WILLIAM I. BETTS, of Clearfield.

For Assembly,

Miss ZOE MEEK, of Clearfield.

For Member of State Committee,

G. OSCAR GRAY, Bellefonte.

For County Chairman,

G. OSCAR GRAY, Bellefonte.

The Clearfield Fair Next Week.

The plans for the Clearfield county fair next week are completed and the promoters are looking forward to one of the greatest fairs that they have ever had. Many improvements have been made on the grounds and there are some surprises in store for the people who have not seen them since last year.

The formation of boys' and girls' calf, swine and poultry clubs throughout the county, by county agent Sterrett, will add zest to the exhibits in this line for the coming fair. Much interest has been evidenced by the members of these clubs in preparation of their exhibits for the coming fair. Entries have already been made by individuals and by clubs, and the competition promises to be the keenest that has been seen in the county for many years. The new exhibition facilities for these products of Clearfield county farms is going to arouse a vast amount of interest. Special prizes for the calf and pig clubs have been donated by the Clearfield Commercial club and the DuBois Rotary club.

The work that has been going on quietly, under the direction of The Clearfield County Livestock Auxiliary association, will be brought to light when the fine herds and individual entries of Guernsey cattle will be shown at this year's fair. This organization has already been responsible for the purchase of one car load of Guernsey cattle, and another is now being gathered together under the direction of county agent Sterrett.

The lighter side of the four days of fun, frolic and education, has been given a vast amount of consideration by the fair manager, and there will be something doing all the time, from the minute the gates open at Tuesday noon until the final hour on Friday evening, when the fair closes. The Clearfield American Legion band, of forty trained musicians, and the crack band of this section of the State has been engaged, and has a program prepared for the lovers of music that will meet with approval. A special bandstand has been erected for this organization, and they will render concerts and general musical entertainment every afternoon and evening. Several other bands have been engaged for concerts in the regular band-stand, in the grove, for every morning and afternoon. There will be a grand display of fireworks in the evening. These will be in charge of an expert pyrotechnician, who will arrange for the display. Lieutenant W. H. Emery Jr., will be there with his aeroplane and will not only give exhibition flights every afternoon, but will carry passengers for flights over the city at the rate of ten dollars each. He will also give exhibitions of wing-walking and make a parachute drop every day. The usual "midway" will be in evidence and will carry some very good attractions, dog and pony show, trip around the world, and an athletic show. The usual "hot dog" and "get-'em-while-they're-hot" stands will be there aplenty so that the inner-man or woman may be appeased.

The Clearfield Fair association is a member of the Coal, Oil and Iron circuit which assures fast and clean horse racing. The races are conducted under the Union trotting association rules, which prevents anything but fast, fair and clean harness racing. Horses will be there from every section of the eastern circuits and the purses of four hundred dollars will attract unusually fast entries.

The summer is over, as autumn began officially yesterday, according to the calendar.

HOY.—Last week the "Watchman" told of the serious condition of the venerable Hezekiah K. Hoy as the result of a fall at his own home a week previous, and the injuries he suffered at that time and the nervous shock he sustained resulted in his death on Saturday afternoon at the home of his daughter, Mrs. Clayton E. Royer, of Bellefonte.

He was a son of John and Susannah (Hoy) Hoy and was born in Walker township in February, 1835, hence was 87 years and 7 months old. When he was ten years of age his parents moved onto a farm in Benner township and it was there his boyhood days were spent and he grew to manhood. In those days tilling the soil was the universal occupation and it was only natural that Mr. Hoy stuck to the farm and for sixty-two years he occupied the old homestead in Benner township. He retired fifteen years ago and moved into a comfortable home in Bellefonte, where he resided until he was called home. He was a life-long member and an earnest supporter of the Reformed church of Bellefonte. In politics he was a staunch Democrat and twenty-five years ago was an exponent of the free coinage of silver.

In 1860 he married Miss Mary E. Fishburn, who survives with the following children: Mrs. Etta Shuey, of Prospect, Ohio; Mrs. Anna Pifer, of Wilkesburg; Mrs. W. J. Wagner, of Boalsburg; Henry N. Hoy, Mrs. Clayton E. Royer, Jacob F. and Ursinus H. Hoy, all of Bellefonte, and Mrs. George Ely, of Turbotville. He also leaves two sisters, Mrs. Mary Anne Miller and Mrs. Emma Fravel, both of Bellefonte, as well as twenty-five grandchildren and twelve great grandchildren.

