THE CARELESS SMOKER. By Harris A. Reynolds.

A fool there was and his pipe he lit, (Even as you and I)

On a forest trail where the leaves were fit, To become ablaze from the smallest bit

The forest was burned to its very roots, Even beneath the ground,

Where the cook's tin pan woke the men of brown;

A deadly sight are those hills of rocks Which once were beds of green;

But the fool smokes on in the forest still, Leaves camp fires burning too.

Centre County Sportsmen Exercising Greater Care.

Last spring an appeal was sent out by this Association asking the sportsmen of Centre county to use greater care about fires in the woods, etc.,

The forest fire loss from fishermen for the spring season of 1921 was 1400 per cent. less than that of 1920,

The percentage of fires classed as "unknown," a part of which are usually attributed to fishermen, were even reduced to a greater extent,

There is scarcely a landowner who would object to the true sportsman hunting on his property, and when more of us get into that class that "No Trespass" sign will be as hard to find as the elusive game.

The fall hunting season is now near at hand and if everybody uses care with fire in the woods and respects the rights of those on whose land they are permitted to hunt, they will be welcomed back next year, we will have better forests, more water, more game and fish and there will be a better feeling among all concerned.

If we once form the habit of being careful with fire and respecting the wishes of landowners it will become just as natural as our heretofore careless habits have been, and it will mean that coming generations will also have some of the pleasures we now so much enjoy.

Academy Road Improvement Fund.

It is refreshing and most pleasing to observe that the good citizens of Bellefonte are appreciating the wonderful improvement Mr. Hughes has made in the construction of the driveway through the Academy grounds and the erection of the pillars at each entrance.

The items below are most encouraging and much appreciated by the Academy management, who are doing all in their power to make Bellefonte more attractive both from a business and artistic standpoint.

KRUMRINE.—Miss Annabelle Weaver Krumrine, only daughter of Sidney and Jane Bubb Krumrine, of Philadelphia, died at noon on Tuesday in the Episcopal hospital, Philadelphia, of peritonitis, following an attack of appendicitis. She was taken sick about ten days previous but her condition did not become alarming until Saturday when she was taken to the hospital but nothing could be done to save her life.

She was born in Bellefonte and was twenty-two years old last August. Her childhood and early girlhood were spent in Bellefonte the family later moving to State College where she graduated at the High school and had one year in College.

Some four or five years ago the family moved to Philadelphia and she accepted a position in the vocational educational department at Wanamaker's. She was peculiarly adapted to the work of teaching and had met with pronounced success. She had been repeatedly promoted until she ranked with the best instructors in that department.

She was a great lover of outdoor sports, such as horseback riding, golf and tennis, and all her leisure time was spent in that way.

Mourning her death are her parents and one brother, Charles Krumrine, of Philadelphia. The remains were taken to Williamsport where burial was made yesterday afternoon.

REDDING.—James Redding, a well known coal operator, was found dead in bed at his home in Altoona on Monday morning. He was apparently in good health all day on Sunday and took an automobile trip in the afternoon. Before going to bed he complained of a pain in his chest but it was not serious enough to cause any alarm.

Mr. Redding was born at Snow Shoe on January 21st, 1865, hence was in his fifty-seventh year. His boyhood days were spent at Snow Shoe but when he grew to manhood he moved to Clearfield and most of his life was spent there. Some years ago he became interested in the coal business and had charge of extensive mines at Dysart, and in the spring of 1920 he moved to Altoona in order to be nearer to his mining operations.

He was married to Miss Sarah F. Smith and she survives with one son, Edward J. Redding, of New Castle. He also leaves one sister and a brother, Miss Anna and Lawrence Redding, of Snow Shoe. The remains were taken to Clearfield on Wednesday morning and burial made in the Catholic cemetery at that place yesterday morning.

GARBRICK.—Mrs. Mary Ellen Garbrick, widow of John Garbrick, passed away at her home at Coleville at 11:30 o'clock on Saturday morning following an illness of some weeks with uremia.

She was a daughter of John and Martha Houser Cole and was born at Coleville in May, 1846, hence was 75 years and 5 months old. She was married to John Garbrick about fifty-four years ago, who has been dead about twenty years, but surviving are the following children: Curt Garbrick, of Mill Hill; Mrs. Edward Nolan, of Coleville; Mrs. Alice Stevenson, of Niagara Falls, and Harry E. Garbrick, of Coleville. She also leaves two brothers, Jacob Cole, of Bellefonte, and Perry, of Coleville, and two half-brothers and two half-sisters, namely: Mrs. E. C. Tuten, of Philipsburg; Amos G. Cole, of Lewisport; Frank, in North Dakota, and Mrs. Harold Kirk, of Pine Crest farm, south of Bellefonte.

