For State Senator

34th DISTRICT OF PENNSYLVANIA

HARRY B. SCOTT

OF

PHILIPSBURG, PA.

1. Clearfield and Centre Counties are the heart of the State of Pennsylvania, embracing many of the great natural resources of our State and require real representation at Harrisburg.

2. Clearfield and Centre Counties have the best people on earth and demand recognition. Why should Philadelphia and Allegheny Counties dictate the legislative policies of our State? We need a man who can "speak out in meeting" for the benefit of his constituents.

3. Clearfield and Centre Counties need a Senator who is experienced in legislative procedure and will know when the things are "being pulled off" that may work to the detriment of these two great counties.

4. Clearfield and Centre Counties need a Senator who can be depended upon to demand and receive respect and attention.

YOU CAN ASSURE ALL OF THESE AND MANY OTHER BENEFITS TO YOURSELF AND YOUR NEIGHBORS BY VOTING FOR

HARRY B. SCOTT

Business Conditions Improving

The special summary of Business conditions in the United States, issued by the Federal Reserve Bank shows that improvement is in progress.

There has been pronounced increase in activity in many basic lines of industry. Generally speaking the new season is opening favorably for the farmer, with higher prices for his products, and lower prices for farm labor, fertilizers, and machinery.

Agriculture is the foundation on which prosperity is built.
