

Democrat Watchman.

Bellefonte, Pa., September 8, 1922

NEWS ABOUT TOWN AND COUNTY.

Mrs. Schmidt offers some of her fine asters for sale at the Reformed parsonage, for the benefit of the hospital fund.

Miss Virginia Weber, of Howard, soprano soloist, will sing in the Bellefonte Reformed church next Sunday morning.

The influx of students to The Pennsylvania State College is now on and will continue until the opening day, next Wednesday.

The "Watchman" last week mentioned the fact that a little daughter had been born to Mr. and Mrs. Ralph Haag, when it should have been Mr. and Mrs. Paul Haag.

The American Legion picnic on Monday closed the picnic season for this year at Hecla park, though proprietor W. C. Rowe has Thursday night dances booked up to the first of October.

Bellefonte friends of Dr. Edith Schad will be interested in learning that she has accepted a good position in one of the city hospitals, in Pittsburgh, where she has been living for some time.

The Gerberich home and furnishings having been sold at public sale Harry L. Gerberich has taken a room in the Mrs. John Meese house on Logan street, where he will make his home in the future.

Rev. David R. Evans and family moved this week from the Presbyterian parsonage to the Spring street side of the Parker house on the corner of Howard and Spring streets, where the pastor will be located in the future.

John B. Payne, director of vocational education in rural high schools, spent last week at Beaver Falls as an instructor at the Beaver county teachers' institute. His theme was vocational education in rural schools.

Mrs. Viola D. Romans, of Ohio, has the reputation of being one of those real and rare speakers who can tell a great truth in a captivating manner. Hear her at the court house this (Friday) evening. Admission free to all.

In publishing the list of High school graduates who will go away to college the "Watchman" unintentionally omitted the names of Misses Martha Hunter and Edna Kilpatrick, both of whom will go to Drexel Institute, Philadelphia.

The public road between Bald Eagle and Vail is closed to travel in order to facilitate the construction of the new state highway between those two points. All travel between Bald Eagle and Tyrone is by detour across the ridge into Warriorsmark valley.

The C. T. Gerberich home was purchased at public sale last Saturday by John W. Garbrick for \$7,550. Mr. Garbrick made the purchase for himself and brother-in-law, William Ott, the home to be converted into a double house and be occupied by the two families.

In compliance with an order issued by the war department the camp of the headquarters troop, 52nd machine gun battalion, at Somerset, has been named "Camp Frank B. Crissman," in honor of the Bellefonte soldier killed in battle in France during the world war.

The Scenic doesn't send out invitations but strangers in town will find it an interesting place to spend the evenings. No other motion picture show in this part of the State shows such high-class programs as can be seen at the Scenic. An evening at the Scenic means two hours of amusement and entertainment.

Isaac Underwood, of Bellefonte, attended the regular yearly meeting of the Society of Friends at the Friends meeting house in Halfmoon valley, from Saturday until Monday. Years ago these annual meetings were always largely attended by members of the society from many neighboring counties, especially Bedford, but the crowd this year was not as large as in former years.

The Knights of Malta, of Boalsburg, will hold memorial services in the Reformed church at that place on Sunday evening, September 17th, at 7:30 o'clock. The service will be in charge of a delegation of twenty-five members of the Williamsport Commandery. Old-fashioned hymns will be sung and an orchestra will play the accompaniment. The public is invited to attend the services.

B. Lloyd Black and family, consisting of his wife and child and his mother, moved from State College to Bellefonte last Thursday and are now comfortably located in the Spigelmyer house on Howard street, Mr. Spigelmyer retaining rooms for himself. Mr. Black succeeds the late J. S. McCargar as the local representative of the Pittsburgh Edward A. Woods agency of the Equitable Life Insurance company.

If you want to hear the correct story of the work being done in the cause of prohibition go and hear federal prohibition commissioner Haynes speak at the Centre county W. C. T. U. convention, in the Methodist church at Philipsburg, Thursday evening, September 14th. Another prominent speaker who will be at the convention is Mrs. Culla J. Vaynigher, national W. C. T. U. director of Americanization of Upland, Indiana.

KILLED IN AUTO ACCIDENT.

