milton Carver, of State College; H. E. Corman, of Valley View, and Ellis Stine, of Bellefonte, who decided in favor of the affirmative. Over one hundred people were present and it was decided to hold the next rally at Paradise, in October.

For Sale.—A six piece bed-room suite, of American walnut. Inquire of P. V. Smith, care Mrs. J. Will Conley.

TAXES MUST BE COLLECTED.

Borough Solicitors Instructed to Proceed at Once Against Collector and Bondsmen.

Delinquent taxpayers will have to pay up if they want to avoid trouble and costs, according to the action of council on Monday evening. A written communication was received from tax collector J. Kennedy Johnston giving various reasons why he had not been successful in collecting the delinquent taxes in accordance with a resolution passed by council on June 16th requesting him to do so, his chief reason being, that it would not be right to distress any one. He further stated that he expected to get busy and as soon as he received his 1921 duplicate proceed to clean up all the duplicates and hoped to be able to do this before the 1922 duplicate was turned over to his successor.

Mr. Fauble, of the Finance committee, stated that Mr. Johnston had made a request for a flat five per cent. commission for collecting the 1921 duplicate. He now receives three per cent. for all taxes paid during the rebate period and five per cent. on the balance. But the committee at the present time would not recommend any change. Regarding his request for an extension of time in making collection of delinquent taxes Mr. Fauble stated that in the almost three months since council passed the resolution demanding that he collect the back taxes he had collected and turned over only about \$2,500 out of a total of almost \$16,000; and if council allowed an extension of time it would simply result in an increase in delinquent taxes from the 1921 duplicate. Such a condition is not fair to those tax payers who pay promptly, and in addition the borough needs the money. He therefore made a motion that the borough solicitors be instructed to proceed at once against the tax collector and his bondsmen to enforce the payment of all delinquent taxes. The motion carried without a dissenting vote.

Mr. Cunningham stated to council that he had been misinformed as to a local justice of the peace putting the costs on the policeman who had returned an automobilist for violating the traffic ordinance. The justice discharged the defender but did not put the costs on the officer.

Secretary Kelly stated that all bills for the construction of Bishop, Spring and Pine streets, totalling \$8,148.16, had been made out against abutting property holders and turned over to the borough treasurer for collection, and the only one so far paid was by the Ammerman estate, \$38.28.

The Water committee reported the collection of \$56.75 on the 1919 duplicate and \$2.00 from John N. Bauer for the 1920 tax on the Brant house stable. The committee also recommended an exoneration of \$3.25 in water taxes against the James Haggis estate on account of error in duplicate.

The Finance committee presented the treasurer's request for the renewal of notes for \$1000, \$1000, \$3400 and \$2000, and a new note for \$5000 to meet current expenses, all of which were authorized. The committee also reported the borough duplicate for 1921 completed and ready to turn over to the collector. It shows a total of \$18,948.36 of borough tax, \$18,948.36 for street purposes and \$9,479.08 for interest purposes, a total of \$47,375.80.

A motion was passed suspending policeman Yerger for a period of at least one month for "neglect of duty," and the Fire and Police committee were instructed to arrange for another policeman during his term of suspension.

Mr. Cunningham reported that a request had been made for an extension of the water main on east Howard street to Wilson street, to the lot recently purchased by Mr. Rothrock, who intends erecting a house thereon. The cost of the pipe will be in the neighborhood of five hundred dollars. The matter was referred to the Water committee for further investigation and report.

Mr. Fauble reported that Mr. Hughes was now laying a sewer pipe from his swimming pool to connect with the borough sewer, and requested permission to cross east Bishop street in order to tap the sewer on the north side of the street. The Street committee was of the opinion that the sewer ought to be brought down on the south side of the street, but the distance is probably a thousand feet greater. The matter was referred to the Street committee to work out a solution satisfactory to both sides.

Report was made of the dangerous condition in front of the Angeline Murray property on Logan street and the borough manager was instructed to notify the owner.

Bills to the amount of \$2902.79 were approved and council adjourned.

Bellefonte Academy News Notes.

