IMPORTANT FACTS ABOUT THE Y. M. C. A.

What Has Been Done and What Must be Done to Accomplish the Desired Results.

No one familiar with sentiment in Bellefonte has failed to take cognizance of the interest in the Y. M. C. A. that has been awakened since the pre-opening reception that was held in the remodeled building on January 2nd.

Mr. Stephen S. Aplin, the new general secretary, is here and it is quite possible that his assistant, a trained physical director, will be with him before this is in print. Plans for the opening are completed, classified memberships have been arranged, the budget for the year 1922 has been adopted and tentative plans for carrying on the social and religious features of the work for the year are made so that it would seem that nothing more is necessary than to throw open the doors and invite the public in, old and young, rich and poor alike.

Most of you will recall that at that time, after what was thought to be a most careful survey of the needs of the Association and a compilation of its debts, it was announced that \$16,000 would pay off all the old obligations, remodel the interior and provide capital on which to run the Y. for a year. We were all enthused over the project, for many of us especially wanted to have it open and ready for the soldier boys when they came home. We went to work with a will and in a week \$16,277.00 had been pledged.

At once plans and specifications were prepared for the improvement work and contractors invited to bid on them. The first shock came when the bids submitted were opened. Not one of them was within the limit of cash available for new work, if the debts were to be paid, any new equipment purchased or running expenses for the year provided for. In such a perplexity several very well known builders and engineers were called in to conference and it was their opinion that the work could be done cheaper by the day than by contract, for the reason that in tearing out an old building a contractor never knows what his element of risk in shattered walls will be so he very properly figures on a larger margin of safety than is necessary on entirely new work.

Largely on the advice of Mr. Horatio Moore, engineer, the committee decided to take the risk itself and build by the day. It was a long drawn out work, caused general dissatisfaction and we have no intention of justifying the delay nor offering alibis for those who managed it. We are ready to forget the past. What we want to do is appraise the present and look to the future.

Today we have a Y plant that a city of fifty-thousand population could point to with pride. The original plans provided for a place for bowling, billiards and showers in the basement where there was little ventilation, no light and always dampness. Mark you, we say, only provided places for these things. The committee, without leave or license, tore down an old barn that was on the rear of the lot, used the stone that was in it and more that Hon. A. G. Morris gave and built the handsome building at the rear that is airy, well lighted and has not only places for four bowling alleys but has the alleys and with them three billiard and pool tables, lockers and showers for women, lockers and showers for men and a fine kitchen, fitted out with a big range, sink and ample cupboards. Looking back over the cellar lay-out that might have been and seeing the splendid new ground floor building that is almost we are persuaded to think that that dilatory committee wasn't such a bad institution after all.

Now let us see what they did with the \$16,277.00 that they pledged: First they paid every long whiskered old debt the Association had but one. They amounted to \$2,206.46. That left \$14,070.54 of the pledged sum available. Then they started work and went as fast as subscriptions were paid in and they got so far on that they couldn't stop until things were under cover and then when they took account of the situation they found themselves in debt because pledges to the amount of over \$4000 were unpaid. From that on it was optimism and faith in Bellefonte. As there are still \$2700 of pledges re-

maining unpaid it will be seen that the original \$16,277.00 has shrunk to \$11,370.54 or nearly \$5000 short of the amount originally supposed to have been available.

When we consider how much more has been done than was contemplated at first and compare it with what we know of recent building costs in Bellefonte we are not surprised that the Y. is now \$6000.00 in debt, for this actually represents the \$2700 of unpaid pledges and only \$3300 for a new building, 45x70, that was not in the original plans and four bowling alleys that would cost new today \$2200.

This \$6000 is part of the something else necessary that we started out to tell you about.

Today the Y. has only fifteen creditors, all of them in Bellefonte. To be exact it owes \$6,504.12. They must be paid. It is an honest debt, contracted in good faith. The work has been done clean and square and we know of no instance where more could have been accomplished for the same expenditure. In fact it is a marvel that so much was accomplished, under existing conditions, within the figures given. It will require \$6667.50 to pay the general secretary, the physical director, the clerk, provide coal, light, repairs, replacements, social entertainments and what-not for 1922. \$1400 could be very advantageously expended on new gymnasium apparatus and additional repairs. Enlargement of the house heating plant and renewal of the heater for the swimming pool will require \$2000 more so that if we expect to greet 1923 with a clean slate and a Y. that is reaching out into every quarter for opportunities for service we must have \$16,571.62.

