Brief Meeting of Borough Council.

Only six members were present at the regular meeting of borough council on Monday evening.

Attorney John J. Bower was present in the interest of the Krader Motor company requesting permission to erect a temporary structure at the rear of their property on Howard street so as to close it up for the winter and afford storage room for a car and truck.

Action was deferred until the next meeting.

A second communication was received from Robert Baney requesting council to establish the line of Burnside street so he can begin the erection of his new home.

The matter was referred to the borough manager and the borough solicitor.

Mr. Cunningham, of the Water committee, reported that the Phoenix mill dam, which was in an unsafe condition, has been repaired and is now in good shape.

He also reported \$47.00 collected on the 1921 water duplicate and \$49.60 received from G. Edward Haupt for fireplug and connections on Halfmoon hill.

The committee stated that the borough manager is ready to take out the old water wheel at the Phoenix mill pumping station and install the new pump.

It will take two weeks or more to do this work and as the water department will have to depend entirely on the electric pump to keep up the water supply while the work is in progress residents of Bellefonte are requested to be as economical as possible in the use of water.

There will be an ample supply for all ordinary use, if all unnecessary waste is eliminated.

The Fire and Police committee reported the purchase of 1000 feet of fire hose, as authorized at last meeting of council.

The committee also reported another application for appointment on the police force, but made no recommendation.

Mr. Flack called attention to the bad condition of several pavements on east Logan street, and Mr. Emerick also called attention to the pavement in front of the old Powers property on Spring street, and both complaints were referred to the Street committee and borough manager to notify property owners to make needed repairs.

There being no other business bills to the amount of \$1290.73 were approved and council adjourned.

Soldiers' Monument at Milesburg to be Dedicated To-day.

MILESBURG HOLDING BIG DEMONSTRATION.

Military Parade and Monument Dedication at 1:30 O'clock This (Friday) Afternoon.

National Guard contingents from Centre, Clinton and Blair counties will make up the big military parade at Milesburg at 1:30 o'clock this (Friday) afternoon on the occasion of the dedication of the monument erected by the people of that town in honor of the soldiers and sailors of Milesburg and Boggs township.

The parade will include the Headquarters company of the 52nd machine gun battalion and Troop B, of Bellefonte; Troop A, of Boalsburg; Troop B, 1st Pennsylvania cavalry, of Tyrone, and Troop F, of Lock Haven.

Major H. Laird Curtin will be in charge. Adjutant General Beard and a number of National Guard officers will be in the reviewing stand.

The parade will also include the Brooks-Doll Post, American Legion, of Bellefonte, and many other world war soldiers; civic societies and school children, as well as a number of bands.

The parade will march promptly at 1:30 o'clock and at its conclusion the monument will be unveiled and dedicated.

The list of speakers was published in last week's "Watchman."

Many former residents of Milesburg are back for the big ceremonies, which will be an historical epoch in the life of that town and community.

Beginning with the Spanish-American war and ending with the world war a large representation of young men of that community have served under the Stars and Stripes and while the most of them came home unharmed a few made the supreme sacrifice and it is only just and right that every name be immortalized on the bronze tablets of the monument.

While the big demonstration will be today the home-gathering will continue through tomorrow.

The Corey shows which were to have been in Milesburg all of this week as an attraction for their big home-coming, failed to stop there but went through to Lewisburg.

However, the manager of the shows has promised to have a portion of his outfit on the grounds by this morning.

Pilot Woods will be there with his aeroplane and make his landings on the long green at the Milesburg school house. He will not only give exhibition flights but will take up passengers at the rate of \$7.50 for ten minutes.

The Foremost Issue.

William I. Betts, candidate for State Senator of the 34th District, comprising Centre and Clearfield counties, believes that the reduction and equalization of taxes is one of the foremost issues before the people of today. The burden of taxation falls upon every one. Pennsylvania government must put into practice thrift. The politicians have been preaching thrift to the people but refuse to practice it in their control of the management of our Commonwealth. A program of the strictest economy in the operation of all departments of our State government is absolutely necessary. The taxpayers have an opportunity, at the election on November 7th, to assert their independence, and to secure for themselves their rightful voice in the management of the affairs of this Commonwealth and to see that they secure for themselves the rights and benefits to which they are entitled as citizens. The people of Pennsylvania are surely entitled to a better state of things than now existing.

The centralization of departments at Harrisburg burden the tax-payers with useless and extravagant cost. Public office must be sacred service for the good of all the people.

Bellefonte Y Week a Busy One.

Big things are being done this week at the Y and all young men, old men and boys are invited to join in the big time. On Monday the boys played a soccer game and put on a good contest, the score being 2 to 0 in favor of the boys club first team, who have been playing soccer outside and considerably outclass in size and age the Junior Y. It was a good, clean game and enjoyed by all.

About 100 High school boys were entertained Tuesday afternoon and had a great time on the bowling alleys, pool tables and in the gym. An exciting game of indoor baseball kept things moving in the latter place. In the evening the business men showed their ability to wives and friends in the line of volley ball, the popular game amongst them. The members of the teams get the greatest good from it in exercise and fun.

Wednesday afternoon the junior boys gave their parents and friends an opportunity to see how they enjoy the gym, by giving an exhibition of the games played during their class period. In the evening, open house was held for men in the industries, and they enjoyed the use of the alleys and tables.

The big event was the men's banquet last evening. While the "Watchman" went to press before the hour of gathering, covers were laid for two hundred. The Lutheran Sunday school orchestra furnished music and Cecil Walker led the vocalists. Radio selections were listened to by a cut in on the Pittsburgh circuit. Robert F. Hunter acted as toastmaster and the principal speaker of the evening was J. B. Carruthers, State secretary.

The big drive for membership in the Y will start today and continue through Monday and Tuesday. Two divisions of six teams each have been decided upon to be known as the "Reds" and the "Blues." Each Captain to select five team workers; each team to endeavor to secure a minimum of twenty-five members; each worker to report to captain at 5:30 p. m. as to progress, and each captain to report in person at the Y at 5:40.

Col. Robert F. Hunter will be in command of the Reds and Col. William Emerick in command of the Blues. The six captains of the Reds are Cecil Walker, George Hazel, Nev-in Noll, Clarence Williams, William Sager and Ebon Eover. The captains of the Blues are Earl K. Stock, Ward Fisher, Walter Cohen, Charles Keichline, John P. Smith and John M. Bullock.