Funeral services were held at the Royer home, on south Water street, at two o'clock on Wednesday afternoon, by his pastor, Rev. Dr. A. M. Schmidt, who was assisted by Rev. Stedley, of the United Evangelical church, and Revs. Wagner and Ely, sons-in-law, and Rev. Harkins, a grand-son of the deceased.

The carriers were Lester Pifer, Harry, Allen and Christian Hoy, of Pittsburgh; John Wagner, of Gettysburg, and Hoy Royer, of Bellefonte, all grand-sons. Burial was made in the Union cemetery.

The members of the family take this opportunity to express their appreciation of the many kindnesses shown by friends during the illness of Mr. Hoy.

MOYER.—Mrs. Sarah Moyer, widow of Daniel Moyer, died on Sunday at her home near Spring Mills, following an illness of some months, aged eighty years. Her husband died some years ago but surviving her are three sons and one daughter, namely: Thomas, Merrill and Henry Moyer, and Mrs. William Baker, all of near Spring Mills. Mrs. Moyer was a member of the United Evangelical church and being a member of one of the old-time families in that section of the county, had many friends who regret her passing away. Burial was made at Spring Mills on Wednesday afternoon.

TATE.—Miss Mary Elizabeth Tate died at her home near the red mill, in Potter township, on Friday, following a brief illness. She had been employed at a fraternity house at State College and became ill about two weeks ago. She was taken home on Tuesday of last week and died on Friday. She was a daughter of Mr. and Mrs. Frank Tate and was twenty-one years old. Her father is dead but she is survived by her mother and two brothers, Morris and Richard. Rev. S. C. Stover had charge of the funeral which was held on Monday, burial being made at Tusseyville.

HARTER.—Ephraim C. Harter, a well known resident of Potter township, died on Monday following a prolonged illness. He was a son of George M. and Sarah Harter and was about fifty-six years of age. He is survived by his wife and three children, Viola, George and Anna Mary. The funeral was held yesterday afternoon, burial being made in the Tusseyville cemetery.

Centre County Court will be Held Next Week.

The regular session of the September term of court will be held next week and from the number of cases for trial, both on the criminal and civil list, the session will likely last all week. The most important case on the criminal list is the Commonwealth action against Steve Zimmerman, of Clearfield, charged with the killing on May 17th of Joe Surovich. Mr. Zimmerman is under bail for his appearance at court next week, as the court ruled at a habeas corpus hearing in June that the crime, if he should be adjudged guilty, could not exceed that of manslaughter. Notwithstanding this fact the dead man's friends have engaged the services of an Italian lawyer, of Clearfield, to assist in the prosecution, and last week sent to prothonotary Roy Wilkinson a list of fifty or more witnesses they wanted summoned. The list, however, will probably be cut down to those persons deemed essential in establishing a case against Zimmerman.

On the civil list the case of Shaughnessy vs. The Pennsylvania Railroad company, sent back by the Superior court for retrial, will probably take up the most time. A dozen or more cases appear on the civil list but it is possible some will be settled and others continued.

Alpine Club to Visit Centre County.

The Pennsylvania Alpine club, an organization of nature lovers and conservationists which has for the past five years been climbing the higher peaks of the Pennsylvania mountains and visiting unusual sites and groves, will on Saturday, September 30th, make a visit to the "Ant City" and Red Nathan's grave, about five miles from Milesburg. The members of the organization and their friends will assemble at Milesburg on Saturday morning and proceed up Moose run to the "Ant City" and the grave of the noted Indian, proceeding from there to Snow Shoe where a number of the members of the organization will camp in the public park, while others will be quartered at the hotels in Snow Shoe.

Following the hike in the woods a campfire will be enjoyed in the public park at which time addresses will be made and later in the evening a fine banquet will be served to the members.

Delegations will come from Williamsport, Harrisburg, Middleburg, Muncy, Selingsgrove, Altoona and other places. The Williamsport delegation will reach Milesburg about nine o'clock on Saturday morning, while the Altoona delegation will arrive at Milesburg at 10:15. All will be ready to make the start to the mountains at 10:30 o'clock.