D. L. Dennis Met Death Sunday Night on Way Home from Church.

David L. Dennis, the oldest and one of the best known residents of Ferguson township, was run down and instantly killed, by an automobile at eight o'clock on Sunday evening while on his way home from church; his body being dragged almost to the door of his own home. As was his unfailing custom he attended services at the Lutheran church and it just happened when the services were over that the street lights were out and it was quite dark. Mr. Dennis started to walk diagonally across the street from the church to his home and was watching two cars pass each other in front of him when he was hit by a car from the rear. He was knocked down and dragged about fifty feet, to almost opposite his own home, and passers-by who saw the accident were just able to get his badly mangled body off the street in time to prevent it being run over by another machine. The driver of the machine that hit Mr. Dennis did not stop and in the excitement and darkness no one was able to get the number of his tags, so it will be a difficult matter to find out who he was. It is known, however, that it was a Paige car and was occupied by two men, as they had stopped at a garage about five hundred feet from where the accident happened to get gas. They gave a ten dollar bill in payment and told the man to keep the change. In fact their actions were so suspicious that they left the impression that they were either driving a stolen car, or else were booze runners. The only thing to their credit is the fact that they tried to avoid hitting Mr. Dennis, even to crowding another car into the ditch, but they were going too fast to stop and after the accident got away as rapidly as possible. Just how badly their car was damaged is not known, but one headlight was smashed as the glass was found on the street. Wray Reed and Miss Etta Keller were eye witnesses of the tragedy but it all happened so quickly that they could do nothing to avert it.

David Love Dennis was a son of John and Susan Bloom Dennis, early settlers of Potter township, where he was born on September 13th, 1838, hence was within ten days of being eighty-four years old. When he was quite young his parents moved to the old Pine Grove furnace, south of Pine Grove Mills and in 1847 the elder Dennis built the well known home on east Main street which has been in the family ever since. When David grew to manhood he engaged in farming, an occupation he followed until after the death of his wife in 1911 when he quit the farm and moved into the family home in Pine Grove Mills. He was a great reader and had been a subscriber of the "Watchman" for sixty-two years. He was possessed of a wonderfully retentive memory and could discuss many topics in a most interesting manner.

He was the oldest member of the Lutheran church at Pine Grove Mills, his name being on the church roll for seventy-four years. For many years he filled the office of elder and was a member of the church council, taking an active part in all church affairs. His uncle, Samuel Dennis, organized the first Sunday school at Pine Hall in the year 1840. Politically he was a staunch Democrat, of the Andrew Jackson type, and during his active life filled various township offices. He married Miss Eliza Bloom and their two children, Catharine and Charles, died in youth, so that he is the last of the family to go and the name dies with him. Funeral services were held at his late home at two o'clock on Wednesday afternoon by his pastor, Rev. English, after which burial was made in the new cemetery at Pine Grove Mills.

Pennsylvania Alpine Club to Meet at Milesburg.

The Pennsylvania Alpine club has selected Milesburg as the place for holding their first outing for the autumn season and the date Saturday, September 30th. The announcement states that "the outing will be in the nature of a club day and numerous points of interest will be visited, including the 'Silent City,' a colony of hundreds of giant ant hills, the grave of Red Nathan, companion of Eeeween, a pioneer missionary on a journey to Ohio in 1772; black Moose run, where the last black moose in Centre county was killed; the Eagle's Nest and the old home of General Miles."

Missionary to Speak in Evangelical Church.

On Wednesday evening, September 13th, Rev. Lehman, a returned missionary from China, will lecture in the United Evangelical church of Bellefonte at 8 o'clock. He will have with him a large number of curios which will be displayed, and an excellent lecture is in store for all his hearers. The general public is invited. Seats free.

The Bellefonte public schools opened on Tuesday with an attendance of 903, which is 28 more than at the opening last year. The increase is mainly in the High school, the Freshman class this year numbering 116, which is just 26 more than the largest number of Freshmen ever entered heretofore. After being in session two days the schools were closed yesterday to permit any of the scholars who cared to do so to attend the Granger's picnic at Centre Hall.

Rudolph Valeria, nineteen years old, employed in Imperial mine No. 4, at Osceola Mills, had his left hand so badly mutilated in a premature dynamite explosion last Thursday morning, that it was necessary to amputate the hand and lower portion of his arm.

