Penn State to Lose a Department Head.

Another serious loss to the faculty of The Pennsylvania State College will be felt with the resignation of Professor Edwin A. Fessenden, head of the department of mechanical engineering, which becomes effective at the end of the present collegiate year in June. He has held this position, as a professor of mechanical engineering, since 1916, and goes to Rensselaer Polytechnic Institute, at Troy, N. Y., to become head of the department of mechanical engineering. He will be succeeded by Arthur J. Wood, professor of railway mechanical engineering at Penn State, a member of the engineering faculty for eighteen years. Professor Fessenden is one of the best known mechanical engineering men in collegiate circles, and while his departure from Penn State will be a great loss, the financial condition of the college makes it impossible to retain his services.

McCARGAR.—John S. McCargar, a well known insurance agent of Bellefonte, died quite suddenly at his home on the corner of Spring and Pine streets, at eleven o'clock on Sunday night. He had not been in good health the past year or more, suffering with high blood pressure and arterio sclerosis. Just last Wednesday evening he returned home from Greensburg where he spent several weeks undergoing treatment in a private sanatorium. While he was around on the street Thursday and Friday he confided to intimate friends the fact that the treatment he had undergone didn't do him much good. He became much worse on Friday night but Sunday evening at ten o'clock he seemed to be resting easier. A half hour later, however, he had another sinking spell and passed away at eleven o'clock.

Mr. McCargar was a Canadian by birth, having been born at Kempville, Ontario, on August 13th, 1853, hence was 68 years, 8 months and 10 days old. He came to the States when a young man and located at Genoa, N. Y., where he lived a number of years. Coming to Pennsylvania he located in Tyrone where he conducted a cigar store and pool room. Thirty-two years ago he sold his store there and came to Bellefonte purchasing the pool room and cigar store in the old Conrad block. After being in business several years he sold out and returned to Tyrone but two years later he came back to Bellefonte and embarked in the insurance business as a special agent for the Edward A. Woods agency, of Pittsburgh, of the Equitable Insurance company. During his twenty or more years of active work as an insurance agent he stood in the "over the top" class. Suave and courteous at all times he had a convincing way of presenting the insurance business that made him unusually successful. Mr. McCargar was a member of the Bellefonte Lodge of Masons, the Knights Templar and also a Shriner. He belonged to the Bellefonte Lodge I. O. O. F., the Knights of the Golden Eagle and the Elks. He was a member of the Methodist church and always manifested an interest in any movement that meant the betterment or upbuilding of Bellefonte.

Forty-two years ago he married Miss Mary J. Granger, of North Towanda, N. Y., who survives with four sisters, Mrs. Carrie Mosher, of Genoa, N. Y., but who was at her brother's bedside when he passed away; Mrs. Emma Bower, also of Genoa; Mrs. Fred Corning, of Groton, N. Y., and Mrs. Lucy Linderman, of Courtland. Funeral services were held at his late home at 2:30 o'clock yesterday afternoon by Rev. E. E. McKelvey, of the Methodist church, and burial in the Union cemetery was in charge of the Masonic fraternity.

COOK.—Miss Mary Cook passed away at her rooms in the Brant house at two o'clock on Wednesday afternoon. She had been ill for ten weeks but only confined to bed since last Saturday.

She was a daughter of William and Margaret Harris Cook and was born in Bellefonte on October 26th, 1835, hence was 86 years and 6 months old. She was educated in the schools of the town and at the Bellefonte Academy. Her entire life was spent in Bellefonte. Following the death of her parents she lived for twenty-five years in the home of her brother, A. J. Cook, but the past few years had been spent at the Brokerhoff house and Brant house. She was a life-long member of the Presbyterian church and during her more active life a faithful worker in the Master's cause.

She is survived by four brothers, Andrew J., Charles F. and Claude Cook, of Bellefonte, and George Cook, in Los Angeles, Cal. Funeral services will be held at the A. J. Cook residence on West Linn street at ten o'clock this (Friday) morning, conducted by Rev. David R. Evans, after which burial will be made in the Union cemetery.

ARDELL.—James Renard Ardell died at his home in South Phillipsburg last Wednesday night following three months' illness with an affection of the heart.

