Soldier Boys Now at Somerset.

Headquarters 52nd M. G. Sq., Somerset, Pa., Aug. 29, 1922.

Editor Watchman:

We have been quite unsettled for the last few days and are now anxiously awaiting orders calling us home.

We broke camp at Ebensburg on Saturday morning and were all packed and ready to go at seven o'clock, but the truck company was late in arriving and we did not get away until eleven.

Our first stop was at Jenners, where we spent Saturday night with B Troop, our home outfit, and I assure you we were made very much at home by the boys.

We broke camp there early Monday morning and reached Somerset and had the new camp set up by afternoon. We are very nicely located on a level field, our tents are fitted with electric light and there is plenty of good water in the camp. We are the first troops that have been in this locality and are a little bit of a novelty to the natives. On Monday afternoon we had a very pleasant visit from Mr. and Mrs. Casebeer and their daughter Betty, of Bellefonte, who have been spending some time in Somerset.

Our horses were taken overland from Ebensburg, a distance of eighty miles, in two and one-half days, and seem none the worse for the trip, but the fellows who rode them prefer to take their meals standing for a few days.

The road from Jenners to Somerset is very similar to the one leading from Pleasant Gap to State College, and the country is much the same. It is a farming community as well as a mining centre and the buildings are in much better condition than in Washington county. Somerset is built on both sides of a steep hill, with the court house on the top so that it looks about twenty times larger than any other building in the town. The court house, while a very nice one, does not in any way compare with the one in Bellefonte.

The 52nd machine gun squadron is now a separate unit and in no way attached to the 104th cavalry, and Major Curtin is in command of this district.

Unless the troops in the field are recalled within the next week or ten days we are told that the boys who are in school will be furloughed in order to continue their studies.

All the fellows wish to be remembered to the home folks.

Sincerely,  
JOHN J. BOWER JR.

Corn and Weiner Roast.

The annual corn and weiner roast of the Otterbein Brotherhood of the United Brethren church, which was to have been held on Halfmoon hill on Thursday night, was held in the church basement, and was made a "boil" instead. About fifty were present and a "hot time" was thoroughly enjoyed by all.

The cooks were C. D. Young, David Bathurst, Jesse Confer and "Patsy" Bathurst, who surely know how to do corn just right. Of course there were others who assisted but most of the help was rendered at the table instead of at the stove. L. C. Thompson, Jacob Hoy and "Jack" Houck were the leaders in eating the most corn while the Otterbein Guild girls knew how to get outside the most weiners. Everybody had all they could eat, lots of fun and a jolly good time.

—Mrs. Levi Miller has been quite ill this week at her home at Pleasant Gap.

JOHNSON.—Daniel Irvin Johnson, a well known resident of Ferguson township, passed away at his home at Pine Hall at three o'clock on Sunday afternoon after one week's illness as the result of a stroke of paralysis.

He was a son of Jonathan C. and Sarah Coldron Johnson and was born in Walker township July 19th, 1838, hence had reached the advanced age of 84 years, 1 month and 8 days. His paternal grandfather was a captain in the continental army under General George Washington. Mr. Johnson's boyhood days were spent on the home farm in Walker township and it was but natural that when he grew to manhood he stuck to the farm. In 1889 he rented and moved onto the farm near Pine Hall which he purchased in 1892, and which has been his home ever since. He was a life-long member of the Lutheran church, a charter member of Washington Grange and a staunch Democrat. He had considerable talent for music and in his younger years taught singing schools and was also leader of his church choir.

In 1865 he married Miss Catherine Rebecca Brumgard who passed away in 1903, but surviving him are six sons, Austin L., Cyrus M. and Olin A., of State College; Joseph N. and William E., of Pine Grove Mills, and Emery C., on the home farm. He also leaves thirty-seven grand-children and eighteen great grand-children. He was the youngest of a family of nine children and but one brother survives, the venerable Joel Johnson, of Bellefonte, now past 92 years of age.

Funeral services were held at his late home at two o'clock on Wednesday afternoon by Rev. English, after which burial was made in the Pine Hall cemetery.

WALKER.—George F. Walker, a lifelong resident of Boggs township, died at his home at Runville on Friday of last week after a brief illness with typhoid fever. He passed away just thirteen days after he was compelled to take his bed.

He was a son of Benjamin and Jane Walker and was born in Boggs township sixty-two years ago. As a young man he went to work as a track laborer on the Snow Shoe railroad and because of the conscientious way in which he did the work assigned to him he was promoted to the position of track foreman and for many years has filled the position with faithfulness and efficiency. He had charge of that section of track which included the famous "switchback" on the mountain and always kept it in good condition.