Wait a minute! Wait a minute! Don't throw up your hands and exclaim that we are taking you right back to where we started three years ago. We're simply playing square. Showing you the situation as it is, so you'll know it all. Now let's take off \$2,000 of the \$2,700 of unpaid pledges, for that amount will surely be paid, and we'll need \$14,571.62. Then let's take off \$4600 which is the minimum income from membership and other sources to be explained below, and we'll have a total of \$9,971.62, the sum necessary to pay all debts and run the Y. right, clean through to January 1st, 1923. This should be raised right now to clean off the slate, start the work right and guarantee the gentlemen who are here to carry it on that they will be handicapped in no wise by financial matters and that every moment of their time and every bit of their energy can be devoted to giving this community such a welfare service as it has never thought possible through Y. work.

The American Legion boys are for it! Are you? Come on fellows. Let's go. Let's raise it now!

BELLEFONTE Y. FOR THE PRESENT AND FUTURE.

The work during the past three years has been directed by a temporary Board of Directors who will be re-elected or replaced by a regular Board appointed by an active membership as soon as a sufficient number have joined to justify the election. This is a membership privilege. Committees for the various departments will be appointed by the Board and a cabinet will be formed of the chairmen of the various committees who will be responsible for the work of the departments. Committees to be appointed are: Finance, building, membership, religious, boys, physical, social, educational.

A department for work with the ladies and girls will be promoted through a Ladies' Auxiliary and a Mothers' committee. Privileges for them will be provided as quickly as opportunity permits. The use of the gym and showers will be set apart for their use at stated periods.

The divisions of membership have been decided on and are in age grouping, with price of membership accordingly.

Junior 10 to 13 \$ 3.00 a year
High school boys 14 to 17 5.00 a year
Employed boys 18 to 21 7.00 a year
Young men 22 to 25 10.00 a year
Seniors over 21 10.00 a year

A contributing membership may be secured by an annual payment of amounts exceeding \$10.00, which will contribute to the deficit in the receipts from memberships and the amount required for current expenses.

The price of membership for the ladies and girls has not been decided upon at the present time as the extent of their privileges and number using them has not been settled. A membership campaign will be conducted on the opening of the building. The building will be open until 10 p. m. and an effort made to have some officer on duty at the desk from 10 a. m. In the plan for the development of the work, it is the earnest desire of the Directors to make the building and equipment, with the staff of officers, of the greatest service to the town and rural community in the up-building of Christian citizenship, and be of service to welfare organizations having no local home or headquarters. It is hoped that the ladies will soon have a room fitted up as a rest room for those coming to town from the neighboring community.

Boys and young men will be organized into groups for club activities and the spacious rooms in the building will make efficient work possible. On the arrival of the physical director, a leaders corps will be organized to train selected members with leadership ability to assist in the activities of the Association and the churches they belong to.

The organization of the following groups is planned for activities as soon as possible after the opening of the building:

- Hi Y. Club for High School Boys.
Outing Club for Boys.
Radio Club.
Camera Club.
Volley Ball League.
Bowling League.
Basket Ball League.
Book Clubs.
Sunday afternoon meeting for Men.
9 to 12 regular Gym Classes for men, boys and girls.
Saturday Night Entertainments.

With the co-operation of churches and welfare organizations of the town and community, the Young Men's Christian Association is sure to become the influence it ought to be for better manhood, womanhood and citizenship, and assuredly will be, if the people of Bellefonte rally to its support and patronage as they should Watch and help it grow into a beehive of activity for the betterment of the community.

Advices Subscribers to Buy Stock.

C. W. Heilhecker, the local manager of the Bell Telephone company of Pennsylvania, is sending out personal letters to telephone subscribers in his district urging their purchase of the shares of the American Telephone and Telegraph company. This move is in line with the best thought of the times.

