Edgar Bowersox, of Philadelphia, was here the early part of the week to see his sister, Mrs. Annie Gray, who has been quite ill and is not recovering as rapidly as her friends would like to see.

The Samuel P. Irvin family, of Lewistown, have the sympathy of their many Centre county friends. Mr. Irvin passed away last week and Mrs. Irvin is seriously ill as the result of a stroke of paralysis.

A comedy drama in three acts entitled "Prof. Pep" will be given in the I. O. O. F. hall here tomorrow, Saturday evening, by amateur talent under the auspices of the P. O. S. of A. of Centre Hall. The play is replete with music and romance. Admission, 30 and 35 cents. Everybody invited to attend.

The 10th district Sabbath School association met in convention in the Lutheran church at Pine Hall last Sunday, afternoon and evening. Prof. A. L. Bowersox presided and Miss Maude Dreiblebis officiated as organist, assisting a choir of thirty voices. The speakers in the afternoon were Rev. H. F. Babcock, H. N. Musser, Prof. Bressler, G. A. McGarvey and C. C. Shuey. In the evening brief talks were made by Darius Waite, Ives L. Harvey, H. C. Dale, Prof. I. L. Foster, C. C. Shuey and Mr. McGarvey. A beautiful tribute was paid the late W. K. Corl by I. L. Harvey. Officers elected were president, Randall Rossman; vice president, H. E. Grubb; treasurer, Robert Harpster; secretary, Charles E. Gates; district superintendent, J. D. Neidigh; superintendent of children's division, Isabella Musser; missionary superintendent, Viola Bowersox; young people's superintendent, I. O. Campbell; teachers' training, Mary Gardner; temperance, J. Milo Campbell. All the officers were installed by I. L. Harvey. It might be of interest to mention the fact that the first Sunday school was organized in the Pine Hall section in 1841 by Samuel Dennis with only half a dozen scholars. Now the attendance averages 220 scholars.

NEW NOVELTIES IN HANDKIEFS Attractive Lines of Embroidered and Otherwise Decorated Kerchiefs Now on Display. An exceedingly attractive line of handkerchiefs is composed of those of hand spun, hand woven linen, with delicate, elaborately embroidered trims. The linen is very fine, almost gauze-like in appearance, with brilliance that is due to the process of the old women who make it. The embroidery is often along the spoke stitch line, many rows of openwork making a wide border, while medallions intricately worked out are also noticeable. These handkerchiefs are hard to get now, and are on that account distinctive. Some irregularly shaped scallop borders are also worthy of note, being combined with the embroidery. Some hand embroidered animal handkerchiefs are pleasing. They are both in white on colored linen, and in colors on white. While they may be primarily attractive for children, they are by no means impossible for grownups. Another group takes in the printed models. These employ wide colored borders frequently relieved by white polka dots. Elaborate landscape designs are also to be had, one showing a moonrise. Sometimes instead of colored border the color square is in the center.

Flannels Are Favored. Beautiful plain color, striped and checked flannels are very much used for all manner of spring and summer sports apparel. The materials that are recommended are guaranteed not to shrink or fade if carefully washed, and there is certainly a freshness about these flannels that is very pleasing. Many sport skirts are developed from the striped fabrics, and a popular finish for the bottom of the skirt is self-fringe—that is, the material is simply raveled to form a fringe and the edge overstepped or whipped with a fine thread so that it will not continue to fray and ravel. Sometimes a slip-over smock or a little coat matching the stripe will accompany the skirt, the two making up a clever little sport suit.

A Paris Suggestion. Paris offers this suggestion for spring. The entire dress is made of black waifon, even the three roses at the waistline. It will be just as effective, however, if you select crepe fabric, however, if you select crepe satin, canton crepe or taffeta, or combine satin and cloth. The underskirt and draped tunic are joined to a camisole lining. The overblouse and girdle are attached, closing at the left side. Lower edge of skirt is about one and five-eighths yards.

Paris Taxes Attitude. The higher above the pavement Parisians live the higher taxes they pay. In place of the unpopular levy on pianos, the stair carpets and elevators of apartment houses will be taxed. The more stair carpet or elevator you use the more you pay.—Scientific American.

HOOD'S SARSAPARILLA.

Vitamines And Your Blood

An abundance of vitamins, so necessary for the proper nutrition of the body, results from taking Hood's Sarsaparilla either just before or after eating. This medicine aids digestion, promotes assimilation, converts ALL THE GOOD IN YOUR FOOD into blood, bone and tissue, and is of great benefit for humors, eruptions, catarrh, rheumatism, that tired feeling and run-down conditions. It is pleasant to take; Re-VITA-lizes the Blood and builds up the whole system. It thus provides an abundance of vitamins, gives the lips and cheeks the hue of health, brightens the eyes, gives vigor and vim. This is the testimony of thousands in letters voluntarily written.

Union, were guests of Mr. and Mrs. Thomas Hull and other relatives in town recently. Miss Florence Orwig came up from Northumberland and spent a few days with her grandparents, Mr. and Mrs. C. G. Bright. Saturday evening Miss Orwig went to State College. Mr. and Mrs. John D. Bower, son, John Jr., and daughter, Miss Mabel, all of Northumberland; Mrs. Clyde Burkholder, of Altoona, were among those who attended the funeral of the late Henry Bower. Mr. and Mrs. Clarence Grove and

two children, and Mr. and Mrs. Mitchell and little daughter Frances, of near Swengle were guests of Mrs. Grove's mother, Mrs. Alice Eisenhauer. While in the village the ladies called on a number of Mrs. Grove's friends. Mrs. George S. King, of Hitting, Minn., and Mrs. Charles Kreamer and son Ray, of Norristown, left on Monday afternoon for their respective homes after being in this place for the past ten days; both ladies having been called here by the illness and death of their father, Henry Bower. Friday afternoon and evening, May 5th, commencement exercises of the Aaronsburg High school were held in the Lutheran church. Each time the church was well filled and notwithstanding the rain, in the evening the church was filled even to the side aisles with chairs. The principal and students are to be highly commended for the splendid program so well rendered. Some of the orations were lengthy yet the speakers went to the end without a single break, which is highly commendable. In the evening Dr. George P. Bible, of Bellefonte, delivered the annual address. Dr. Bible gave one of his splendid addresses for which he is noted. What need to call a speaker from a great distance when in our own county we have men with the ability of Dr. Bible. The town band furnished the music.

Does Your Budget Balance?

You read in the newspapers about the various European governments trying to make their budgets balance. A government cannot long expend more money than it receives, any more than an individual can. It is important to balance the household budget, and included in this budget should be a proper provision for saving. The finances of the family must be placed on a business basis if proper provision is to be made for the time when earning power diminishes. Nine times out of ten the women are the money savers of the family. They have the real knack of saving. They know, too, how to make one dollar do the work of two in buying. This bank welcomes the savings accounts of thrifty women and will be glad to assist them in business matters. CENTRE COUNTY BANKING CO 60-4 BELLEFONTE, PA.