Col. Henry W. Shoemaker, a member of the Pennsylvania Forest Commission, author of more than thirty books on Pennsylvania history, folklore, natural history and legends, is president of the Club and will have personal charge of the outing. Miss Lillian Sheffer, one of the two girl forest fire wardens in Pennsylvania, who has a camp at "Camp Paddies," near Coburn, will act as one of the guides. A general invitation is extended to all persons interested in the out-of-doors to accompany the party.

Col. Shoemaker and John H. Chatman, of McElhattan, were at Snow Shoe on Wednesday making arrangements for the entertainment of the Alpiners, as they expect to spend the night in that place and do some mountain climbing on Sunday. The reception committee includes Grant Kessling, W. F. Irwin, J. S. Snyder, James Uzzle, Lawrence Redding, Thomas Redding, J. S. Burns, Charles L. Fleming, J. F. Shepp and A. B. Budinger, of Snow Shoe; G. L. Watson, of Clearfield; Thomas H. Harter and Charles F. Mensch, of Bellefonte, and Ray D. Gilliland, of State College.

Attending Conference at Portage.

Rev. George E. Smith, pastor of the Bellefonte United Brethren church, left on Tuesday morning for Portage to attend the eighty-fourth annual session of the Allegheny conference of the church of the United Brethren in Christ, consequently there will be no preaching services in the local church on Sunday. A number of the congregation are arranging to go to Portage for the Sunday services. A bus will leave the United Brethren church at five o'clock in the morning. The fare for the round trip will be \$2.30. Those desiring to go should reserve a place by purchasing a ticket as soon as possible, from either C. D. Young, at Weaver's store; J. Ellis Stine or Charles T. Stine, at the High school building.

Rev. Smith, by the way, was appointed pastor of the Bellefonte church May first, 1919, filling the vacancy caused by the resignation of Rev. T. H. McLeod. Since that time he has preached 376 sermons, baptized 30 people, and received 31 into full membership of the church. He has married 66 couples, and officiated at 27 funerals. He was the teacher of the last Teacher-Training class graduating seven with honors. It was through his influence that the Otterbein Brotherhood was organized a year ago with sixteen members and which has now grown to forty-eight.

Schumann Heink Coming to Williamsport.

Mme. Schumann Heink, the great mistress of song, more popular than ever, assisted by Florence Hardeman, violinist, and Arthur Loesser, pianist, will give a concert in the Majestic theatre, Williamsport, Monday evening, October 30th, at 8:15 o'clock. Reserved seats including tax, first floor \$2.20, balcony \$1.65, on sale Friday, October 27th. Orders for reservations mailed to Harry S. Krape, Box 144, Williamsport, Pa., accompanied by remittance and an addressed, stamped return envelope, will be filled in advance of the box office sale in the order of their application.

The Keystone Power corporation has set the poles for the stringing of a new high power line from its plant in Milesburg to the service station in Bellefonte, and in order to keep a safe distance away from the new line the Bell Telephone company has put up new poles down north Water street and along the line of the old Central Railroad of Pennsylvania on which their cable and wires will be strung.

The world's series baseball games will open in New York on October 4th, and from the way it looks now they will all be played in New York, as both the New York teams are leaders in the race and it is not likely they will be overtaken in the few games yet to play. It is quite likely that some of the real fans of Bellefonte will go to New York for a portion of the series, at least.

Bellefonte Academy Football Prospects.

The football fans of Bellefonte and vicinity are promised a good schedule of interesting games this season by the athletic management of the Bellefonte Academy. The opening game will be played on Hughes field at 3 p. m., on Saturday, September 30th, with the Potomac State school, of Keyser, W. Va. This is the southern team that played the Academy to a tie last year, on Armistice day, at Clarksburg, W. Va. It will be a hair raiser, as the visitors are coming fully expecting to take the scalp of the local eleven.

The Academy boys are a husky lot and will give a good account of themselves. The heavy guarantees demanded by the teams that are scheduled to play here this fall necessitate asking an admission fee of fifty cents. Coach Herman is working hard to develop a winning team and with the splendid material on hand he should succeed. Following is the season's schedule.

Sept. 30—Potomac State School, of Keyser, W. Va., on Hughes field.

Oct. 7—State Freshmen at State College.

Oct. 14—Mansfield Normal at Mansfield.

