

THE EAGLE FABRIC NAME

WHEN you buy Eagle Shirts you find in the label not only the name of the make but the Eagle name of the fabric as well. This helps a man in his necessarily limited knowledge of cloths. It makes it easy to repeat on what he likes. It takes the guess out of shirt buying. A novel idea—a good idea. Let us show you, now.

Bellefonte Stores Will Close.

All the stores and business places in Bellefonte will close at noon on Friday, October 20th, to permit the proprietors and clerks to attend the dedication exercises of the soldier's monument at Milesburg.

The I. O. O. F. band will give a concert on the top of Nittany mountain on Sunday afternoon. In connection therewith Stephen S. Apfin, general secretary of the Bellefonte Y. M. C. A., will conduct a devotional and song service and incidentally make a plea for the Y. The public is invited.

Mary Sebring, the younger daughter of Dr. and Mrs. John Sebring, and a Sophomore at Smith, has had special honors conferred on her by the college, in being placed on the honor roll of fifty-two, out of a class of five hundred, and one of four in Pennsylvania.

Mr. Betts is for Helpful Legislation

Almost every community has suffered through the fake Stock Sale swindle. Hundreds of thousands of dollars yearly are taken out of the pockets of the people of Pennsylvania by the sale of worthless and fake stock investments. Pennsylvania, the greatest State in the Union, gives but little protection to her citizens from these swindlers, who regard neither the "widow's mite" nor the orphan's bread and butter. If elected to the State Senate in the District comprising Centre and Clearfield counties, I propose to fight for Legislation for the protection of the people, and drive out of our State the worthless stock swindlers and rid the community of these fake stock salesmen. It should have been done long ago. The interests of the people have been neglected by the political bosses who have been in power.

Political Adv. WILLIAM I. BETTS

**THE VOICE WITH THE SMILE**  
When one of Bellefonte's 11 Bell telephone operators answers your call, she says "Number, please?"  
She says it with the pleasant rising inflection which expresses better than words her desire to serve you.  
These 11 Bellefonte young women were chosen for their ability and intelligence. They were trained to be quick, careful and accurate. They have all of these qualities. And in addition, they have "the voice with the smile." It's not just a part of their "stock in trade." The desire to serve their neighbors and friends is in their very nature. So they say "Number, please?"  
That little word "please" takes a lot of time when the thousands of calls every day are considered. But it's worth all the time it takes. For these young women know that *courtesy pays*.