Funeral services were held at her late home at two o'clock Tuesday afternoon by Rev. G. E. Smith, after which burial was made in the Union cemetery.

SMEAD.—Mrs. Gertrude Smead, wife of Howard Smead, of Bellefonte, passed away at the Bellefonte hospital, where she had been a patient since August, on Tuesday morning. Her illness dates back to a year ago.

She was a daughter of James and Mary Evers Gallagher and was born in Bellefonte on April 11th, 1884, hence was 37 years, 7 months and 14 days old. Her entire life was spent in Bellefonte. On December 22nd, 1903, she was married to Mr. Smead and he survives with five children, namely: Ambrose, Marie, Elizabeth, Joseph and John, all at home. She also leaves one brother and two sisters, Thomas Gallagher, Mrs. John Derstine and Miss Mary Gallagher, all of Bellefonte.

She was a faithful member of the Catholic church all her life and funeral services will be held in that church at ten o'clock this morning by Rev. Father Downes. Burial will be made in the Catholic cemetery.

MCCORMICK.—Robert B. McCormick, of Lock Haven, president judge of the judicial district comprising the counties of Clinton, Cameron and Elk, died on Sunday following six months illness with heart trouble, aged 48 years. He was a graduate of Lafayette College and was admitted to the Clinton county bar in 1894. He served two years as district attorney of Clinton county and was appointed judge by Governor Brumbaugh to succeed the late Judge, Harry Alvan Hall, deceased. He was also elected for a full term on the bench in 1918. He is survived by his widow and two daughters. Burial was made on Wednesday afternoon.

BRADFORD.—Grace Irene Bradford, young daughter of Mr. and Mrs. Philip Bradford, of Lemont, passed away on Tuesday night following an illness of two weeks or more with influenza, which finally developed into pneumonia. She was aged five years and six months and in addition to her bereaved parents is survived by one brother and a sister. Rev. J. Max Kirkpatrick, of the Presbyterian church, will have charge of the services which will be held at 9:30 o'clock this (Friday) morning, burial to be made in the Boalsburg cemetery.

Christian Endeavorers Rally in Paradise.

Another enthusiastic Christian Endeavor rally was held in the United Brethren church at Paradise on Tuesday evening. The rally theme was "C. E. Foursquare," and was discussed as follows: "The four great divisions," by Miss Mary Kauffman, of Centre Line. "The four great principles," by the county C. E. president, Clarence Williams. "The four great spheres of action," by L. C. Thompson, and "The four great methods," by Rev. L. C. McHenry, of Houserville. Each speaker was very emphatic and sounded the right notes at the right time and place. The president made an appeal for more comrades for the "quiet hour." Miss Helen Emmerhizer, of Houserville, brought echoes from a great rally held at Port Trevorton. In addition to the enthusiastic congregational singing the Centre Line quartette sang "Speed Away" and James Schreck and wife, of Lemont, and C. E. Smith, of Bellefonte, sang "Some Happy Day."

The following officers were elected for the ensuing year: President, Rev. George E. Smith, Bellefonte; vice president, James H. Schreck, Lemont; recording secretary, Roy H. Grove, Bellefonte; assistant secretary, Miss Mary Kauffman, Centre Line; treasurer, Miss Adaline Bathurst, Bellefonte.

There were present at the gathering 63 from Paradise, 23 from Centre Line, 18 from Bellefonte, and 26 from Houserville. The next rally will be held at Runville. The congregation at Paradise had their Harvest Home services on Sunday and allowed their elaborate and "fruitful" decorations to remain for the rally.

Fell Down Cellar Stairs and Broke Her Neck.

About 2:30 o'clock Wednesday afternoon Mrs. Catherine Solt, wife of William Solt, living south of Howard, fell down the cellar stairs and broke her neck on the concrete floor, dying instantly. Mr. and Mrs. Solt were busy making preparations to move to another home. Mr. Solt was out in the yard and Mrs. Solt was busy in the house. She was making a hurried trip down stairs when she slipped and fell. It was perhaps fifteen minutes later when her husband found her lifeless body. A large gash on her head was mute evidence of how she met her death.

Mrs. Solt's name was Catharine Daughenbaugh and she was born near Bellefonte about fifty-six years ago. In addition to her husband she is survived by four children: Curtis, a telegraph operator at Sandy Ridge; Mrs. Schaeffer, of Bellefonte; Mrs. Lester Leathers and Miriam, at home.

Funeral services will be held at her late home at ten o'clock tomorrow morning by Rev. Foss, of the Reformed church, and burial will be made at Jacksonville.