He was a son of John and Frances Ardell and was born in Plattsburg, N. Y., about seventy-six years ago. In 1867 he and his brother, the late John Ardell, of Bellefonte, came to Centre county and engaged in the lumbering business. They had large operations at Beaver Mills, on the Alleghenies, while John Ardell also operated a planing mill in Bellefonte, now the plant of the Bellefonte Lumber company. James Ardell for a number of years lived at Beaver Mills and superintended the operations there but when the timber was exhausted he moved to Phillipsburg. In 1870 he married Miss Teresa Matley, the wedding taking place at the home of Capt. B. F. Hunter, in Buffalo Run valley. She survives with one son and two daughters. Funeral services were held at 2:30 o'clock on Sunday afternoon by Rev. Franklin T. Eastmont, of the Episcopal church, after which burial was made in the Phillipsburg cemetery.

FINK.—Readers of the "Watchman" will learn with regret of the death in Altoona last Thursday evening of Francis A. Fink, who passed away after twenty-four hours' illness with pneumonia. He was a native of Huntingdon county, and was fifty-eight years old. Several years ago he married Miss Bella Confer, of Bellefonte, and she survives with one son by a former marriage. Burial was made in the Rose Hill cemetery, Altoona, on Sunday.

STEWART.—Mrs. Patsy Ellen Stewart, widow of the late Dr. Miller Stewart, passed to her reward shortly after four o'clock on Tuesday afternoon. She had been in frail health for some weeks owing to her advanced age but was as bright and cheerful as usual up to a short time before she passed away. In fact she ate a hearty dinner and during the afternoon was up and around her room. About four o'clock she was seized with a coughing spell and the end came before a physician could reach her side.

She was a daughter of Major William and Patsy Burns Shaw and was born at Moscow Mills, Allegany county, Md., on February 20th, 1835, hence had reached the advanced age of 87 years, 2 months and 5 days. On September 29th, 1853, she married Dr. Miller Stewart, a native of Huntingdon county, Pennsylvania, who was at that time practicing his profession at Fairmont, Va. In January, 1854, Dr. Stewart and his bride came to Centre county and located at Pine Glenn, in Burnside township, where the doctor not only continued his practice but engaged in the lumber business with his brother William. At that time the entire Snow Shoe region was a vast wilderness of virgin timber but Mrs. Stewart soon adapted herself to her surroundings and won the love and esteem of not only the few permanent residents in that locality but the scores of sturdy lumbermen employed on her husband's various operations. Being a southerner by birth she naturally inherited that love of hospitality which is the creed of the south and her home at Pine Glenn soon attained a reputation as a hospitable haven for friend or stranger. Her husband passed away in 1899 and four years later Dr. D. G. Stewart purchased the Shugert home on West Linn street and after remodeling it throughout brought his mother to Bellefonte to live, so that the past nineteen years were spent in this place.

She was a life-long member of the Methodist church and was always one of the leaders in church work at her home in Pine Glenn. After coming to Bellefonte she transferred her membership to the local church and always kept up her interest in its success.

Her surviving children are William Stewart, of Seattle, Wash.; Dr. Walter T., of Wilkes-Barre; Mrs. Mary E. Miller, of Hagerstown, Md.; David, Dr. DeLaune G., Miss Margaret and Robert Finley Stewart, all at home. She also leaves one brother, A. B. Shaw, residing on the old homestead in Maryland.

Funeral services will be held at her late home at three o'clock this (Friday) afternoon by Rev. E. E. McKelvey, of the Methodist church, after which burial will be made in the Union cemetery.

RANKIN.—Miss Lillian Blair Rankin passed away at the Bellefonte hospital at 5:20 o'clock last Thursday evening as the result of a cerebral embolism. She became ill four weeks or more ago and her condition soon became so serious that she was taken to the hospital for treatment. Notwithstanding the fact that everything possible was done to save her life it proved a futile task and she passed to her reward at the time above stated.

