David Wesley Jones Dies from Injuries Sustained in Fall.

Paid after expiration of year -

David Wesley Jones, for many years a resident of Bellefonte, died at the Cottage State hospital, Philipsburg, at one o'clock on Monday morning from injuries believed to have been sustained in a fall from a third story window in the Potter house. Mr. Jones was an expert carpenter and had worked in Philipsburg the past two or three years. Recently he was in charge of a force of carpenters engaged in remodeling the old Potter house annex, which had been purchased by the Philipsburg Lodge of Moose and was being put in shape for their occupancy. Mr. Jones occupied a room on the third floor of the Potter house and just how he met his injuries will probably never be known. He was found in the court of that hotel between three and four o'clock on Friday morning, and as he was lying almost directly beneath the window in his room it is presumed that he either fell out or was pushed out by some one. He was taken to the Cottage State hospital where it was found that his left shoulder and chest were crushed, most of the ribs in his left side fractured and his lung punctured. In his brief spells of consciousness he was unable to tell anything about the accident.

Mr. Jones was a son of J. B. and Elizabeth Jones and was born at fonte Lodge of Elks. Milesburg May 7th, 1861, hence was 60 years, 4 months and 5 days old. When a young man he learned the carpenter trade and followed that occupation all his life. He was a member of the Bellefonte Lodge of Moose. He was married to Miss Mary Worrall, who survives with the following children: Mrs. Herbert Auman, of Belle- his own home on Linn street. fonte; Mrs. James Bathurst, of Tyrone; Mrs. Charles Zimmerman and Mrs. Claire Hazel, of Bellefonte, and Malcolm, at home.

The remains were brought to Bellefonte on Monday evening and taken to his home on east Lamb street where funeral services were held at four o'clock on Wednesday afternoon by Rev. M. DePue Maynard, after which burial was made in the Union cemetery.

At first there was some doubt as to the advisability One of the little girls left the cornet of planting them along the highway on account of the telephone lines and property owners were asked for permission to plant the trees on private land. But J. W. Clinton county has sixty-three heroes on its list of dead, which would mean the planting of that many trees. Now that they have gone ahead with the work down there it is possible that the women of Bellefonte will get busy. The list of hero dead from Centre county is about the same as that in Clinton county, and the expense would be practically the same.

Attention, Voters!

To the Voters of Bellefonte Borough. As a candidate for the office of Burgess, I respectfully submit my views for your consideration and support.

The burgess is the executive officer in the borough, and it is his sworn duty to enforce the laws and ordinances; he directs the police in the discharge of their duties, and can call upon any officer, and on our courts to assist in the punishment of law violators.

If elected burgess I shall to the best of my ability use the power of said office and my personal influence, for the reasonable enforcement of our laws, the suppression of crime and conviction of wilful violators.

I believe in a reasonable enforcement of the Sunday laws, but as to the uncalled for, misleading and false statement of my opponents that I shall stop Sunday trains, newspapers, automobiles, supply stations, delivery and other legitimate accommodations for the entertainment of our people and travelers, I wish it to be understood that such shall not be the case, people to be considerate of the comfort and pleasure of those who may come into our midst.

Likewise, I desire it to be distinctly understood that for the protection of the men, women and children of our town, I shall enforce the automobile laws, and especially the Volstead Act.

Respectfully submitted, J. KENNEDY JOHNSTON