It is becoming more and more evident every day to thoughtful people that it is very desirable that the users of public utilities' services should be interested as investors in the companies that render the service. A widespread ownership of this sort in the communities served leads to a sympathetic understanding on the part of the users of such service of the problems and difficulties with which the utility companies are confronted from time to time, resulting in more cordial relations between the purveyors of the service and their patrons.

The American Telephone and Telegraph company, directly or indirectly, owns the entire capital stock of the local Bell company, and about 90 per cent. of all the other so-called Bell Telephone companies in the United States. The American Telephone and Telegraph company is one of the largest industrial organizations in the country and has over 183,000 shareholders. Local manager Heilhecker points out with enviable pride that the company are regularly paying for shares of its stock, taken under recent subscription plans, and that already some 25,000 of them hold shares for which they have paid in full. He also points, with natural satisfaction to the dividend record of the American Telephone and Telegraph company, which has paid dividends regularly for the last forty years at rates varying from \$7.50 per share per annum, to \$9.00 per share per annum which is the present rate, dividends being paid quarterly in January, April, July, and October.

Two Men Electrocutted.

Walter A. Lewis, of Delaware county, and John Mason, of Allegheny county, both colored, were electrocuted at the Rockview penitentiary on Monday morning. Lewis was only twenty-two years old and was convicted of the murder of John Dalton, a son of Dr. Dalton, of Sharon Hill. Three men were implicated in the crime, one of whom was acquitted, another sent to the penitentiary for twenty years and Lewis convicted of first degree murder. Lewis was notified last Friday that he would be taken to Rockview on Saturday and some time during Friday night he tore his iron cot from its fastenings, and barricaded his cell door. He also pounded plaster in the lock of the door so that the warden was unable to get the key in to unlock it, and it was necessary to tear away a portion of the steel frame to get the door open when the sheriff went to get Lewis Saturday morning to take him to Rockview.

Being informed of these facts officials at Rockview prepared for any contingency in the event Lewis should offer any resistance on Monday morning, but he didn't. Supported by two guards and with little show of fear he walked to the chair. Mason followed thirteen minutes later. Dr. Robert M. Campbell was the physician in charge.

Vocational Boys at State College.

As a result of their good scoring in a livestock judging contest at State College last Friday three Centre county boys, Fred Ross, of Boalsburg; Ward Hosterman, of Aaronsburg, and Philip Musser, of Centre Hall, got a trip to the State farm products show at Harrisburg this week at the expense of the State Department of Agriculture. Under the direction of John B. Payne, vocational education director for Centre county, the boys will compete in the livestock judging contests held there. A large number of boys were entered in the contests at State College last Friday and the best first to fourth grades, with the per cent. made, were as follows:

- DAIRY CATTLE
Fred Ross, Boalsburg 93
Jesse Gray, Port Matilda 90
Joseph Shutt, Boalsburg 89
Paul Ripka, Centre Hall 85
POULTRY
Philip Musser, Centre Hall 90
Edgar Joden, Centre Hall 88
Harry Burd, Aaronsburg 85
Harold Crain, Port Matilda 83
NEWTON CRAWFORD, Centre Hall 83
CORN
Ward Hosterman, Aaronsburg 94
Rosenman West, Boalsburg 92
Harold Crain, Port Matilda 88
George Sweeney, Centre Hall 85

—Rev. J. Shibley, of State College, will fill the pulpit in the Bellefonte Presbyterian church on Sunday, both morning and evening.

FITZGERALD.—Miss Sarah G. Fitzgerald passed away at 11:30 o'clock last Thursday night at the home of her aunt, Mrs. Sadie M. Deitrick, in Williamsport, where she had made her home since leaving Bellefonte about nineteen months ago. She had not been in good health the past few weeks but her condition did not become serious until within thirty-six hours of her death.

Miss Fitzgerald was a daughter of William T. and Isabelle Kase Fitzgerald and was born in Bellefonte, practically her entire life having been spent here. She was educated in the public schools and at an early age displayed considerable musical talent. When she grew to womanhood she spent several years in Philadelphia studying music and made that her life work. Returning to Bellefonte she taught music for several years. She was one of the leading figures in most of the musicales and amateur theatricals given in Bellefonte in recent years and in a great measure aided in their success. She was a member of the Patriotic League which later was merged into the Y. W. C. A., and always took an active part in all its work.

