

NEWS ABOUT TOWN AND COUNTY.

A little son was born to Mr. and Mrs. Merrill Eisenhauer, of east High street, on Monday night.

Mr. and Mrs. Gregg Curtin are receiving congratulations on the birth of a son, who was born Wednesday, February 15th, at their home on Linn street.

The Catholic Daughters of America will hold a dance at the armory Friday evening, February 24th, at nine o'clock. Music by the Academy orchestra. Everybody welcome.

From September 1st, 1921, the date the one cent a gallon gasoline tax went into effect, to January 1st, 1922, Centre county dealers paid to the State tax amounting to \$6,064.52. Half of this amount, or \$3,032.29, will, under the law, be returned to this county.

The Woman's Foreign Missionary society of the Presbyterian church of Bellefonte, will hold their annual praise service on Friday afternoon, February 17th, at three o'clock. Mrs. Mary W. Newlin, president of the Huntingdon Presbyterian society, will speak at this meeting.

Mrs. Hiram Fetterhoff is arranging for the sale of the greater part of her house furnishings, in anticipation of going to Pleasant Gap to make her home with her sister, Mrs. Rachel Noll. Mrs. Fetterhoff will leave the Mingle house on Bishop street, which she has occupied for over thirty years, just as soon as it is possible for her to get away.

James C. Waddle, for many years a conductor on the Bald Eagle Valley railroad but who has been retired almost a score of years, celebrated his eighty-eighth birthday anniversary at his home in Lock Haven last Saturday. The veteran railroader is still in the best of health and his many friends hope he may live to celebrate many more anniversaries.

Under the teachers' salary act of 1919 Centre county's share of the appropriation was \$70,870, while under the act of 1921 the apportionment gives this county \$136,062, supposed to be fifty per cent. of the minimum salary paid teachers in each school district. The only question that is worrying the directors so far is the slowness of the State in paying over the money.

From all indications representative Democrats—men and women—from all over Centre county will attend the get-together banquet to be held at the Brockerhoff house, Bellefonte, next Tuesday evening. In addition to the eats the attractions will include music by the Odd Fellows orchestra, of Bellefonte, and the presence of Mrs. Allen, of Williamsport, as one of the speakers.

Thunder and lightning accompanied Sunday evening's rain and sleet storm. Neither the thunder nor the lightning were prolonged for any length of time but both were pronounced enough to be observed by a number of people in Bellefonte. Old wisecracks would probably aver that such a phenomenon meant a change in weather, and it surely did, because by Monday morning real winter weather prevailed again.

If you are a movie fan, and many people are, move right up to the Scenic every evening in the week and see the screen offerings portrayed there. By reading the program published in this paper you will be able to pick out your favorites. Manager T. Clayton Brown makes it a point to give the best pictures obtainable and nothing that is really good is turned down. An evening at the Scenic means several hours of entertainment and amusement.

The Seven Stars theatre at Philipsburg was robbed on the night of January 30th and last Friday the police arrested Charles Hemmis, William Cartwright and William Rupe, all of whom admitted their guilt and were held in \$1,000 bail for trial at court. Walter J. Rolley, who is suspected of having some connection with planning the robbery, was also arrested and held in \$500 bail for trial. The three first mentioned were unable to secure bail and were brought to jail on Saturday.

William H. Kibble's production of "Uncle Tom's Cabin" will be the attraction at the opera house next Monday evening, February 20th. A special school children's matinee will be given at 4 p. m., with admission prices of 17 cents for children and 28 cents for adults. The evening admission will be 55 and 85 cents for the first floor and 28 and 39 cents for the balcony. The Kibble company has been commended by the press wherever it has appeared this year and if you want to see Uncle Tom and Little Eva go to the opera house next Monday evening.

The teachers in the public schools of Bellefonte are now taking a course in individual intelligence measurements under the instruction of Prof. Rhotan, who is in charge of the educational measurement department in the school of education at State College. He comes to Bellefonte every Thursday evening and gives an hour's instruction. The purpose of the course is to enable the teachers to measure the intelligence of the pupils in their charge and in this way give them the studies they can absorb without overloading their mental capacity and at the same time advance the pupil who is able to make rapid progress.