Oct. 21—Carnegie Tech Reserves at Pittsburgh.

Oct. 28—Game pending.

Nov. 4—Dickinson Seminary at Williamsport.

Nov. 11—"Pitt" Freshmen on Hughes field.

Nov. 18—Bucknell Reserves on Hughes field.

Nov. 25—University of West Virginia Freshmen at Morgantown, W. Va.

Penn State will Open Football Season Tomorrow.

The opening game of the football season will be played at State College between Penn State and St. Bonaventure, tomorrow, when the faithful supporters of the blue and white team will be able to get a line on the prospects of a winning aggregation. Naturally everybody is pinning their hopes on Hugo Bezdek, notwithstanding the fact that most of his team will have to be built up out of new material. State's schedule for the season is as follows:

Sept. 23—St. Bonaventure at State College.

Sept. 30—William and Mary at State College.

Oct. 7—Gettysburg at State College.

Oct. 14—Lebanon Valley at State College.

Oct. 21—Middlebury at State College.

Oct. 28—Syracuse at Polo grounds, New York city.

Nov. 3—Annapolis at Washington, D. C.

Nov. 11—Carnegie Tech at State College.

Nov. 18—Penn at Franklin field.

Nov. 30—Pitt at Pittsburgh.

Centre County W. C. T. U. Officers.

Many the delegates in attendance at the annual convention of the Woman's Christian Temperance Union, held at Philipsburg last Thursday and Friday, were considerably disappointed in the non-appearance of federal prohibition commissioner Roy A. Haines, who was booked as the star speaker of the convention. That gentleman was detained in Washington but sent as his representative John T. Davis, prohibition enforcement officer of Pennsylvania, who addressed the convention on Thursday evening and told of the enforcement work in Pennsylvania.

At Friday afternoon's session officers for the ensuing year were elected as follows: President, Miss Rebecca N. Rhoads, Bellefonte; vice presidents, Mrs. A. M. Schmidt, Bellefonte, and Mrs. L. H. Leitzell, State College; corresponding secretary, Mrs. Nannie F. Williams, Fleming; treasurer, Mrs. Frank Noll, State College.

I. O. O. F. Band to Give Concert at Hairy John's Park.

The I. O. O. F. band of Bellefonte, will give one of its splendid band concerts at Hairy John's park, near Woodward, on Sunday, September 24th. A varied program of sacred, popular and classical music will be rendered. The wonderful boy soprano and his sister will render vocal selections during the concert. The public is invited to attend and the "Watchman" can assure the people of lower Pennsylvania that they will hear a good concert.

Many people in Bellefonte are wondering when the first consignment of anthracite coal will reach Bellefonte, and practically everybody is speculating as to what the price will be when it does reach here. The price fixing commission and the operators are haggling over the advance demanded by the latter and if the conference ends as all such conferences heretofore terminated the regulation will work against the consumer, most naturally, and he'll be the man who will have to settle the bill. In the meantime, quite a number of people in Bellefonte who always used anthracite are laying in a supply of bituminous coal, and this may prove to be the best price regulator of all.

The music study club, through its executive committee, wishes to extend its grateful acknowledgments to Mrs. Frank McCoy for opening her home to the first musical tea on September 14th. As she is not yet a member of the club this courtesy was deeply appreciated.

Any person desiring credential cards to the State Sunday school convention to be held at Lancaster, Pa., on October 11-13, 1922, will please send to Darius Waite, county secretary, Bellefonte, Pa.

McGinley-Kryder.—A Linn McGinley Jr., son of Mr. and Mrs. A. Linn McGinley, of Bellefonte, and Miss Eleanor Kryder, a daughter of Mr. and Mrs. J. D. Kryder, of Lock Haven, but who has been making her home with her grandmother, Mrs. R. A. Kryder, in that place, stole a march on their friends and went to Hagers-town, Md., where they were married at the parsonage of the Methodist church on Monday. Returning to Lock Haven the same day they were given quite a reception by the bride's friends. Mr. and Mrs. McGinley came to Bellefonte on Tuesday afternoon and that evening were tendered a reception and serenade. The bridegroom is employed by his father and until they can secure an apartment of their own will live with his parents on Thomas street.

