Morning sermon theme, "With Christ Over Against the Treasury." 7:30 evening service. The Nittyany sextet from State College will be with us and furnish a fine program of music. These young men are doing this work as a piece of Christian service "without money and without price." Let us give them a hearty welcome and a splendid audience!

This coming Sunday every member of the church and congregation is asked to attend the services and, when the opportunity is offered, sign the pledge slips for their weekly pledges for current expenses and benevolence. Your presence Sunday will obviate the necessity of a call on the part of the committee during the week. The pledge-signing at the services Sunday will be done in the spirit of worship and as an act of consecration unto the Lord.

Members of the missionary societies of the church, in making their pledges Sunday will keep in mind that these will not include the pledges you will be asked to make your respective societies; but the \$6,000.00 is the total amount to be raised for benevolence by all our local church forces.

The Brotherhood will hold their monthly meeting Monday evening at 6:30 in the chapel. Come, enjoy an evening of fine fellowship with us!

You Cannot Think of Two Things at the Same Time.

Your think-box is large enough to record enough thoughts which if placed on Victor records would reach around the world. The faculty of the human mind by which it comprehends the ideas communicated to it by five senses is limited by the impressions made. Seeing makes the deepest impression. So it is very important that one should see clearly, distinctly and accurately.

If in doubt about your vision consult me.

TEN TIMES BIGGEST CIRCUS AT WILLIAMSPORT.

World's Greatest Amusement Institution Ringling Bros. and Barnum & Bailey On Their Way.

Ringling Brothers and Barnum & Bailey Day draws near and with it will come a vast circus of "ten thousand wonders" to exhibit in Williamsport tomorrow.

This mammoth amusement enterprise of 1922 has been officially recorded as "America's ten times greatest circus." It is a third bigger than it was in 1921. For, in addition to the many innovations offered then, the present season's program numbers ten more trained wild-animal displays—making twenty in all—and the most superb trained horse acts that Europe has yet produced. The wild-animal and equine displays of 1921 were introduced merely that the Ringling Brothers might judge of their popularity. So enthusiastically were these numbers received that the famous showmen immediately arranged for the purchase of the world's finest acts of this kind. An entire equine circus was bought outright and brought to this country last winter. And while the Ringling Brothers and Barnum & Bailey agents were securing this and the trained tiger, polar bear, lion, leopard and jaguar groups, they had orders to engage the foremost men and women performers of the European capitals. And these stars from city and jungle are all to be seen with this wonder circus of 1922. Everything, including the great double menagerie of more than a thousand animals and exhibiting such rarities as a mite of a baby hippopotamus and its three-ton mother, is to be seen for the price of one admission ticket. And by "everything" is meant not only the wild animal and equine displays, but the entire circus. More than 700 men and women, embracing the world's foremost arenic stars, take part. There are 100 clowns. Aside from the ferocious beasts, the program includes forty trained elephants. There are five companies of trained seals, many dogs, bears, monkeys, pigs and pigeons. It is the biggest circus program the world has ever seen, given under the largest tent.

—Yesterday morning's hard rain was just what was needed to freshen up the earth and give renewed life to the gardens and farm crops.