BOARD OF TRADE HELD ANNUAL MEETING.

Considered Proposition of Motor Company to Locate in Bellefonte.

Two very important questions were considered at the annual meeting of the Bellefonte Board of Trade held at the Y. M. C. A. yesterday morning. One was the consolidation of the board with the Associated Business Men of Bellefonte for the purpose of forming a better working organization for the best interests of the town. It is a well known fact that a town the size of Bellefonte is not large enough for two organizations, the common object of each being identical. It was even suggested as a good idea the combining of the two organizations and the employment of a secretary who could devote his entire time to the work. To this end a committee was appointed to lay the matter before the Associated Business Men and if they are favorable formulate plans for consolidation.

Another question discussed was that of inducing the Champion Motors Corporation, of Philadelphia, to locate in Bellefonte. This company, of which Henry Crothers is president, is seeking a location in the central part of the State for its plant. It is not a manufacturing concern but entirely an assembling plant. It uses the Liberty motor, which is manufactured in Williamsport, and puts out the New Champion Special car which sells for \$1095. Members of the Board of Trade have been in communication with the company, and have even investigated their standing, and are very favorably impressed. The old Titan Metal company plant at Milesburg has been considered as a most suitable place for the location of the company, should Bellefonte succeed in securing it, and Mr. Cothers, has written that it has ample floor space and from description would appear to be admirably located.

While the exact terms on which the plant could be secured have not been made public it is understood that only a nominal request has been made. In pursuance of meeting this request Bellefonte would be given representation in the active management of the company. The entire proposition will be gone into further with the possibility of favorable developments in the near future.

Officers elected by the Board are Capt. W. Frederick Reynolds Jr., president; Charles R. Beatty, vice president; W. T. Kelly, secretary, and Charles M. McCurdy, treasurer.

Charles Baney Skips with "Change" He Got at Bank.

Sheriff Harry Dukeman, of Bellefonte, is endeavoring to learn the whereabouts of Charles Baney, of Bellefonte, who left town quite suddenly last Friday after getting change for a twenty dollar bill given him to get changed by R. Russell Blair. Baney during the winter has washed the windows and done other odd jobs around Blair's jewelry store. Recently he conceived the idea of buying a horse and embarking in the draying business. Isaac Baney, who lives south of Bellefonte on a farm, agreed to sell him a horse for five dollars but Charlie only had two bucks. Accordingly he went to Russell Blair and requested an advance of three dollars so he could purchase the horse, promising to work for the loan whenever there was anything to do. Mr. Blair did not have the change so gave Baney a twenty dollar bill and told him to go to the bank and get it changed. He went to the Bellefonte Trust company and got the change but did not return to the store. Instead he paid five dollars over to Isaac Baney for the horse then left town.

Naturally when he failed to return to the store Mr. Blair started out to hunt him up, but failed to find any trace of him. But he did find Isaac Baney and when the latter was told of the incident he turned over the five dollars and took his horse back. Failing to locate young Baney a warrant was sworn out for his arrest by Mr. Blair and the same placed in the hands of the sheriff. Baney was seen in Lock Haven on Friday night or Saturday morning headed for Buffalo, N. Y.

Grandmother Elizabeth Bilger, widow of Jonathan Bilger, of Pleasant Gap, celebrated her ninety-first birthday anniversary last Saturday and her children and various descendants made it an occasion of some note by gathering at her home and giving a party in her honor. Fifty people were present from Pleasant Gap, Bellefonte, Milesburg, Zion, Philipsburg and Trafford City. Mrs. Bilger is the mother of twelve children, eleven of whom are living and of this number six were present. Four of the children live in the west. During the evening the guests amused themselves in various ways. There were six tables of five hundred and various other diversions. At eleven o'clock all the guests were invited to the dining room where a large table was crowded to capacity with about everything good to eat that the season affords. There were big cakes and little cakes, ice cream, coffee, candies, etc. It was after midnight when the party broke up and the guests departed for their respective homes. Mrs. Bilger, by the way, is still enjoying remarkable health, notwithstanding the fact that she is now past ninety-one years of age.