Young People's Sunday School Conference.

Mr. Bonsal, of Philadelphia, young people's superintendent, and Miss Netting, of Erie, assistant superintendent, will be the principal speakers of the day. Mr. Hule Dale, young people's county superintendent, urges that every superintendent return his registration card promptly.

The local committee in charge of the conference is as follows: H. C. Menold, general chairman; Mary Dale, secretary; Ella Harvey, Grace Shope, Lois Foreman, Dorris Cobb, Marjorie Hill, Eleanor Gettig, Mark Hunter, Leslie Thomas, William Keller, John Dubbs, Harold Wion, Earl Teaman and Otto Smith.

American Legion Carnival.

The Brooks-Doll Post of the American Legion will hold a three day's carnival in celebration of Armistice day. On Wednesday and Thursday, November 9th and 10th, the carnival will be held in the armory in the evenings only. On the 11th, Armistice day, there will be an all day celebration. There will be a parade in the afternoon which will include five bands and every organization in Centre county is invited to participate. The parade will be followed by a football game on Hughes field and a big dance in the armory at night. At the armory on Wednesday and Thursday nights there will be a mammoth bazaar, to include fortune telling, refreshments and music all the time. The public is asked to extend their patronage.

Fifth Red Cross Roll Call.

The fifth annual enrollment of members of the American Red Cross will take place November 11th to 24th. No words are necessary to convince you of the value of this appeal. Our local Red Cross throughout the year has given aid where aid was needed and the organization and its humane work can live only if it is remembered by a big enrollment of members.

Haler—Weston.—A pretty wedding was celebrated on Wednesday evening at the home of Dr. and Mrs. R. C. Weston, in Miss Rebecca N. Rhoads' new bungalow on west Linn street, when their daughter, Miss Eleanor Weston, was united in marriage to Philip J. Haler, of Pittsburgh. Only the immediate members of the two families, and a very few close friends of the bride and groom were present to witness the ceremony which took place at six o'clock, and was performed by Rev. Dr. A. M. Schmidt, of the Reformed church, the beautiful ring service being used. The bride was given in marriage by her father, Dr. Weston.

The bride wore a gown of white Canton crepe de chine, with a bridal veil, and carried a bouquet of bride's roses. She was attended by Mrs. Richard Weston, as matron of honor, who was attired in blue and carried a bouquet of chrysanthemums. The bridegroom was assisted in the ceremony by his younger brother, Mr. Haler. Following the ceremony and congratulations delicious refreshments were served and later Mr. and Mrs. Haler were taken to Tyrone by automobile for a brief wedding trip west.

The bride is very well known and universally admired in Bellefonte. A great lover of children she has for a number of years past been interested in kindergarten and health work among the school children and two years ago she developed the character of "San Tan," on the lines of the "Cho Cho" tales, and in this way gave health talks in the grade schools of Bellefonte. She was peculiarly adapted to this line of work and filled engagements along a similar line in Philadelphia and other places in the State. She has also been deeply interested in missionary and Y. W. C. work and in both capacities will be greatly missed by her co-workers.

The bridegroom is a graduate of The Pennsylvania State College in the department of forestry, and is now an instructor in forestry at that institution. Returning from their wedding trip they will go at once to their already furnished apartments at State College.

Maurer—McDonald.—Clyde M. Maurer and Miss Myra McDonald, both of Martha, were married at the parsonage of the United Brethren church, at noon on Monday, by the pastor, Rev. George E. Smith. The young couple left on the Pennsylvania-Lehigh train to spend their honeymoon in Washington, D. C., and returning will locate at Martha.

Kline—Levi.—Harrison G. Kline, son of ex-sheriff and Mrs. Henry Kline, and Miss Barbara Levi, a daughter of Mrs. M. C. Levi, were married on Wednesday evening at the home of the bride's mother on Spring street by Rev. Wilson P. Ard, of the Lutheran church. The young couple left the same evening on a wedding trip to New York city and Washington, D. C. The bride is very well known in Bellefonte and for a number of years has been one of the efficient employees in Katz & Co's store. The bridegroom is in the employ of the State Highway Department.

In Society.

Mrs. H. C. Yeager was hostess Tuesday night for the card club of which she is a member, two tables being in play.

Mr. and Mrs. W. T. Twitmore will entertain tonight at their home on Water street, with a dinner of nine covers.

The Misses Helen and Roxanna Mingle and Mr. and Mrs. John Marks were originators of the masked dance given at the new Masonic camp at Snow Shoe Intersection last night. Between fifty and seventy-five invitations were issued; cider doughnuts and pop corn being the refreshments served.