A fund of three hundred dollars raised during their school days by Mrs. Thomas King Morris, (before her marriage Miss Winifred Meek) and her classmates, has been turned over to Mr. James R. Hughes by Mrs. Morris to be expended as he desires best to promote the interests of the Academy. Mr. Hughes has accepted the gift with feelings of profound gratitude and has decided to purchase English books for the school library. He will put up a bronze tablet in the English room bearing the inscription,

"These books were donated by the Class of 1883."

The Academy football schedule this

year will include games with the State Freshmen, Pitt Freshmen, Carnegie Tech Freshmen, Juniata College, Mansfield Normal, Wyoming Seminary and other teams. The Academy should have a very strong team this year to meet the hard schedule arranged, star players entering from Massachusetts, Michigan, New York, Ohio, West Virginia, Indiana and Pennsylvania.

Any one wishing to buy old wood, window sashes and doors should see either James R. Hughes or Charles S. Hughes.

Bellefonte Academy Announcement.

The Bellefonte Academy will open its fall session on Wednesday morning, September 14th, at 9 o'clock, under greatly improved conditions. The school will have a large attendance. The teachers and their subjects will be as follows:

- James R. Hughes, A. M., Headmaster, (Princeton University)
- Latin, Greek and Oratory.
- George F. Retter, Ph. B., Sc. M., Assistant Headmaster, (Bucknell University)
- Physics and Chemistry.
- Helen E. Canfield Overton, (Formerly of Minneapolis City Schools)
- English, Grammar, History and Civics.
- Isabella S. Hill, Ph. B., (Wesleyan University) (Columbia University)
- English, Rhetoric and Literature.
- David L. Harstine, Ph. B., (Lafayette College)
- Higher Mathematics.
- Jacob C. Hess, A. M., (Franklin and Marshall) (Columbia University) (State College)
- French, German and Spanish.
- Hobson M. Zerbe, B. S., (Albright College)
- Biology, Physical Geography and German.
- Dawson D. Miller, B. S., (Muskingum College)
- History and Latin.
- (Not yet selected)
- Bible History.
- Donald C. Dunbar, B. S., (State College) (Washington and Jefferson College)
- Mathematics.
- Charles S. Hughes, A. B., (Princeton University)
- Mathematics.
- Jean McLain Hess, Piano and Harmony.
- Donald C. Dunbar, B. S., Director of Athletics.

Marriage Licenses.

Henry Maurer, South Philipsburg, and Esther Rothrock, Morrisdale, Tuner Furi and Erma McClincy, Ronville.

Samuel H. Tate, State College, and Mabel P. Myers, Pine Grove Mills. W. B. Knisely, Youngstown, Ohio, and Helen W. Decker, Philadelphia.

Woman Scores Again.

From the Providence Journal. A woman has just beaten ten male candidates in a primary for the nomination of jailer in Breathitt county, Kentucky. Considering the nation-wide celebrity of "Bloody Breathitt" as a gun-toting community, the jailer's job might seem too much for a woman. But it appears that the county judges do not often insult prominent citizens by putting them in jail.

**You Can Help Keep the
 Wheels Turning**

Our plant has been so busy for several years working on patented machines that we have given little thought to the vast amount of local business that must be procurable in this section. In consequence probably few persons feel that we want to bother with small jobs. Such is not the case. We do. We want to offer you the advantage of every department of our plant: Draftsmen, engineers, machinists and foundrymen.

While we make Straightening Machines, Power Hammers and Heavy Castings running into tons and tons we are just as anxious to make the little castings that you may need, even if they weigh but a few pounds.

Stove Grates and Griddles, Basket Grates for fire places, Sled Soles, castings for Hay Ladders, Fly Wheels, Pulleys, Farm Machinery Castings and a thousand and one other little things in metal we can make for you cheaper and quicker than you can get them from the plants at which they were originally produced.

We can repair farm machinery as well as any other kind. We can put that broken down gas-engine back to work for you and if you have any of these little jobs to be done, have them done now. It will help us to give our men steadier employment and insure you prompt service than may be possible when the big business revival sets in.

Don't go miles away for what is lying right at your own front door. There is little in the line of machine and foundry work that we can't do.
