## Ed. Eckenroth Won the Giveaway

Car.

The efforts of the Beatty Motor Co., of this place to give away a Ford touring car were ended on New Year's eve when E. J. Eckenroth's name came out of the can with a flivver hanging to it.

Business being a bit dull and in the need of stimulation Mr. Beatty conceived the idea of stirring those, who really wanted Fords but were staving off the inevitable, into action. Accordingly he made the announcement, on November 18th, that every person who made a deposit and signed a contract to purchase a car of any type, a half-ton chasis or a ton truck, between that date and January 1st, 1922, would be entitled to one chance on a new Ford touring car free of charge.

The proposition proved almost as popular as the Ford itself, for in the forty-three days' campaign seventysix persons took a chance.

The drawing was made quite a function in the Beatty Co's plant. The sales rooms, offices, shops and storage department were bright, clean and decorated artistically. In the shops were chairs for a gathering of several hundred and disagreeable as the weather was every one of them was filled with drawers, their friends and others interested in the unusual

proceeding. An orchestra and a quartet entertained while a committee comprising Charles M. McCurdy, John Blanchard, Judge Henry C. Quigley, Robert F. Hunter, W. Harrison Walker and George R. Meek were locked up in a room checking off the orders to prove that every name in the drawing was that of a bona-fide purchaser. After Pennsylvania cavalry, and served un- Angeles, Cal.; Mrs. James Nestlerode, the contracts were examined and checked off with the list the name of each person entitled to a chance was put into an envelope and sealed. There were seventy-six of them. In seventy-six other envelopes were placed slips designating the prizes to be awarded—and there was a prize of some sort-spark plug, flash light, velopes were placed additional slips carrying the word "automobile." Then the committee filed down into the assembly room and in full view of all placed the name envelopes in one can and the prizes in another. Mr. Beatty opened the meeting with a few list for service in Centre county and words of felicitation and introduced Judge Quigley who made a pleasant little talk and explained the manner of the drawing. Robert F. Hunter drew the prize envelopes from one can and as he announced the prize W. name from the other. When an envelope containing the word "Automoname envelope was not opened. The drawing continued until the cans were empty and then the five name envelenvelopes, only one of which contained the word "Automobile" were placed

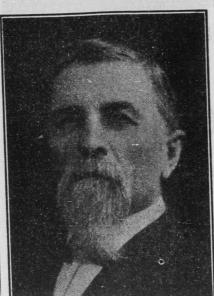

in the other. Nobody knew whose names were in the final drawing except the five themselves, for their names had not been called as winners of the small prizes. Then Judge Quigley asked them, if It was primarily through his endeavpresent, to step forward to watch the out were blank except for the small came the name of E. J. Eeckenroth,

the lucky boy. It was eminently fair. Mr. Beatty took no chance, whatever, on grounds for criticism. He even went so far as to lock the committee in and himself out of the room in which the envelopes were sealed so that there could not be even an appearance of collusion-if such a thing were conceiva-

The campaign resulted in the sale of 18 touring cars, 16 runabouts, 2 1/2in Bellefonte and Spring township, 13 in the Bald Eagle valley, 14 in Penns and Brush valleys, 8 in Nittany valley and 2 to Snow Shoe and Karthause.

The opening day, December 24th, was an epoch in the history of the bank. While no count was made of the number of people who visited the institution on business and merely to see the new banking room, the bank officials estimate the crowd at close to thirty-five hundred people. This estimate is based on the fact that over one thousand cigars were given to men and over one thousand boxes of candy to women, while over three thousand calendars were given out.

A large and beautifully trimmed Christmas tree stood in the southeast corner of the lobby while jardinieres with cut flowers stood at every point of vantage. Naturally there was considerable curiosity as to who would be the first depositor and about fifty people were in waiting at the door. When the clock struck nine the doors were opened and Mrs. Wallace Markle beat the crowd in getting to the teller's window, with C. F. Tate a close second. Calendars and candy were given the ladies, calendars, a

cigar and a bill book the men. Secretary and treasurer Nelson E. Robb met everybody with a smile and a handshake and stayed on the job until the bank closed at ten o'clock at night, and although he looked somewhat tuckered out he never lost the smile nor the geniality of his hand-

History retold in celluloid! That's what is claimed for this feature by the management of the Pastime theatre. Based on the marvelous adventures and escapades of the dashing D'Artagnan and three of King Louis XIII's Musketeers, his photoplay unfolds the history of France in the early Seventeenth Century when that monarchy was dominated by the designing and crafty Cardinal Richelieu, a soldier by training but a statesman and churchman only by virtue of intrigues he devised.

Many Excellent Exhibits at Farm Products Show.

More than one hundred farmers attended the annual meeting of the Centre county Farm Bureau and the farm products show held in Bellefonte December 24th. There were interesting discussions on potato growing, poultry, corn, wheat, boys' and girls' club work and various other farm bureau projects in connection with the report of the county agent. F. P. Weaver, assistant director of extension, emphasized the value of community organization as a means of securing more efficiency in farm bureau work. E. L. Nixon gave a very instructive talk on potato production, in which he pointed out good seed and spraying as the two most important points to consider in order to be successful in growing potatoes at a

The election of officers for 1922 was held in the afternoon when the following men were elected:

President, John G. Miller, Pine Grove Mills; vice president, Col. W. F. Reynolds, Bellefonte; secretary, J. Gross Shook, Spring Mills; treasurer, W. C. Smeltzer, Bellefonte.

The farm products show and educational exhibit was the best ever held in Bellefonte and received much favorable comment.

The better exhibits will be sent to the State farm products show at Harrisburg, January 23-27. Any person wishing to exhibit at the State show should send their exhibits to the Farm Bureau office at once. All exhibits received at the Farm Bureau office before January 11th will be forwarded to Harrisburg free of charge.