The annual Hallowe'en dance and card party was given by the Catholic Daughters of America in Knights of Columbus hall last night. Good music, elaborate decorations and good refreshments made the party a great success.

Mrs. H. E. Fenlon entertained Saturday afternoon in compliment of Mrs. Richard's friend, Mrs. Moyer, of Germantown.

Fine and Jail Sentence for Booze Thieves.

In the federal court at Scranton, on Wednesday, Robert B. Montgomery, of Bellefonte, was convicted of instigating and planning the stealing of whiskey from the federal depository of confiscated liquors in the cellar of the Bellefonte postoffice, and was sentenced by Judge C. B. Witmer to pay a fine of \$100 and undergo imprisonment in the Centre county jail for a period of one year.

Joseph Garis, John Morrison, Orrie Morrison and John Showalter, who pleaded guilty to stealing the liquor, were each sentenced to pay a fine of \$50 and undergo imprisonment in the Centre county jail for a period of six months.

Lovers of football will have an opportunity to see a good game tomorrow when the Bellefonte Academy eleven will play the Carnegie Tech Freshmen on Hughes field. Game will be called at two o'clock and admission will be only 25 cents. The crowd that saw last Saturday's game got their money's worth in the action of the Academy eleven and the game tomorrow will be just as interesting and exciting. Go and encourage the local team.

The Return of the Swarthmore Chautauqua to Bellefonte.

It will be of interest to the people of this community to learn that the Swarthmore Chautauqua contract for 1922 has finally been consummated. Last week a representative of that association was in Bellefonte and secured the necessary number of guarantors. A sufficient number of guarantors not having been secured in September, Mr. George P. Bible and Robert S. Walker made an effort to bring the Community Chautauqua to Bellefonte, but when there was an opportunity for the return of the Swarthmore Chautauqua, Mr. Bible and Mr. Walker dropped their work in behalf of the Community association and heartily supported the Swarthmore association.

The Business Men's Association has generously supported the movement by signing as ten guarantors. The Order of Elks as five guarantors, and the Women's club as two guarantors, making a total of 113 guarantors.

If the ticket committee meets with the response that has been shown by the guarantors it will be an easy effort to successfully put over Chautauqua next summer.

The Swarthmore Chautauqua association is not a profit making concern. It does not pay a war tax. There are many people in Bellefonte who get pleasure and profit from it. It is helpful to the children. It is a good thing for 600 Bellefonters to get under one tent. If you can not go next summer, see that some one goes in your place.

Moonshiner's Still Discovered from Top of Fire Tower.

The following dispatch appeared in the Philadelphia Public Ledger on Sunday:

Harrisburg, Oct. 22.—The first fire discovered from the top of the new sixty-foot fire towers, fifty of which have just been put in place by the State Forestry Department, was one used in connection with a moonshiner's still in Centre county.

That particular tower was completed yesterday and the observer had hardly crawled to the top when he saw dense smoke issuing from the timberland a few miles away. He got the exact location and telephoned to the forest warden who called out his fire-fighting crew.

Upon arrival at the location whence the smoke came the firemen found a still in full blast. The warden reported the matter to the federal authorities. The Department of Forestry has not yet heard what the prohibition officers of the district have done.

The only fire tower located in Centre county is in the Snow Shoe region, and that one was just completed last week. The people of that section naturally believed it would be a great aid in nipping fires in the bud and thus saving so much ruthless destruction of young timber, but if the above dispatch is true it will probably be the means of uncovering some things in the woodlands of that section that some of the people at least would like to see lie still.

Committee to Pass Upon Bear Meadows Park.

Under the act passed at the last session of the Legislature some five or six parcels of land in various parts of the State are to be set aside as public parks for the enjoyment of the people of the Commonwealth, and one of the tracts which has been suggested lies in the Bear Meadows. The Commissioner of Forestry has selected as a committee to examine and report on the Bear Meadows tract the following persons:

Dr. J. T. Rothrock, West Chester. Mrs. Edward Lyon, Bellefonte. Col. J. L. Spangler, Bellefonte. Miss Mary Gray Meek, Bellefonte. Dr. E. E. Sparks, State College. Prof. Frank D. Kern, State College. Prof. Nelson F. Davis, Lewisburg. Supt. D. O. Eiters, State College. Prof. James R. Hughes, Bellefonte. Mrs. G. D. Green, Lock Haven. Mrs. Thomas N. Wynn, Lock Haven. Hon. Henry Meyer, Rebersburg. S. Ward Gramley, Millheim. John H. Chatham, McPhhattan.

The date for the inspection of the above tract has not yet been selected but it will probably be in the near future, as the Department is anxious to have a report on same within sixty days.