He was married to Miss Jennie Johnson who survives with two sons, Edward Walker, who has been his father's assistant for a number of years past, and William H. Walker, both residents of Runville.

Mr. Walker was a member of the United Brethren church and a man who had the confidence and esteem of a large circle of friends, many of whom attended the funeral which was held at his late home on Sunday afternoon. Rev. G. A. Sparks preached a very impressive sermon and burial was made in the Advent cemetery.

RAMSEY.—Mrs. Miriam Eyre Ramsey passed away at the Bellefonte hospital at three o'clock last Sunday morning after undergoing treatment at that institution for a period of nine days. Mrs. Ramsey was a professional nurse and accompanied Mrs. E. E. Sparks from Philadelphia to State College when she was brought home on July 18th. She was taken quite sick while caring for that lady and was removed to the Bellefonte hospital for treatment.

She was a daughter of Edward and Mary Bond Eyre and was born in Camden on May 23rd, 1899, hence was 33 years, 3 months and 4 days old. Her two brothers were notified of her serious illness and they both reached Bellefonte on Saturday in time to see their sister before she passed away. The remains were shipped to Philadelphia on Sunday for interment.

LONG.—Daniel Long, a well known farmer of Walker township, died on Monday following a three month's illness with valvular heart trouble. He was a son of John and Katherine Long and was born in Pennsylvania on May 25th, 1848, hence had reached the age of 74 years, 3 months and 3 days. He followed farming all his life and was an industrious and highly respected citizen. He is survived by his wife and four children, namely: Mrs. W. Earl Corman, of Walker township; Mrs. Archey, of Lock Haven; Hiram Long, of Nittany, and Claire, of New York. Burial was made in the Hubsburg cemetery on Wednesday.

IRVIN.—Archibald Irvin, a well known resident of upper Bald Eagle valley, died at his home at the Woomer settlement last Friday as the result of a stroke of paralysis, aged 71 years and 3 days. He was a farmer by occupation and a good citizen. He is survived by his wife and five children. Rev. Scott, of Phillipsburg, had charge of the funeral services which were held on Monday afternoon, burial being made in the cemetery at Port Matilda.

SWARTZ.—John Swartz, a native of Centre county, died last Wednesday at the home of his son, Clinton E. Swartz, in Tyrone, as the result of a stroke of paralysis sustained three weeks previous, aged 80 years, 4 months and 6 days. He was a laborer by occupation and a resident of Milesburg for many years. He was married to Elizabeth Poorman who died in 1901 but surviving him are the following children: Clinton E., of Tyrone; Luther, of Lincoln, Neb.; Mrs. Bertha Griffey, of Bellefonte; Mrs. Homer Noll, Mrs. R. A. Coldren and Miss Agnes, of Tyrone. He also leaves one brother, James Swartz, of Oklahoma. The body was taken to Milesburg and burial made in the Advent cemetery.

Land Broken for Hospital at State College.

In the neighborhood of two thousand people, representatives of the various potato growers' associations in Pennsylvania, journeyed to State College last Friday to witness the breaking of ground for the new College hospital to be erected out of funds contributed by the potato growers of the State. Prof. E. L. Nixon, dubbed the potato wizard of the College, was in charge and the first shovelful of earth was turned by Dr. D. D. Fritch, of Maucungie, representing the potato industry. Second honors went to Miss Anna McCarey, of Turtle Point, an official of the McKean county Pomona Grange, the first organization to contribute to the fund, then the representatives of the boys' potato clubs were given a chance to do some shoveling.

The official presentation of the fund was made by H. H. McCallum, president of the State Potato Growers' association, President John M. Thomas making the speech of acceptance for the College. The actual fund in eight totals \$134,000, with sufficient unreported pledges to bring the amount up to \$150,000, the cost of the hospital. The new institution will be located on Agricultural hill and will be adequate for the college needs for years to come.

Coincident with the ground breaking ceremonies the visitors were shown an exhibit of the latest and most up-to-date potato culture machinery, with demonstrations of sprayers, diggers, etc.

Revaccination of School Children.

In carrying out the rules and regulations of the Pennsylvania Department of Health with special reference to those school children who have been unsuccessfully vaccinated two or more times, and that they may be officially vaccinated and receive the necessary temporary certificate for their legal admission to school, the following named physicians, located at convenient points throughout the county, have been appointed to perform such official revaccinations:

Dr. David Dale, Bellefonte.

Dr. L. E. Kidder, State College.

