If so, get them started as children in the habit of church attendance. Evening worship 7 p. m. to 7:45 on the chapel lawn. Sermon theme, "A Little Farther." Remember the hour! Here is the chance to be cool without being criticized!
Every Wednesday evening of this month the pastor will speak on the general theme of "The History and Accomplishments of the Presbyterian Church." Here is an opportunity to learn some of the facts concerning your own denomination.

Special Note.—The question is often asked, "Is the Bellefonte Presbyterian church supported by pew rents? Ans. The seats are all free. Families occupy particular news by courtesy and for convenience and because of long association. The church is supported by the free-will offerings of all the people through the weekly Duplex envelopes (one pocket of which is for local support and the other for the support of all the work of the denomination, outside of the local field. Some Folks Think the Counting of Sheep Will Put Them to Sleep.
Counting all the sheep in the world will not bring repose if insomnia is caused by nervousness due to eye-strain.
Reliable physicians will not prescribe medicine for sleeplessness until the patient has had his eyes examined by a thorough optometrist.
Eighty-five per cent. of all ailments are due to overtaxed nerves.
Better have your eyes examined.