The county auditors are about closing up the audit of the 1921 accounts of the receipts and expenditures of Centre county.

The Brooks-Doll Post of American Legion cleared three hundred dollars or a little less as the result of their two minstrel performances in the opera house last Thursday and Friday evenings. Their total receipts were something in excess of eight hundred dollars but by the time the expenses were taken out and the net proceeds divided between the John B. Rogers Producing company and the American Legion the latter's share was only about \$300. Flushed with the success of their performance this year they will probably make the minstrel an annual affair, but next year they will be under local management.

Basket ball fans of Bellefonte and vicinity will have a treat in store for them Wednesday evening, February 22nd, when the two great rivals, the undefeated State Freshmen and the Academy boys will meet in the armory at 8:30 o'clock. The Freshmen, coached by Glenn Killinger, of football fame, have won every game to date. Their important victories were over the Kiski team, the Pitt Freshmen and the University of West Virginia during a recent three days trip. A few weeks ago the Academy lost to them on State's floor by the close score of 21 to 26. This is the only game the Academy has lost and the "prep" boys are out for revenge next Wednesday evening. It will mean a great deal to the Academy to defeat the Freshmen, as it will place them at the head of the prep school teams of the State. So don't miss this game, as it should be a thriller.

"Biz-Biz" Next Tuesday Night.

Rehearsals for "Biz-Biz," a musical comedy to be given Tuesday, February 21st, at the opera house by the Bellefonte High school glee club, are well under way and point toward a decided success. This bids fair to be one of the best plays ever produced by the High school students. The play is being coached by Mrs. Krader, who is supervisor of the musical department. A special matinee at 3:15 will be given for children under fourteen years of age. Admission, 15 and 20 cents. Evening prices, 50 and 75 cents.

Report of the Red Cross Nurse for January.

Table with 2 columns: Category and Amount. Nursing visits: 21; Visits to schools: 22; Attendance at clinics: 4; Other visits: 15; Total: 62.

Miss Royer assisted Dr. Barlett, medical inspector, in the examination of 726 school children in Spring township and Bellefonte. She was in attendance at the court house, January 23rd, for the "clean-up-squad."

Butterfly Hatched in Mid Winter.

Last December when the teachers and students at the White Hall school, in Ferguson township, decorated the school room for the holiday exercises they took in a branch of evergreen to which was attached a cocoon. When the decorations were removed after the holidays the branch with the cocoon on was cut off and kept in the room. One morning last week when the teacher opened the school room she was amazed to see a beautiful butterfly flying about the room. An investigation showed that the cocoon had been hatched out during the night. The warm temperature of the room was probably responsible for the early hatching.

Port Matilda Man Seriously Burned in Gasoline Fire.

C. C. Snyder, who conducts a garage at Port Matilda, was seriously burned in a gasoline fire on Tuesday morning. It will be recalled that it was quite cold on Tuesday morning and when Mr. Snyder went to his garage and built a fire he undertook to hurry it along with a little gasoline. The fumes caught fire which communicated to the gasoline can and in the twinkling of an eye Mr. Snyder was enveloped in flames. He ran from the garage and persons nearby ran to his rescue and with old sacks and coats managed to smother the flames but not until Snyder was so badly burned on his hands and portions of his body that the skin and particles of flesh peeled off. While it is not believed he is fatally burned he will likely be housed up for some time.

Friends Quarterly Meeting.

The winter session of the Friends quarterly meeting, composed of representatives from societies in Bedford, Clearfield and Centre counties, will be held at Unionville on February 18th, 19th and 20th. The program of services will be as follows:

Saturday, 18th, First-day school convention, 2 p. m., followed later in the day by a business meeting of "ministry and counsel."

Sunday, 19th, 10 a. m., devotional meeting, 2 p. m., community conference in which all the congregations of the place and their pastors are invited to take part. Subject for consideration, "Present Day Peace Problems."

Monday, 20th, 10 a. m., business meeting.

Joel Burton, a minister of Woodstown, N. J., and other speakers will address these meetings. The Sunday meetings must accommodate train schedules, therefore the hours named must be strictly observed.

FOR THE NEAR EAST RELIEF.