She went with her father to Williamsport in June, 1920, and at the time of her death was supervisor of music in the schools of Loyalsock township. She was active in the Story Telling League of Williamsport and voluntarily contributed her services in training the boys at the Boys' Industrial Home in singing. She was a member of St. John's Episcopal church, of Bellefonte, and after going to Williamsport attended the Trinity Episcopal church.

Her mother died in May, 1916, and her father in June, 1921, and her only survivor is a half-brother, Harry Fitzgerald, of Columbus, Ohio. The remains were brought to Bellefonte on the 3:10 train last Saturday afternoon, and taken direct to the Union cemetery for burial. Rev. M. DePui Maynard had charge of the services at the grave.

PEASE.—Mrs. Bessie Emma Pease, wife of William H. Pease, died at her home in Tyrone on Saturday evening following several years illness with Bright's disease. Two months ago she was taken to the Clearfield hospital for treatment but was taken back to her home early last week, suffered a relapse and passed away Saturday evening.

She was a daughter of Mr. and Mrs. Edward Packer and was born at Pleasant Valley, Bucks county, on November 14th, 1890, hence was 31 years, 2 months and 7 days old. When she was a child her parents moved to Milesburg, where she lived until six years ago since which time she had been a resident of Tyrone. On March 19th, 1914, she married William Pease who survives with two children, Harold and Sarah. She also leaves her mother and the following brothers and sisters: Cleveland Packer, of Milesburg; Ira Packer, of Yarnell; Mrs. Frances Ammerman, of McAlisterville, and Mrs. Kate Jacobs, of Milesburg. Mrs. Pease was a member of the United Brethren church and a good christian woman. The body was brought to Milesburg Tuesday afternoon where funeral services were held on Wednesday by Rev. Sparks. Burial was made in the Fairview cemetery.

KELLEY.—Mrs. Emma Mary Kelley, widow of the late William Kelley, died on Saturday at the home of her daughter, Mrs. J. A. Sherlock, at Josephine, Pa., following an illness of some days with heart trouble and uraemic poisoning. She was a daughter of Dr. and Mrs. C. D. Fortney and was born at Scottsdale, Pa., on January 5th, 1856, hence was 67 years and 14 days old.

Forty years ago she married William Kelley, a well known furnaceman, and for two score or more years they resided near Bellefonte. Mr. Kelley died five years ago and about a year ago Mrs. Kelley went to Josephine to make her home with her daughter. Her surviving children are Mrs. Sherlock, of Josephine; Mrs. Harry Austin, of Bellefonte; Mrs. Ernest Ebeling, of Saltsburg; Mrs. Frank Saligner, of Slicksville; Mrs. Samuel D. Rumberger, of Pleasant Gap; Daniel Kelley, of Canton, Ohio, and William Jr., of Scottsdale. She also leaves three brothers, Harry Fortney, of Greensburg; John, of Scottsdale, and James, of Connessville. Burial was made in the family lot at Scottsdale.

CLARK.—Mrs. Mary Ellen Moore Clark, wife of J. E. Clark, died at her home at Waddle on Sunday evening, following a lingering illness with sarcoma. She was born at Centre Furnace over sixty-six years ago but all her married life has been spent in Buffalo Run valley. She was a member of the United Brethren church at Paradise for forty-one years, and an earnest christian woman.

Surviving her late husband and one daughter, Mrs. Ethel Snyder, of Pittsburg. She also leaves a foster son, John, on the home farm, two sisters and a brother, namely: Mrs. Andrew Gummo, of Bellefonte, R. F. D.; Mrs. Maggie Bair, of Pitscain, and John Moore, of Warriorsmark. Funeral services were held at her late home on Wednesday morning by Rev. George E. Smith, her pastor, assisted by Revs. L. C. McKinley and G. W. Emehizer, after which burial was made in the Meyer's cemetery.