Beck-Ripka.—Announcement has been made of the marriage in Harrisburg, on Monday, of Clarence Beck, an ex-athlete of State College, and Miss Clara E. Ripka, also of State College. The ceremony was performed at the parsonage of Zion Lutheran church by the pastor, Rev. Stewart Winfield Herman. There were no attendants. Mr. Beck was one of this year's graduates at State College in the electrical engineering course and has established himself in business in Pottsville, where the young couple will make their home.

McClellan-Spicer.—Harry D. McClellan and Miss Anna M. Spicer, both of Pleasant View, were married at the parsonage of the United Brethren church, last Saturday evening, by the pastor, Rev. George E. Smith. The young couple will make their home at Pleasant View, the bridegroom holding a good job with the American Lime & Stone company.

The William Thomas Barn Burned.

The large barn on the William Thomas farm, a short distance below Milesburg, was entirely destroyed by fire on Saturday afternoon. The livestock was all gotten out in safety but all this year's crops, some farm implements, etc., went up in smoke. The fire started between four and five o'clock but its origin is unknown. A call was sent to Bellefonte for assistance and the Logan company responded with their pumper, but though they made the run down in seven minutes the flames had gained such headway that they were unable to save the barn. Mr. Thomas estimates his loss at \$8,000, with only \$1,500 insurance.

After being closed ten days as the result of a fire Howard Dry's restaurant in the McClain block was reopened on Wednesday evening.

The Senior class of the Bellefonte High school realized thirty dollars from a dance, and social given at the school building last Friday evening.

The Odd Fellows band serenaded a number of Bellefonte citizens on Tuesday evening who contributed the funds for the purchase of the band's new saxophone.

Bellefonte dealers in corks aver that never before in all their experience has there been such a demand for corks as this year, and the biggest demand is for corks for gallon jugs. One dealer sold five hundred such corks to one customer while it is nothing unusual to have calls for anywhere from a dozen up to fifty.

Under a new ruling promulgated by the Supreme court of Pennsylvania litigants will not be required to bear the heavy expense of having all the testimony printed in cases appealed from the lower courts to the higher court. Only those portions of the testimony on which the argument is based will have to be incorporated in the paper book.

Vinton Bowers, of Philipsburg, had a narrow escape from death on Sunday evening. In company with William Rickard and two other young men he went into the plant of the Good Service vulcanizing company. Rickard picked up a .22 calibre target rifle kept at the plant to shoot rats, and the weapon was accidentally discharged. The bullet hit Bowers on the left side of the neck, passing through and coming out on the right side. The young man was hurried to a physician's office for first aid then taken to the Cottage State hospital. An examination there revealed the fact that the bullet had missed by a hair's breadth the jugular vein and windpipe, so that the wound is not considered even serious.

Dr. Francine, chief of the tuberculosis division of the State Health Department, was in town on Wednesday making arrangements to open a State clinic. It will be remembered that our clinic was closed about three years ago as the State could no longer support the overhead expenses and sufficient interest could not be aroused in local authorities to provide a room. Since that time patients must go to Lock Haven—the nearest State dispensary—an inconvenient and expensive arrangement. Dr. Francine has offered to re-open our dispensary just so soon as a room is assured him, the State to provide the physician, nurse and equipment. It would certainly be to our interest to give him the desired support as the only other State clinic in Centre county is in Philipsburg, and from topographical reasons, not convenient for other parts of the county.

Church Services Next Sunday

METHODIST EPISCOPAL CHURCH

Two special preachers will assist the pastor next Sunday. The Rev. Rines, of Baltimore, will preach 10:45, and a former pastor, Dr. J. Stein, will speak at 7:30.

A Basketful of Eyes are I Yearly by Carelessness.

Some people would take a cutting their own hair if they thought their friends wouldn't get next. This may cause you to smile, but fact remains that many eyes are injured yearly by people trying their own optometrist, thinking save money. Service is entirely looked by these people, who are trying to save a little now and lose later on.

I practice Optometry, the science of fitting Glasses.

Dr. Eva B. Roan, Optometrist, censed by the State Board. Bellefonte every Saturday, 9 to 4:30 p. m.

State College every day except day. Both phones.

In his report at the All conference of the United Brethren church, in session at Portage, week, Rev. J. S. Fulton, conference superintendent, stated that years ago only eight charges entire conference paid salary \$1000 or more, while today at least two out of a total of nine charges pay that sum or better.
