High School Party.

Saturday night, October 22nd, was the occasion of a very enjoyable party and dance at the High school. Decorations and costumes were in keeping with the Hallowe'en season. The dancing floor was crowded to music by Katz's "Snappy Six." Booths for the sale of candy, cake, ice cream and punch were well patronized. Nearly fifty dollars was realized, to be expended for needed articles in the household arts department's cafeteria.

The home of John Emel, on the mountain above "Red Roost," was entirely destroyed by fire on Monday afternoon. Mr. and Mrs. Emel were at Milton and the children had gone to spend the afternoon with friends, so that there wasn't any one at the house when it caught fire, consequently none of the household furniture was saved.

The Carnegie Tech Freshmen football team which will play the Bellefonte Academy on Hughes field tomorrow, will arrive in Bellefonte this evening and will be entertained at the Academy over night and during their stay in Bellefonte.

The Y. W. C. A. club will meet Tuesday, November 1st, in the W. C. T. U. rooms in Petrikin hall, at 7:30 p. m. It is hoped that each member will bring at least one new member to this meeting.

Among the many prizes to be offered at the carnival Monday night is a sports hat, by Miss M. H. Snyder.

How to Improve Your Mail Service.

Postmaster General Hays in a recent statement to the public said: "The postal department is not an institution for profit or politics, it is an institution for service."

It is the department's purpose that every effort shall be made to improve the service, and every effort is being made with that end in view, but it is very essential that the patrons co-operate.

The vast army of Uncle Sam's 300,000 employees in the postal service, with public co-operation, is bound to bring about more efficient service, and to this end the Postoffice Department throughout the country is making this appeal, and your postmaster is asking you to assist him in bettering the service.

There are numerous ways in which improvements can be made, for instance. The providing of mail boxes or receptacles for the receipt of mail from the carrier; a lack of this tends severely to interfere with a safe and efficient mail service. You will readily appreciate the great saving in time that is effected when the carrier can proceed from house to house without the necessity of stopping longer than is necessary to drop the mail in a box or through a slot in the door, as well as the loss in time and needless delays that occur when he must knock or ring at every door and await a response. On the other hand the practice of placing mail in vestibules, under doors, on window sills, etc., where it is exposed to theft and the elements, is dangerous and frequently leads to loss of valuable and important correspondence.

The Postoffice Department earnestly

ly solicits the co-operation of the public in building up a higher, efficient and dependable service by providing a suitable receptacle of some kind for the receipt of mail.

The expense is very small and the cost nominal. Boxes can be purchased from 25 cents up. This will not only assist in the prompt and safe delivery of your mail, but will result in improving the service to the entire community.

CENTRE HALL.

Two of our schools,—the primary and high, have been closed on account of measles.

Shannon Boozer spent Tuesday night at home, coming down from State by train.

Miss Annie Lohr spent Sunday and Monday at the home of her sister, Mrs. J. F. Lutz.

Miss Pearl Arney is greatly benefited by the operation and treatment in the Bellefonte hospital and is now at her home west of town.

Harold Keller has been at the home of his parents, Mr. and Mrs. David Keller, for several days, not feeling well enough to be in school.

A business deal was consummated whereby the Bible farm, now occupied by J. Frank Bible, passed into the hands of George Heckman. The Bibles will move to Fiedler in the spring.

The Ladies Auxiliary of the Presbyterian church have furnished a handsome lamp for the pulpit of that church, which is greatly appreciated by their pastor, Rev. J. Max Kirkpatrick.

Mrs. S. S. Kreamer came to Centre Hall on the Lewistown bus on Wednesday forenoon, and in the afternoon went down to George's valley to the home of Ezra Harter, where she spent several days.

Last Friday night about ten o'clock three buildings, among them the garage, and implement shed, on the Clyde Dutrow farm were destroyed by fire. No insurance was carried and the loss is a heavy one.

D. A. Boozer, who was accompanied as far as Reedsville by his father-in-law, Capt. G. M. Boal, left Centre Hall by automobile on Tuesday afternoon. Mr. Boozer visited Harrisburg, Scranton and other eastern cities before his return home on Wednesday.

Rev. Emerson Karns, superintendent in the Methodist home for the aged at Tyrone, gave an excellent talk in the Methodist church Sunday evening. The Methodists have a fine donation of eatables, etc., from this place, Spring Mills and Sprucetown; and our popular drayman, "Billy" McClenahan, will take it to the Home on Monday afternoon, on his way to Altoona.

Rev. C. F. Catherman, wife and baby, and Mrs. Catherman's mother and sister, motored to our town on Tuesday afternoon, bringing a fine donation, consisting of canned fruits, potatoes, oats, wheat, etc., to be sent to the Methodist Home for the Aged at Tyrone. From here they motored on to Bellefonte to visit Miss Elsie Moore, who is in the Bellefonte hospital. They were accompanied from here by Mrs. J. D. Moore and Mrs. J. F. Lutz. It is a pleasure to note that there is considerable improvement in the condition of Elsie Moore since the operation.

WHEN DOWN IN THE MOUTH THINK OF JONAH, HE CAME OUT ALL RIGHT.

Some folks are never comfortable unless they are miserable; they are always down in the mouth and only feel good when telling their troubles to their friends.

Pessimism is a habit of seeing only the gloomy side of life. It is just as easy to see the right side if your vision is perfect. Let me fit you with glasses that will remove the cloud.