She was the eldest daughter of William B. and Adelaide Bailey Rankin and was born in Bellefonte on March 22nd, 1882, hence had reached the age of 40 years and 29 days. She was educated in the Bellefonte schools but owing to the poor health of her mother during the latter years of her life she virtually took upon her shoulders the management of the household affairs, and after the death of her mother she became her father's housekeeper, not only looking after the household work but looking after the interests and comfort of her younger sisters. Her spirit of unselfishness and devotion to her home duties was the admiration of all who knew her. As a girl she united with the Presbyterian church and made of her religion a thing of beauty and a joy not only to herself but to all those with whom she came in contact. She was a member of the Woman's club of Bellefonte and always found time to take an active part in its proceedings as well as faithfully discharge any work that fell to her lot as a member of one of the standing committees. She will be sadly missed in the club, in the church and in the home, but those who mourn her passing can be comforted in the knowledge that she was faithful to the end to every trust imposed upon her.

She is survived by her father, one brother and three sisters, namely: Mrs. Elsie Rankin Helliwell, of Atlantic City; Walter, of Harrisburg; Mrs. Thurston K. Lytle, of East Liberty, and Miss Mary, of Harrisburg. Funeral services were held at the Rankin home at two o'clock on Monday afternoon by Rev. David R. Evans, after which private interment was made in the Union cemetery.

EARON.—Mrs. Eliza A. Earon, wife of W. H. Earon, of Unionville, passed away at three o'clock yesterday morning following several years' illness with arterio sclerosis. She was a daughter of Constance and Mary Cambridge, who came to America from Ireland, and was born in Spring township on April 28th, 1851, hence was within one day of being seventy-one years old. She was one of a family of twelve children and was the last to pass away. She was a member of the Catholic church, of Bellefonte, and in her younger years a faithful attendant.

On December 24th, 1878, she mar-

ried W. H. Earon, at Lock Haven, and most of their married life had been spent at Unionville. She had no children and her only survivor is her husband. The remains will be brought to Bellefonte tomorrow (Saturday) morning and funeral mass held in the Catholic church at 9 o'clock by Father Downes, after which burial will be made in the Catholic cemetery.

CONFER.—Mrs. Sophia D. Confer, wife of John R. Confer, died at her home in Clearfield on April 16th as the result of a complication of diseases, aged 65 years, 5 months and 5 days. Her maiden name was Sophia Viehdorfer and she was born at Moshannon, this county. She was married to Mr. Confer at Milesburg in 1881, and for twenty-two years they lived in Snow Shoe township. Nineteen years ago they moved to Clearfield, where they had lived ever since. In addition to her husband she is survived by two sons and two daughters. She also leaves one brother and a sister, the latter being Mrs. Julia Beightol, of Pine Glenn. Burial was made at Clearfield on April 20th.

Windows Dedicated.

Last Sunday morning five beautiful art windows were dedicated in St. John's Reformed church, Bellefonte. The subjects pictured on the windows are, "The Good Shepherd," "Gethsemane," "The Ascension," "St. Paul" and "St. John." These, together with the two already placed, make seven very beautiful windows adorning the Reformed church. In the order of the subjects named, they are memorials bearing the following inscriptions. "In Memory of William Harper and Wife." "In Memory of John Wetzel and Wife." "In Memory of Mrs. Susanne Wagner." "In Memory of Abram Lukenbach." "Mr. and Mrs. C. T. Gerberich." All of these windows were placed by the children of the families above named. The pastor, Dr. Schmidt, gave a very interesting address upon "Christ in Art" after which followed the prayer of dedication.

Prof. Martin Addresses Brotherhood.

The meeting of the Brotherhood of the Presbyterian church on Monday night was well attended and the men enjoyed a thought-provoking speech by Prof. Martin, head of the department of history, of State College. Prof. Martin outlined in a careful way the growth of American Imperialism and showed the effect of this in the neighborhood of the Panama Canal. The subject was admirably handled.

At a meeting of the Master Baker's association held at Sunbury on Tuesday it was decided not to reduce the price nor increase the size of a loaf of bread. Bellefonte is included in the territory controlled by the above organization.

REV. LARIMORE C. DENISE.

Special Feature in Connection with Children's Week.