Dr. George H. Woods, Pine Grove Mills.

Dr. H. S. Braucht, Spring Mills.

Dr. C. S. Musser, Aaronsburg.

Dr. E. H. Harris, Snow Shoe.

Dr. E. L. Jones, Phillipsburg.

Dr. LeRoy Locke, Unionville.

Dr. W. J. Kurtz, Howard.

Boroughs having organized local boards of health will appoint a medical officer to perform the required revaccinations of, and issue the temporary certificate to, such children living therein.

All official revaccinations will be made without expense to the parents.

J. L. SEIBERT,  
County Medical Director.

Veterans Fiftieth Annual Reunion.

The annual meeting of the Centre County Veterans club, at Grange park next Wednesday, will have peculiar significance for the handful of grizzled veterans who will be in attendance as it will be the fiftieth anniversary of the club's organization. It was in 1872 when the club was organized in Bellefonte and the membership at one time was quite large. Years ago their annual reunions were regarded one of the biggest events in Centre county and were attended by G. A. R. men from all over the State. Today only a few of the original members survive but they continue to gather at their annual reunion with as much patriotism as they displayed sixty years ago when they marched forth to fight on southern battlefields.

Troop B to Come Home Today.

Orders were issued at Harrisburg on Tuesday for the withdrawal of a number of units of the National Guard from the bituminous coal fields of western Pennsylvania, and included in the troops ordered home is Troop B, of Bellefonte, Capt. W. Frederick Reynolds commanding. The troops were called into service July 21st and Troop B has been stationed at Jenners Station, Somerset county, practically all of the time.

The headquarters troop of the 52nd machine gun battalion, Major H. L. Curtin in command, was moved last week from Ebensburg to near Somerset and it, with Troop A, of Boalsburg, stationed at Vintondale, will be kept in the field until further orders.

Soldiers to Gather on Boal Camp Grounds.

Col. Theodore Davis Boal will be host to three soldiers' gatherings which will be held on the Boal camp grounds during the ensuing six weeks. The first will be the annual reunion of the old Boal troop which will be held tomorrow, Sunday and Monday. On Thursday and Friday of next week the officers' association of the Twenty-eighth division will hold their annual meeting. Gifford Pinchot and Col. David A. Davis will be the guests of honor at the luncheon on Thursday. A big dance will be given Thursday evening and the annual business meeting will be held on Friday.

On October 7th and 8th the officers' association of the Eleventh infantry will hold their annual reunion and at the same time there will be a meeting of the officers' association of the National Guard of Pennsylvania.

Recurring to the reunion of the old Boal troop it will be recalled that this was the machine gun organization organized and equipped in 1916 by Col. Theodore Davis Boal then offered to the government for service on the Mexican border where they served as a unit of the First Pennsylvania cavalry. The troop was called into service for the world war in 1917, trained at Camp Hancock, Ga., and sent overseas in April, 1918. They participated in some of the hardest campaigns in France which led to the defeat of the Germans and returned home in May, 1919. The same year, on Labor day, they dedicated a monument at Boalsburg to those of their comrades who lost their lives in France. On May 14th, 1922, the veterans' organization was organized with officers as follows: Honorary president, Col. Theodore Davis Boal; president, W. W. Barratt, Clearfield; secretary, D. W. Hummel, Clearfield; treasurer, B. K. Jacobs, Phillipsburg.

The members of the organization are scattered over Centre, Blair, Clearfield, Clinton and Huntingdon counties, but the most of them are expected to attend the reunion at Boalsburg which begins tomorrow. A good program has been arranged for the entertainment of the veterans.

Heverly—Remaley.—Prof. Paul M. Heverly, of State College, was married on Tuesday, August 24th, at noon, to Miss Sara E. Remaley. The ceremony was celebrated at the home of the bride's parents, Mr. and Mrs. John Remaley, at Indiana, Pa., by the Rev. Dr. Elliott S. White, of the Methodist church, in the presence of the immediate families of the nuptial parties and a few other friends.

The bride wore a gown of white with an over drapery of platinum silk lace. She was given in marriage by her father.

A wedding breakfast followed the ceremony and immediately afterward the bride and groom departed for their honeymoon trip, which includes several eastern cities and resorts. Upon their return they will reside in Swissvale, where Prof. Heverly is a member of the High school faculty. He was born at Howard and is a son of the late James T. Heverly. After his father's death he moved to State College from which institution he was graduated several years ago. The bride is a graduate of the Indiana Normal and had been teaching in the schools of Wilmerding.

