Grange Picnic Will Open a Week from Tomorrow.

The big Grange picnic at Centre Hall will open for campers and exhibitors next Saturday, September 2nd, and the secretary of the association has been busy the past week receiving and entering applications for space on the grounds. Every indication points to the fact that the line of ehxibits of interest to the farmer, such as implements, stock and produce, will be on a

par with that of former years. The two big days of the week will be Wednesday and Thursday. The members of the Centre County Veteran club will hold their annual reunion on Wednesday, and have booked several good speakers for the occasion. All soldiers will be admitted to the grounds free of charge.

Thursday will be political day when John A. McSparran and Gifford Pinchot, the two leading candidates for Governor, will be present and speak in the auditorium. This will be the official opening of the gubernatorial campaign and may be the only occasion for Centre county voters to see and hear their respective candidates.