Culminating the exercises of Children's Week will be the messages delivered Thursday night and Friday afternoon and evening by Renwick H. Martin, L. L. D., and Rev. Larimore C. Denise. Dr. Martin comes from Beaver Falls and is the former president of Geneva College. He is a man of wide experience both in the classroom and on the public platform and is a recognized leader of the moral forces of the locality in which he lives. Rev. Larimore C. Denise, of Pittsburgh, is the assistant superintendent of the National Reform Bureau, and has had wide experience in pulpit and platform work. For several years he was the president of the Westmoreland Sabbath school association, one of the best organizations of its character in the world. He will give the opening address on Thursday night in the Presbyterian church, on the subject, "Whither are We Tending?" Dr. Martin will follow him on the theme, "The Future Rulers of America." On Friday afternoon at 3 o'clock, in the United Brethren church, there will be a meeting for women only. Mothers especially should attend this meeting. Dr. Martin will speak on the "Enemies of the home," and Rev. Denise on "Defenders of the Home."

The closing services will be held at the Methodist church on Friday evening at 7:30 o'clock. Dr. Martin will speak on "The Perils of the Nation" and Dr. Denise on "Our National Safeguards." These meetings will be thought-provoking and most helpful in the present state of our national and community life. The public is most cordially invited to attend each meeting.

Lower Bald Eagle is Sore.

Howard, Pa., April 25, 1922. Editor Watchman: Republican politics was very much animated in lower Bald Eagle Valley last week. Word was sent out from headquarters to the "true and tried" to come to the County capital to meet Mr. Alter, the candidate for Governor, and hear him speak and discuss the issues of the coming campaign. (Dr. W. J. Kurtz, former chairman of Howard borough, not included in "those expected to be present").

The stalwarts got busy and hired autos and chauffeurs to drive same, to take the faithful to Bellefonte for the occasion, expecting to hear the issues discussed. They were sorely disappointed when they learned they were not to hear an oration but only to sign a pledge of allegiance and meet and shake hands with the candidate. Many who went with the expectation of meeting Mr. Chambers and Mr. Scott and having them renew their promises that Bald Eagle Valley is entitled to and will get an improved or a state road, but were disappointed as neither one of them was to be seen.

Scott seems to be having a little "hard sledding" in lower Bald Eagle Valley in his campaign all on account of promises not fulfilled. Promises have been made for a number of years that Bald Eagle Valley would have a state road, but as the years fly by nothing has materialized along that line and patience, with a lot of Republicans, has ceased to be a virtue on account of unfulfilled pledges. It looks as though it will take more than promises for Mr. Scott to get right with the rank and file of the Republicans of this valley.

Great disappointment is felt over the call to Bellefonte and it will require some strenuous "fence building" to put things right. Our advice to all of the people who want a state road in Bald Eagle Valley is to turn down the ones who make promises, only to break them, and go along with the ones who can be depended upon, the Democrats. Yours for a state road, One who Lives in Lower Bald Eagle.

Boalsburg Scouts.

At the meeting last Wednesday night we had a very good turnout. We are now planning to have a festival on Memorial day evening, if possible. We are glad to hear that the Bellefonte troop has organized a baseball team, and decided to accept their challenge to play us. We will consider a game as soon as our team has been fully organized and has had several work outs. Prof. O. H. Smith talked to the Scouts at their regular meeting this week. He is a good speaker and we were fortunate in securing him. PAUL ROBERTS, Scout Scribe.

Bellefonte Scout News.

At the conclave meeting last Thursday evening we planned for a troop hike and outdoor meeting. We started at 10 o'clock Saturday morning and took our lunch with us. We went down the Jacksonville road to Lyontown and there turned off, going up the mountain. We ate dinner on the other side of the mountain and then went on down the valley to the road, where we had our meeting. After the meeting we had some tracking and also practiced signaling and had a compass game. We took one of the parts in the second-class test, building a fire with two matches. All the boys who were there passed it but one. We came back the same way. On Monday after school we had the scout pace, which most of them passed. Those who did not pass had it after school on Tuesday. DAVID GEISS, Scout Scribe.

Signalling to Mars by Wireless May Yet be Accomplished.

If Mars is peopled there is no doubt that this wonderful feat may yet be accomplished. Scientists claimed certain conditions existed on Mars until the Great Lick Telescope was completed (1898), which proved otherwise. Optometrists, by the compounding of lenses, are working wonders as great. Thousands of people have no idea how far they should see or what a pair of properly fitted glasses will do. I am a registered optometrist. Dr. Eva B. Roan, Optometrist. Licensed by the State Board. Bellefonte every Saturday, 9 a. m. to 4:30 p. m. State College every day except Sunday. Both phones. 66-42