GRAY.—George S. Gray, an old-time resident of Halfmoon township, died last Saturday night of general debility, aged 92 years, 5 months and 26 days. He was the last of the family of Isaac and Catherine Gray, pioneer settlers of that valley, while his survivors include one son and four daughters. Burial was made at Gray's cemetery on Tuesday.

ROSS.—Mrs. Gertrude M. Ross, wife of Elmer C. Ross, of Lemont, passed away at eight o'clock on Wednesday evening. She had been a sufferer for several years with a complication of diseases but her condition had not become critical until a few weeks ago. She was a daughter of William and Sarah Allison Irwin and was born in Marion township about fifty-eight years ago. All her married life had been spent at Lemont. In addition to her husband she is survived by one daughter, Miss Edith, at home. She also leaves one brother and four sisters, D. Allison Irwin, of Ebensburg; Mrs. Jessie Rosser, of Mill Hall; Mrs. J. Will Mayes, of Howarth; Mrs. Samuel L. Allen, of Pittsburg, and Mrs. Harry B. Martin, of Wilkinsburg.

She was a lifelong member of the Presbyterian church and Rev. Kirkpatrick will have charge of the funeral which will be held at ten o'clock tomorrow morning, at the house, burial to be made in the Branch cemetery.

MILLER.—William Frank Miller, a well known resident of Hubersburg, died on Saturday night following an illness of some weeks with a complication of diseases, aged 69 years, 8 months and 19 days. He was a son of John and Sarah Miller and was born at Hubersburg. He was twice married, his first wife being Miss Laura Carner, who died a number of years ago. His second wife was Miss Elmina Harshbarger who survives with the following children to his first wife: P. C. Miller, of Punksutawney; John A., of New York, and Mrs. Ethel Stover, of Zion. He also leaves two brothers and a sister, John D. Miller, of Hubersburg; Charles, of Johnstown, and Mrs. Minnie Hoy, of Jacksville. Rev. Faust had charge of the funeral services which were held on Wednesday afternoon, burial being made at Hubersburg.

CORMAN.—James T. Corman, a Civil war veteran and one of the oldest residents of Rebersburg passed away last Friday evening, aged 82 years, 1 month and 12 days. For many years he was one of Miles township's most successful farmers but retired sixteen years ago. He is survived by his wife and the following children: Mrs. A. E. Strayer, of Jersey Shore; George A., of Rebersburg; Mrs. Warren F. Stover, of Millheim, and Mrs. Charles Diehl, of Clyde. He also leaves two sisters and a brother, Mrs. Ellen Brungart, Miss Emma and Noah, all of Rebersburg. Burial was made in the Union cemetery at Rebersburg on Wednesday afternoon.

Former Coleville Man Killed in Williamsport.

Richard Barlett, a native of Coleville and for many years a drayman in Bellefonte, was run down by a passenger train on the Philadelphia and Reading railroad at the Chestnut street crossing in Williamsport, on Tuesday morning and so badly injured that he died in a few minutes. The family moved to Williamsport four years ago where Mr. Barlett was employed in the city highway department. On Tuesday morning he was shoveling cinder from a battleship freight car into wagons. The car was almost empty and the workmen decided to dump the balance of the cinder. Mr. Barlett got down to open the hopper and in doing so stepped onto the main track just as a passenger train came along. He was hit and thrown some distance, his head being crushed and left leg broken.

Mr. Barlett was sixty-five years old and had lived at Coleville all his life until his removal to Williamsport four years ago. He is survived by his wife and one son, David. He also leaves two brothers, William and Jacob, of Bellefonte, and one sister, Mrs. Jacob Jury, of York. The remains were brought to Bellefonte on the 3:10 train, yesterday afternoon and taken to the United Brethren church where funeral services were held by Rev. George E. Smith, after which burial was made in the Union cemetery.

Plan for 10,000 Students at Pennsylvania State.

Harrisburg, Jan. 24.—Building plans on the basis of caring for a student body of 10,000 at Pennsylvania State College were viewed and accepted in principle by the college board of trustees in annual session here today. Ground will be broken soon for the first units of the program consisting of a dormitory for men and a beef cattle barn for the college farms. The architect's plans for the completed program were referred to a special committee of trustees.