Mrs. R. E. Heverly, the groom's mother, who still resides at State College, was present at the wedding.

Oliver—Buck.—Stanley Campbell Oliver, of Graysville, and Miss Hazel Elizabeth Buck, of Warriorsmark, were married in Altoona on Saturday by Rev. R. M. Campbell, retired Presbyterian minister. The bridegroom is a veteran of the world war and taught school several years but is now employed in the eastern part of the State, where they will make their home.

Emel—Wensel.—Edward J. Emel and Miss Mabel E. Wensel, both of Spring Mills, were married at the United Brethren parsonage, Bellefonte, on Wednesday of last week by the pastor, Rev. George E. Smith. They were attended by Mr. and Mrs. Boyd Rachau, of Pleasant Gap. The young couple will make their home at Spring Mills.

Barlett—Graden.—Harry L. Barlett, of Coleville, and Miss Mary I. Graden, of Spring Mills, were married at the Reformed parsonage in Aaronsburg on Saturday evening, by the pastor, Rev. John S. Hollenbach. The young couple will make their home in Bellefonte.

Livestock Judging Contest.

The usual livestock judging contest will be held at the Centre Hall fair on Wednesday, September 6th, at 9:30 a. m. This contest is open to any boy or girl under nineteen years of age. Competition in this contest will make the contestant eligible to compete in the State judging contest to be held at State College next June. Previous experience is not required. The winner will receive railroad fare to the State farm products show, at Harrisburg, next January. Four other corresponding prizes will be awarded. All boys and girls under nineteen years of age are eligible and should register at the Farm Bureau tent on the grounds before nine o'clock on Wednesday morning.

—Miss Eleanor Mong, of Altoona, came to Bellefonte yesterday and was enrolled as a student nurse in the Bellefonte hospital.

Soldiers to Move on Hecla Park Next Monday.

Next Monday will be Labor day and taking advantage of the fact that it is a holiday many world war soldiers from Bellefonte and Centre county will make an onslaught on Hecla park in the first annual picnic of the Brooks-Doll Post of the American Legion. The campaign has been well mapped out and if the boys do not come out of the fray victors it will be because the people of Centre county do not show the same interest in them that they did over four years ago when Germany loomed ominously in the distance.

The committee in charge of the picnic has arranged a good program of sports, chief among which will be a ball game between the Howard and Millheim teams. The fans in both these places think their teams are just about the niftiest bunch of amateurs in the county and next Monday will be the day for a decision.

There will be boating and other sports while an all-star orchestra, of Altoona, will play for the dancing afternoon and evening. The gathering has been designed as a basket picnic but refreshment stands will be on the grounds for the accommodation of all who do not care to take a lunch.

This will be the last big picnic of the season and the soldier boys should be greeted by a large crowd. All the proceeds will be applied to the fund for the purchase of a permanent home for the Brooks-Doll Post.

Be a Homesteader for the Legion.

Since last week the Brooks-Doll Post of the American Legion has been taking the preliminary steps looking toward the organization of a drive for funds for its proposed home. A committee of Legionnaires has been appointed by post commander John B. Payne for the purpose of consulting and working with a committee of representative citizens of Bellefonte and vicinity, who have consented to serve. A complete membership list of this committee will be published at an early date. These committees will meet to adopt a plan for the raising of funds, and the plan adopted will then be made public.

The success of any plan for the raising of funds will depend almost entirely upon the help and aid of the public at large. The Legion post, through various efforts, will continue to raise money for the home trust fund, but it will be the friends of the ex-soldier and sailor in Bellefonte and vicinity whose contributions will make the home possible. Inasmuch as the post, and every individual ex-service man in the post, realizes that the home will be secured only through the help of the community, the post will be more than eager to take its full part in any undertaking of benefit to the community when called upon to do so. An active post of greater strength and efficiency will result from an adequate home and greater service to the community can be rendered by such a post.

Let every one be a homesteader for the Legion.

There is still considerable work to do and the probability is that the building will not be ready for occupancy until some time in October.

Obedient Willie.

The teacher wanted some plums in order to give an object lesson, and calling on one of the small boys she gave him ten cents and dispatched him to the fruit stand down on the corner.

"Before you buy the plums, Willie," she cautioned, "you had better pinch one or two to make sure they are ripe."

Little Willie filled away. Soon he came back and smilingly put the bag on the teacher's desk.

"Oh, thank you, Willie!" said the teacher, taking up the bag. "Did you pinch one or two, as I told you to do?"

"Did I? I pinched the whole bagful, and here's your ten cents!"—Judge.