Announcements were received in Bellefonte this week of the birth of Zane Gray Brandenstein, the first child born to Mr. and Mrs. E. W. Brandenstein, of Schenectady, N. Y. Mrs. Brandenstein, before her marriage, was Miss Isabelle Goheen, of State College.

A report received in Bellefonte early in the week stated that five young women had walked away from the girls' home at Muncy, and that among the number were the Misses Parks, of Bellefonte. Later reports, however, stated that none of the girls were from Centre county.

Labor day on Monday was pretty generally observed in Bellefonte. All the stores were closed with the exception of meat markets and bakeries, which were open in the morning. Even the members of Bellefonte borough council observed the day, as only two reported for the regular meeting on Monday evening and as that number did not constitute a quorum no meeting was held.

The terrific downpour of rain on Monday morning naturally dampened the ardor of the public generally, and the result was the American Legion picnic at Hecla park was not as largely attended as it probably would have been had the morning been fair. After the morning's rain, however, the day was clear and warm. A fair crowd was in attendance at the baseball game in the afternoon between Howard and Millheim, the former winning by the close score of 2 to 1. The dance in the evening was well attended, but the day in its entirety did not result in big financial returns for the Legion boys. Their net receipts will probably be less than two hundred dollars.

McQuistion Home Purchased for Mrs. Shoemaker.

The old and well known McQuistion home on west High street was sold last week and will become the future home of Mrs. Thomas A. Shoemaker and family. The purchase was made by Col. James A. McClain, cashier of the First National bank, of Spangler, who represented the purchasers. The price paid was \$7,000, and possession will be given by the 19th of September when Miss Mary McQuistion, the only survivor of the family, will move into her house on the corner of High and Thomas streets, which has been entirely done over on the inside.

Traveling Dental Clinic from State Health Department.

As announced two weeks ago, the dental car, under direction of Dr. C. J. Hollister, of the State Health Department, will come into Centre county on September eighteenth, operating the first week in Bellefonte, the second week in Philipsburg, and the last week in State College. After these three weeks of demonstrations by Dr. Hollister and his assistants, Miss Grace Kelsey, who has been demonstrating with the car for several years, will remain as dental hygienist, devoting two months to the school children in Bellefonte, two months to State College, and two to Philipsburg.

While the work of Dr. Hollister is corrective, the work of the hygienist is entirely prophylactic—cleaning the children's teeth; in short, preparing them for the dentist. Every one is invited to attend the demonstrations to be conducted in the High school building during the week, beginning September eighteenth. It is a privilege to have Dr. Hollister bring the dental car into our county and do not let slip this opportunity to learn its function as well as the work of the dental hygienist.

Six Children Buried Under Wrecked Car.

On Monday night Dr. W. U. Irwin had a call to go to Unionville to see a patient and it was well after twelve o'clock when he started home. At the sharp curve in the road this side of the Alexander farm he saw a machine coming, westbound, and pulled off to one side of the road to allow the man to pass. The driver, however, swung wide in making the turn and side-swiped the doctor's car with such force that his own car turned turtle and landed with the wheels in the air. In some way the driver got free of the car and called to Dr. Irwin to come to his assistance as his six children were under the wrecked car. Of course the doctor went to his rescue and the two men were able to raise the car sufficient to permit the children to crawl out; and the remarkable part of it was that aside from a few slight cuts and scratches none of them were seriously hurt.

The driver of the car proved to be C. A. Weaver, of Port Matilda, who, with his children, had been at the American Legion picnic at Hecla and were on their way home. He explained the accident by stating that owing to the lateness of the hour he didn't expect to meet any one on the road and probably was not as careful as he should have been. Of course he offered to pay for the damage to the doctor's car, but strange as it may seem, neither of the cars were greatly damaged.

Many Children Attend Closing Exercises on Playgrounds.

Over three hundred and fifty children, with their parents and friends, attended the closing exercises on the playgrounds at the High school building last Friday afternoon. The exercises, which lasted from 2:30 to 6 o'clock, began with the flag raising and singing led by Mrs. Krader. Following this came the finals in hand tennis and other sports as well as the boys baseball game. The games were directed by Mrs. Krader while the assistants had charge of the various recreation apparatus, such as swings, sliding boards, etc., and they were all used to the limit of capacity.