Two Prominent Speakers Will Address Meeting in Court House Tomorrow Evening.

The campaign contributions for the Near East Relief will be opened in Bellefonte tomorrow evening with a public meeting in the court house. Two very prominent speakers in the persons of Dr. Talcott Williams and Lieut. Frank Connes, will be present and portray the urgent need of continuing the relief work another year. Both men will also speak in the auditorium at State College on Sunday afternoon at 3:30 o'clock. The people of Bellefonte and State College are urged to turn out and hear these gentlemen, as both are thoroughly conversant with the situation in the Near East. The meeting in Bellefonte tomorrow evening will be held at 8 o'clock.

Dr. Talcott Williams was born at Abehi, Turkey, and spent the early years of his life in this country. He came to the United States and received his education at Amherst College, receiving the degree of Master of Arts. Later he was honored with many degrees by numerous American colleges. Dr. Williams took up journalism as a profession and has been associated with the New York World, New York Sun, San Francisco Chronicle, Springfield (Mass.) Republican, and now is professor emeritus of journalism at Columbia University. Dr. Williams has a world wide reputation as an author and his knowledge of the Near East has made his latest book, "Turkey," an authority on this question. Dr. Williams is a member of many prominent organizations, a few of which are American Philosophical Society; American Oriental Society; American Academy Political and Social Science; Honorary Member Pennsylvania State Bar Association; Alpha Delta Phi and Phi Beta Kappa Fraternities; University, Contemporary, National Press and other clubs.

It would be more cruel for America to cease her aid to Armenia and other stricken regions of the Near East now, than it would have been to refuse to begin these activities, according to Lieut. Frank Connes, official interpreter of the Near East Relief of the Russian commissions of the American Red Cross.

Lieut. Connes has just returned to the United States from a three months' survey of conditions in the Caucasus, Syria and Asia Minor.

"The gratitude of the Armenians to the United States is pathetic," Lieut. Connes said. "I have had officials of the Armenian Republic come up to me and tell me in their own language that it is entirely due to the United States that there is a single one of their people left alive today."

"I have seen thousands of orphans in Near East Relief asylums scattered everywhere throughout those regions get down on their knees at night and pray for America and American people."

Lieut. Connes, who speaks seven languages, was for a time in Tiflis, Republic of Georgia, purchasing supplies during the world war, when thousands of refugees driven from their homes by the military operations of the Russians against the Turks, poured into the city.

"The sufferings of these wretched people were so acute that visions of them are still constantly before me," he said.

Shortly after the armistice Lieut. Connes became official interpreter of the Near East Relief, returning to this country to speak in behalf of that organization. He went back again to make a further study of conditions, and is now touring the country to arouse increased interest in the Near East Relief.

William Whiteman Instantly Killed at Snow Shoe.

William Whiteman, an employee at the round house of the Pennsylvania Railroad company, at Snow Shoe, was killed instantly about four o'clock on Monday afternoon when he was caught in the jaws of the steam grapple shovel used for coaling engines and crushed to death. Mr. Whiteman was helping to coal engines at the wharf and in some unaccountable way got right between the jaws of the big shovel as they closed on a load of coal. Other workmen heard his cries of distress but could not stop the machinery in time to save him.

He was about fifty-five years old and had worked for the railroad company most of his life, for a number of years as a car inspector and later at the round house in Snow Shoe, where he has lived the past thirty-five years or more. He is survived by his wife and the following children: Mrs. Charles Hoover, Mrs. James Quick, Mrs. Roy Chambers, all of Snow Shoe; Milford, Merlin, Fay and Marian, at home.

Business Men's Banquet Will be a Big One.

One of the biggest banquets held at the Bush house in more than thirty years will be that of the Business Men's association of Bellefonte on Thursday evening of next week, February 23rd. In the neighborhood of one hundred members of the association and invited guests will be present. The committee in charge has arranged for a seven course banquet with turkey as the big drawing card. Mr. George E. Foss, general secretary of the State Chamber of Commerce, will be the principal speaker, and his theme will be municipal and community welfare. A number of other speakers will be present and from this distance it looks as if the banquet will be a noteworthy affair.