A Record Breaker on the Tyrone Division.

All traffic records in the history of the Tyrone division of the Pennsylvania railroad were broken on Sunday, October 23rd, when, in an interchange between the Tyrone and Middle divisions, a total car movement of 2,928 cars were recorded during the twenty-four hour period from midnight Saturday until midnight Sunday evening. The figures include both east and westbound traffic.

During the day an average of 112 cars an hour, or two cars every minute, were handled, the movement being principally coal, although all other varieties of freight was also handled. The previous high record was established one day during the world war when a total of 2,800 cars passed east and west over the division.

—Today and tomorrow Mrs. J. J. Carson, of Lock Haven, will give the public a second opportunity for meeting Mr. Riggs, a scientific foot expert from the headquarters of the Wizard system of foot relief, who will examine your feet without charge or obligation. The Wizard method for treating the feet is one of the most successful now before the public.

Fred Hull's Body Brought Home and Buried.

The body of Fred M. Hull, killed in action in the Argonne Sector, in France, on September 26th, 1918, arrived in Bellefonte on Sunday morning and was taken to the home of the young soldier's sister, Mrs. W. W. Bicketts, where it was kept until the time of the funeral on Tuesday morning. The Brooks-Doll Post American Legion attended in a body and the services were in the Catholic church at ten o'clock. Rev. Father Downes officiating. Burial was made in the Catholic cemetery.

Private Fred M. Hull was a son of Mrs. Joseph Hull and was born in Bellefonte, being 32 years and 5 months old. He was called for service and sent to Camp Meade for training on February 27th, 1918. He went across in July of the same year and was assigned to Company K, 314 infantry. He met his death in the early part of the last big drive.

Dr. R. M. Campbell Given Pathetic Farewell.

Dr. R. M. Campbell, who on Sunday preached his farewell sermons at his various appointments on the Spruce Creek charge of the Presbyterian church, was given a rousing as well as pathetic farewell by his parishioners at the Graysville church last Saturday. The laides of the church furnished an elaborate dinner and it was thoughtful of them to prepare with a lavish hand as an unusually large crowd was present.

Rev. D. S. Curry, of Mount Union, moderator of the Huntingdon Presbytery, was the presiding officer of the gathering, while prayer was offered by Rev. J. W. Francis, of Altoona. Addresses were made by Rev. Samuel Barber, of Bellwood; Rev. R. P. Daubenspeck, of Huntingdon; Rev. Samuel Martin, of State College, and Rev. R. P. Miller, of Philipsburg. The latter made the closing address and on behalf of the ministers and elders in the Presbytery presented the veteran pastor with a purse of one hundred dollars. Dr. Campbell was deeply moved by this manifestation of esteem on the part of his co-laborers in the church and made a splendid talk in accepting the gift.

Dr. Campbell retires from the active ministry after a continuous service of fifty-four years and seven months, all of which time was spent on three charges, Port Royal, Bellefonte and Spruce Creek, by far the longest time being at Spruce Creek. On Monday he moved to Altoona and will make that city his future home.

Board of Trade Resolutions.

Whereas, a nation-wide strike has been called for November 1st by the railroad operatives; and Whereas, the public would suffer great inconvenience and incalculable loss by such tie-up of the transportation systems of the country; be it Resolved, that the Bellefonte Board of Trade deprecates the action of these operatives in inflicting this hardship on the public at a time when most conservative and constructive action is imperative; and, further, urges the railroad managements of the country to refuse to accede to demands that will merely defer the settlement of a difficulty that affects the public so vitally.

—The Bellefonte fire department responded to an alarm last Saturday afternoon and in some way misunderstood the report as to where the fire was located. The fire was out at William Crawford's, at Coleville, and was a small building that years ago had been used as a little store room. Some of the firemen, however, when they learned that the fire was at Crawford's, naturally thought of Frank Crawford's home, on Curtin street, and beat it for there pell mell. They even went so far as to unroll their hose and were ready to attach it to the fireplug when Mrs. Crawford ran out and told them there wasn't any fire there. In the meantime the building at Coleville burned to the ground, but that wasn't the firemen's fault, as the fire had gained too great headway, and then the only water in that section is in Buffalo Run, and it is too far away.

—The Plum Grove school house in Union township, located along the public road between Snow Shoe Intersection and Unionville, was entirely destroyed by fire about midnight Monday night. Various reports have been circulated as to the probable cause of the fire but nothing definite is known, and it is just possible it was the result of an overheated furnace. With no adequate facilities for fighting the flames the house burned rapidly and was soon only a pile of ashes. Even the various outhouses were burned.
