

Big Rally at United Evangelical Church.

Sunday, November 6th, was "Rally day" in the United Evangelical church of Bellefonte. Rev. Steely had arranged to have Rev. A. D. Gramley, B. D., pastor of First church, Williamsport, take charge of the services. He was accompanied to Bellefonte by the male quartette of his church, composed of R. C. Sebring, James F. Orwig, Charles Maneval and E. O. Wolfe, with Miss Marian Kiess, pianist. They were brought here by J. A. Neff, in his Mitchell car. On Saturday evening previous the Sunday school banquet was held; the "Red" side banqueting the "Blue" side, there being about one hundred in attendance; S. D. Gettig, chairman. The quartette rendered three excellent selections on Saturday evening which advertised them sufficiently to insure big crowds on Sunday all day. On Sunday morning the Sunday school had an attendance of 153, which was the highest percentage of attendance for the year.

The main auditorium was filled for worship both morning and evening and the large congregations were held spell-bound during the entire periods of both sermons. The selections rendered by the quartette were highly spiritual and inspirational and were greatly appreciated by the audience. The result of the financial campaign was that nearly \$1200.00 was obtained in cash and pledges, mostly cash. The local church is highly indebted to the church at Williamsport for having furnished them with the excellent talent, which made it possible to make all the services so successful and appreciated by every one present.

Two Girls Injured in Auto Accident.

Two girls in attendance at dance parties at State College over the week-end were injured in an automobile accident on Sunday afternoon when a touring car from the College in attempting to pass one of the big motor busses locked wheels, ditching both the bus and the car. The accident happened on the narrow stretch of road near Peru. Jay Storch was driving the bus and was as far to the right of the road as it was safe to go. The touring car attempted to pass and not only grazed the rear wheel of the bus but caught the front wheel throwing the bus over into the ditch at the right of the road while the touring car went into the ditch on the left. Fortunately neither the bus nor the car upset. One young lady in the bus was thrown violently against the seat in front of her and it was feared she was injured internally. She was brought to Bellefonte and taken to the hospital but by Monday had recovered sufficiently to continue her journey to Milton. One of the young ladies in the touring car was also slightly injured. Five or six of the windows in the big bus were broken and Mr. Storch sustained severe cuts on his hands from flying glass. The bus, however, was not put out of commission and made the trip to Bellefonte with its load of passengers.

So far as known the above was the only accident that occurred, and it really was remarkable that there were not more. Dozens of automobiles were commandeered to bring the visitors from the College to Bellefonte and as every car had to get here to make connection with the trains they naturally did not lose any time on the road.

To Have Student D. A. R. Chapter at Penn State.

Steps will be taken in the near future for the organization of a chapter of the Daughters of the American Revolution for women students at The Pennsylvania State College, one of the first of its kind in the country. Miss Aleen M. Fell, of Beaver, a junior in the agricultural school, has been appointed organizing regent by the national board of the D. A. R. The chapter will have about twenty-five members. Miss Fell is the youngest regent in the society. Miss Sara Anne Hartman, of Philadelphia, a member of the junior class, was awarded the Julia K. Hogg Memorial scholarship by the Pennsylvania D. A. R.

The New Road to Centre Hall Opened.

The brick portion of the highway leading from Pleasant Gap to Centre Hall, having been given the required time to season, the road was opened Wednesday at midnight. It is no longer necessary to make the tedious detour via Lemont.

Announcement has been received of the marriage, on Saturday, October 5th, of Miss Sarah Byers Longwell to Daniel Perkins Stearn, of Garden Grove, Iowa. Mr. Stearn has a fine position with the Standard Oil Co., with headquarters at Carroll, Ia., where he at once took his bride to a home already furnished for her.

Forming Good Reading Habits.

If parents wish their children to form good reading habits they must first form such habits themselves. And there is no better way to do this than to bring into the household a periodical that will be of interest to every member of it; that will supply the best reading for old and young. Among the periodicals of this description The Youth's Companion is unique. Not only does it aim to entertain and inform boys and girls in their teens, as its name suggests, but there is not a page in it that parents can pass over with indifference.

The 52 issues of 1922 will be crowded with serial stories, editorials, poetry, facts and fun. Subscribe now and receive:
1. The Youth's Companion—52 issues in 1922.
2. All the remaining issues of 1921.
3. The Companion Home Calendar for 1922. All for \$2.50.
4. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only \$3.00.

WHEN DOWN IN THE MOUTH THINK OF JONAH,

HE CAME OUT ALL RIGHT.

Some folks are never comfortable unless they are miserable; they are always down in the mouth and only feel good when telling their troubles to their friends.

Pessimism is a habit of seeing only the gloomy side of life. It is just as easy to see the right side if your vision is perfect. Let me fit you with glasses that will remove the cloud.