An exhibition of the articles made by the children during the industrial class periods was arranged in the hall of the school building and attracted much attention. In the exhibit were baskets of various kinds and shapes, raffia mats, trays, paper novelties, needle work, woven watch fobs and putty designs, all of which showed considerable skill on the part of the children. This work during the playground season was under the direction of Mrs. Krader.

There is no question but that the playgrounds were a success this summer—their first season. It has been most gratifying to the workers and supporters to have such hearty co-operation on the part of the children, who have responded most nobly to the rules of training and fair play. Of the hundreds of children using the grounds all have proved faithful to the trust imposed in them in the use of the playgrounds property. In checking up the articles at the close of the season the fact developed that not a single article was lost or destroyed. Balls, bats, pails, pegs and toss rings were all accounted for. Some of them were considerably the worse for wear and will have to be replaced for next year, but none were taken or lost.

The management of the playgrounds association is indebted to every donor who made the playgrounds possible, to the school board for the use of the school grounds, and to the faithful corps of volunteer workers who stuck to their posts so untiringly during the entire season. It is also gratifying to know that not one major accident happened on the grounds, due largely to the care being taken to practice "safety first."

The children were surprised at the treat of ice cream cones and peanuts given them at the close of the exercises last Friday. Just four hundred cones were given away. Winners in the various races and contests were presented with ribbons as a trophy of honors won. The various contests and winners were as follows:

75 yard dash for boys.—Won by James Haupt; second, James Potter; third, John Spangler.

50 yard dash for small boys.—Won by Joe Thompson; second, Frank Sasserma; third, Harold Sunday.

Three legged race.—Won by Francis Almond and William Ruhl; second, Howard Leopold and Henry Shawley; third, Elmer Garbrick and Gilbert Shope.

Jockey race.—Won by Francis Almond, Taylor and Elmer Garbrick.

Pitching horseshoes.—Won by Elmer Garbrick and Francis Auman; Jack Rebeck and Jack Spangler; Clark Shultz and Austin Kellerman; Benzie Osman and James Haupt.

75 yard dash for girls.—Won by Jean Smith; second, Alice Grafmeyer; third, Elmer Hill.

50 yard dash for girls.—Won by Margaret Hissner; second, Helen Nelson; third, Sarah Spicer.

25 yard dash for smaller girls.—Won by Sarah Osman; second, Pauline Sarkis; third, Josephine Cohen.

Hand Tennis, doubles.—Mary Elizabeth Sloop and Florence Smith; Betty Ray and Alice Grafmeyer; Pearl Shope and Julia Hines.

Boys baseball.—Won by Reds by score of 14 to 13, the players of winning team being Francis Almond, Gilbert Shope, Elmer Garbrick, Henry Shawley, Howard Leopold, John Shoemaker, James Haupt, William Ruhl and Archie Kellerman.

"The Musical Teas."

"Music exalts each joy, allays each grief, expels disease, softens every pain"—there is, then, no incongruity in a joint hospital and musical club "benefit," all toward one end, ultimately.

Hark, those who say that there used to be some sweet singers in Bellefonte, hear what talent the recently organized Bellefonte Music Club will present during its series of three musical teas the afternoons of September fourteenth, twenty-first and twenty-eighth, from three to five o'clock. Rendering vocal and instrumental music there will be a woman's octet, a male quartet, a delightful trio with two violin obligatos; and vocal and instrumental soloists. The talent will include Miss Mildred Locke, Mrs. Russell Blair, Mrs. Orris Harvey, Mrs. Robert Walker, Mrs. Krader, Mrs. Louis Schad (violin). Mrs. Harvey, president of the State College Music Club (piano); also two young piano students of promise, Miss Louise Barnhart and Miss Sara Smith, and one young student of the violin, Miss Magdalene Sunday.

The program for the first of the series, at the home of Mrs. Frank McCoy, Thursday afternoon, September 14th, has been arranged as follows: Piano solos by Mrs. Harvey; German folk songs, in costume, by Mrs. Krader; vocal solo by Miss Mildred Locke, and piano solos by Miss Rebecca Pugh Lyon.

A little daughter was born to Mr. and Mrs. Harry Shutt, the latter part of last week.

NEWS PURELY PERSONAL.
